

# Financial Wellness

These are difficult economic times. Unemployment is high, investments are paying very little, the bills keep coming, and cash flow is sometimes precarious.

*What are we to do?*

### **We have so many questions:**

Will I get through this crisis?  
Is there something I should be doing?  
How can I get my financial house in order?  
What do I need to change in order to survive?  
Where is God in all this?

Join us for an in-depth adult education experience at Shenendehowa United Methodist Church as we welcome financial planner and pastor Rev. Norman Tellier as our instructor. It begins with “God and Money” on **February 28** and continues with financial planning classes to be held on **Sunday evenings, March 7, 14, 21, & March 28**. All classes will begin at 6:30 PM.

### **We'll talk about:**

What the Bible says about us and our money  
The financial planning process and setting goals  
Our assets and liabilities  
Cash flow  
Working on debt reduction  
Creating a financial plan  
Retirement and estate planning

Attendees are expected to commit to the entire series and to working on their financial plan throughout the course.

Cost: \$20 per person or \$30 per couple.  
Open to all, but space is limited and pre-registration is required.
