How have you been working with the S/PPRC and congregation on the goals for ministry which the charge conference has established?

How do your strengths for ministry connect with these goals? What are your untapped strengths in this appointment? Where do you feel challenged by these goals?

Describe your sense of "call" to this charge.

In what ways are the needs of your family or other support systems affirmed or challenged by your current appointment?

How will the ministry and mission of this charge be affected if you remain in the appointment?

If you move to another appointment?

How would you describe your wishes regarding your appointment for the coming year?

Please indicate your understanding of and commitment to itinerancy.

What other information would be important for the Cabinet as we review and make appointments for the coming year?

I recognize that this information is advisory to the cabinet and will become part of the prayerful discernment process for appointment-making.
