The Basic Lay Servant Course is an overview study and exploration into the many ways Christians may serve our Lord through Lay Servant Ministries. It is the foundation course for Certified District Lay Servant Ministries and Lay Speakers.

Participants are invited to consider the importance of exercising servant leadership, developing future leaders, remaining rooted in consistent spiritual practices, and being part of a group that holds members accountable in discipleship. It offers guidelines for best practices as a church leader and outlines a number of ministries in which Lay Servants may assume roles.

Whether one decides to proceed in the process to become a Lay Servant or not, this course is excellent for all church laity in leadership positions.

*****Please bring a bag lunch – coffee,
tea and water will be provided*****
