The Upper New York Annual Conference
Thursday, May 29, 2014 Afternoon Session
"Planting God's Future in Hearts and Neighbors: Called to Cultivate"

Opening Worship

The theme John 15:1-11, "I am the true vine and my Father is the vine grower," was enhanced with the hymn *Thrive*, played by Casowasco Inside Out Band led by Nairobi Smith (laity). The Rev. Mike Vercant gave a demonstration of grape cultivation. The Cabinet processed in with *O, For a Thousand Tongues to Sing*, David Crowder Band rendition.

The backdrop for Sessions was a barren vine that, through the course of the three days, began to show growth. Litanies based on the Scripture were written by the Worship Team.

In Bishop Webb's address, *Claimed, Called and Connected*, he said, "We need to cultivate the truth that we are claimed by God for relationship." Bishop's address began and ended with the singing of *I am the Bread of Life, feed on me. I am the One true Vine, grow in me. Halle, Halle, Halleluja.*

Call to Order

Immediately following opening worship, Bishop Webb called the fifth session of Upper New York (UNY) Annual Conference to order. He noted that the clergy collected \$2,365 for the Clergy Care Fund during its Clergy Session in the morning.

Bishop Webb gave instructions on the seating boundaries ("the bar of the conference") and procedures for voting. He explained that, to be recognized, delegates must hold up the green card, and should not move to a microphone until instructed to do so. There is also a three-minute time limit.

Conference Secretary Jeff Hodge presented the Organizational Motion for adoption. The Rev. Elizabeth Mowery, retired, raised concern about Rule #15 (Staff to the Secretary for the Session) – only women were listed. The Rev. John McNeill, St. Paul's Ithaca UMC, made a motion to delete Rule #17: "Votes on all motions, resolutions and petitions that refer to human sexuality will be taken by ballot." The amendment was debated. The question was called. Call for Question **Supported.** Amendment to delete Rule #17. **Not Approved.**

Organizational Motion as originally presented – **Approved.**

IV. DAILY PROCEEDINGS

The Consent Calendar, which included 39 reports that did not require action, was presented. A motion by Rev. Mowery, was made and seconded to remove #16 Lay Servant Ministries Report from the Consent Calendar. Rev. Mowery expressed concern regarding the requirements to remain certified. The Lay Servant Ministries Report will be presented at a time to be determined in advance of Saturday's dismissal. **Approved.**

Christine Doran (laity), Co-Chair of the Agenda, moved the Agenda and Consent Calendar; seconded. **Approved.** The Rev. Rebecca Laird, Chair of the Episcopacy Committee, presented the committee's report and presented Bishop Webb and his wife, Jodi, and son Tyler (Ben was unavailable) with a gift and a thank you for all they do to support the ministries of Upper New York.

The Rev. Steve Deckard, Chair of Pensions and Health Benefits, and Vicki Putney, Director of Human Resources/Benefits, presented the committee's report, which appeared on pages 13-19 of the Pre-Conference Booklet. Ron Coleman, liaison with the General Board of Pension & Health Benefits, introduced a video that gave an overview of the board's work.

Rev. Deckard moved the following Recommendations/Resolutions:

Recommendation #1: Housing/Rental Allowance Resolution

BE IT RESOLVED

1. That an amount equal to 100% of the pension, severance, or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the "*Discipline*"), which includes all such payments from the General Board of Pension and Health Benefits ("GBOPHB"), during the period Jan. 1, 2015 through Dec. 31, 2015, by each active, retired, terminated, or disabled Clergy person who is or was a member of the Conference, or its predecessors, be and is hereby designated as a rental/housing allowance for each such Clergy person; and
2. That the pension, severance, or disability payments to which this rental/housing allowance designation applies shall be any pension, severance, or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergy person rendered to this Conference or that an active, a retired, a terminated, or a disabled Clergy person of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergy person to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled Clergy person's pension, severance, or disability plan benefit as part of his or her gross compensation.

Rev. Deckard moved its adoption. There was a second. **Approved.**

Recommendation #2: Past Service Annuity Rate

Rev. Deckard moved the following: BE IT RESOLVED that the 2015 Past Service Annuity Rate for pension payments to retired clergy of the Upper New York Conference be set at \$600 per service year prior to 1982. This represents a 2% increase over the 2014 rate and is 1.1 % of the Conference Average Compensation. It received a second.

Approved.

Recommendation #3: Comprehensive Funding Plan

Rev. Deckard moved the following:

BE IT RESOLVED that the UNY Comprehensive Benefit Funding Plan Summary for 2015 be approved. BE IT FURTHER RESOLVED that the statement of opinion by the General Board of Pension & Health Benefits will be made available upon receipt. It received a second.

2014 Upper New York Annual Conference Journal
IV. DAILY PROCEEDINGS

There were questions raised about the companies that are affected by General Board of Pension & Health Benefit investments, including Caterpillar. In ~~2014~~2013, the Annual Conference voted to disinvest any funds that are from companies that are on seized Palestinian lands. The Bishop asked if this could be discussed following a vote on recommendation #3.

There was a motion to table the resolution to allow for research on the divestment issue. A motion to table is not debatable. It does require a majority vote. **Motion to table failed.**

A vote was taken on Recommendation #3: **Approved.**

Recommendation #4: Changes to Retiree Health Plan

BE IT RESOLVED that all Medicare-eligible persons who are retired or on Medical Leave be enrolled in the OneExchange program for health insurance purposes. All fully funded enrolled persons would receive \$2,500 in a Health Reimbursement Account (HRA) annually; all persons would receive an additional amount of \$500 for 2015 to establish their Health Reimbursement Account (HRA). This amount is not subject to the funding percentage assigned to each eligible retiree. The HRA will act as a pre-tax funding source for the purchase of health insurance, prescription coverage and any ancillary services desired by the enrollee.

Until changed by the CBOPHB, \$2,500 is considered the fully funded (100%) amount available. Medicare-eligible clergy on Medical Leave or retired with 30 years of service or more will be fully funded. Clergy over 65 and with fewer than 30 years of service at retirement will receive 3.33% of the fully funded amount for each year of full time equivalent service.

The benefits office will be responsible for calculating the retirees' funding percentage and informing retirees of their funding percentage at retirement. Spouses will receive the same funding as the clergyperson.

Clergy who are: 1) under age 65, or 2) on Medical Leave but not eligible for Medicare, will be enrolled in the "under 65" plan adopted by the CBOPHB. This plan is currently (2014) a HealthFlex PPO plan.

Clergy who are over 65 but appointed full time to a church will be enrolled in a Medicare supplemental plan. For 2014 and 2015 that plan is the AmWINS/First United American Plan. There was a second to the motion.

It was explained that this is a different way of providing insurance; premiums are substantially lower with same benefits. V. Putney explained that this move is being made to reduce conference costs. Healthcare costs are expected to rise in coming years. There were several questions raised and a lengthy discussion. The question was called. The body supported the call of the question. There was a vote on Recommendation #4: **Adopted.**

There was a vote to accept the complete report of the Conference Board of Pensions & Health Benefits. **Approved.**

Bishop Webb thanked Rev. Deckard, Putney, and the entire team for their work.

Order of the Day: Committee on Native American Ministries (CONAM)

Bishop Webb explained at the 2012 General Conference, a covenant was made that all annual conferences would participate in an Act of Repentance. The UNY Annual Conference will participate in an Act of Repentance at its 2015 Annual Conference session. To help prepare the annual conference for this, he invited Kae Wilbert (laity) and Blenda Smith (laity) to the podium. They spoke of the need to listen, learn and build relationships and gave examples of how the trauma of native peoples still exists today. A video was shown that included details and interviews of children who were taken from their native families in an effort to annihilate Indian culture, something that continued until the Indian Child Welfare Act of 1978.

Human Sexuality Task Force

Bishop Webb introduced Task Force Chair, Jami Breedlove (laity), to report on the work of the Human Sexuality Task Force. Breedlove reported that the task force has been in place since 2013, and has welcomed and received grace-filled conversations regarding human sexuality. There has been some agreement and some disagreement. The task force continues to listen, honor and seek to find a way forward. Bishop Webb thanked the task force for their continued work.

Young Adult Ministries

Bishop Webb welcomed Ashley Riddell VanSickle (laity) to present a report from Young Adult Ministries. Ashley Riddell VanSickle invited all young adults ages 18-35 to stand up to be recognized; and recognized all churches that have active young adults in their congregations. Riddell VanSickle reported that on April 12, 40 young adults across the conference gathered for the first time and did some visioning, focusing on the question, "What do you dream about in a church?" Answers included: "A true community throughout the work," "a place to use gifts," and that it be "more like camp."

Bishop Webb thanked Riddell VanSickle for her work and for the work of the Young Adults Ministries team.

Stop Hunger Now

The Rev. Bill Gottschalk-Fielding, Director of Connectional Ministries, invited conference members to participate with Stop Hunger Now in packaging 75,000 meals that will be used to feed people around the world. Stop Hunger Now is a non-profit organization that distributes the packed dehydrated meals to feed those in need and victims of disaster.

There were announcements and a dinner prayer by the Rev. Abigail Browka. The meeting was adjourned until the Memorial Service at 7 p.m.

The Upper New York Annual Conference
Thursday, May 29, 2014 – Memorial Service
"Planting God's Future in Hearts and Neighbors: Called to Cultivate"

The Memorial Service opened at 7 p.m. with the Processional Hymn *Turn Your Eyes Upon Jesus*. Bishop Webb shared a word to the families. Scriptures read included Romans 1:8-12 and Romans 4:20, followed by the singing of *Soon and Very Soon* by Patricia Smith.

The Rev. Dr. Cathy Hall Stengel delivered her sermon "Brave," and spoke of the courage of the 47 men and women being remembered.

The Love Offering collected by local churches throughout the year to support local, national and global mission and outreach was received during the Memorial Service. The total Love Offering was \$24,170.

"The women and men we are celebrating this evening have demonstrated bravery in the way they have lived, and often in the way they have died," she said. "We stand and sit here as a cloud of witnesses to their ministry, spanning over 70 and 80 plus years."

During the Naming of the Saints a bell was rung and families and friends are invited to stand in place as the names are read. Youth representatives presented an olive wood palm cross as a gift of appreciation to each family. In turn, families offered a concord grapevine symbolizing their desire for the youth of our conference to carry on the work of these saints of the church.

As the elements were brought forward following communion, the readers spoke their languages together.

**The Upper New York Annual Conference
Friday, May 30, 2014 – Morning Plenary
"Planting God's Future in Hearts and Neighbors: Called to Cultivate"**

Bishop Michael Lowry, Forth Worth Episcopal Area, was the Annual Conference Bible study leader. His Friday morning study focused on the second chapter of the Acts of the Apostles, which he said speaks to the culture we live in today. He stated, "Amazingly, it is when we are at the end of our machinations that God is most active."

Bishop Webb called the session to order.

Commission on Religion & Race and Commission on Status and Role of Women

He introduced Blenda Smith (laity) and Rev. Gottschalk-Fielding to provide a report from the Conference Commission on Religion & Race (CORR) and the Commission on Status and Role of Women (COSROW). The committees monitor participation at the sessions to educate the importance of including a wide variety of voices. They reported that "yesterday's business reflected the best gender balance since the formation of the conference, yet there is still work to do to be even more inclusive."

"Male clergy spoke the most. Female laity was second; male laity came in last. There is a distinct lack of ethnic/racial diversity in the sessions, with the exception of opening worship, which did reflect a great deal of diversity."

Recipients of Cady Grant

Cady Grants are awarded twice annually to fund a ministry, program, or experience that benefits or provides education to African Americans and/or Native Americans. The grants are awarded to local churches, district, or Conference ministry teams within Upper New York. This year's two recipients were the Native American Leadership and Cook Native Ministry.

We Care Fund

Bishop Webb announced that the laity raised \$5,343 for "A Helping Hand", a fund directed by the Cabinet to assist members of our congregations who are facing financial burdens.

Commission on Equitable Compensation

Bishop Webb introduced the Rev. Wilson Jones, Chair of the Commission on Equitable Compensation. Jones thanked the committee and congratulated the churches that were able to move away from a dependence on Equitable Compensation grants.

Recommendation #1 – Minimum Base Compensation

Rev. Jones moved the following:

C. Housing Allowance 3. b. Change (in italics) For the rental of a home (*house, apartment, condo, etc.*) *by the pastor*: “By the same token, should the clergyperson choose to rent a *home more costly than a home that meets the parsonage standards*, the charge shall not be responsible for the additional costs associated with that choice.

D. Housing Exclusion – 2. a. 1 Changes made to match IRS statute – include (in italic) “The ‘fair rental value’ is the annual amount for which a similar *furnished* home in a similar neighborhood could be rented, *including utilities*.”

The motion received a second.

A question was raised about the statement in the policy: “Further, a local church that has a parsonage available to the pastor is under no obligation to provide a housing allowance if that pastor prefers to live in a different location.” The question was how this applies to clergy couples; if both clergy live in same parsonage, should the church pay the clergy spouse a housing allowance?

The Rev. Deborah O’Connor-Slater made a motion that this matter be referred to the Commission on Equitable Compensation to update its policy as it relates to instances where a clergy person is serving two churches or a clergy couple serving two different charges shares a parsonage. There was a second to the motion.

After some discussion, Rev. O’Connor-Slater motion was withdrawn by the maker of the motion and substituted with the following:

Refer to the Commission on Equitable Comp to make a report at the 2015 Annual Conference clarifying lines 37-41 on page 24 of Section III – Clergy Housing in UNY Annual Conference Clergy Support Policy.

Bishop Webb suggested that the original motion dealing with the changes to and adoption of Section III – Clergy Housing in UNY Annual Conference Clergy Support Policy be voted on before dealing with the motion to refer a matter to the Commission on Equitable Compensation for further review.

(Recommendation #6) **Approved.**

After passing Recommendation #6, Bishop Webb suggested that the matter be referred to the Commission on Equitable Compensation without the need of a formal motion and resolution. The maker of the motion agreed.

Rev. Jones withdrew Recommendation #7 – Account Reimbursement Plans for further review and clarification.

There was a vote to accept the complete report of the Commission on Equitable Compensation **Approved.**

Bishop Webb thanked Rev. Jones and the members of his team for their work.

Committee on Petitions and Resolutions

Bishop Webb welcomed Hudda Aswad (laity), chair of the Committee on Petitions and Resolutions to present the resolutions for consideration. Aswad explained that there were 9 resolutions received in draft form, but only two were received in final form for action.

The Rev. Kristen Allen led the body in prayer prior to the presentation of the resolutions.

R 2014.1 – Constitutionality & Powers of Paragraph 101 of The UMC Book of Discipline

The Rev. Steven Clunn presented R2014.1, a resolution that seeks a declaratory decision from the Judicial Council as to the constitutionality and validity of paragraph 101 of the 2012 *Book of Discipline* and the powers it bestows on the Standing Committee on Central Conferences:

Whereas, ¶31 Article IV of the Constitution of The United Methodist Church outlines the “powers and duties” of central conferences; and

Whereas, ¶59 Article I of the Constitution of The United Methodist Church outlines the procedures for amending the Constitution; and

Whereas, ¶101 alters the “powers and duties” of central conferences by naming previously adaptable sections of the *Book of Discipline* as now “not subject to adaptation” and thereby effectively altering the Constitution of The United Methodist Church(¶31) ; and

Whereas, ¶101 was added to the 2012 *Book of Discipline* without any attempt to seek “the ratification of the amendment by the required two-thirds affirmative vote of the aggregate number of members of the several annual conferences present and voting” as required in ¶59 Article I; and

Whereas, ¶101 states that “the Standing Committee on Central Conference Matters has primary responsibility for proposing to General Conference revisions to this paragraph” (¶101) implies a role of for this committee is a violation of the process for amending the *Book of Discipline* and more specifically the Constitution of The United Methodist Church(¶60).

Therefore be it resolved that the Upper New York Annual Conference refers this matter to the Judicial Council for a declaratory decision as to the constitutionality and validity of paragraph 101 of the 2012 *Book of Discipline* and the powers it bestows on the Standing Committee on Central Conferences. There was a second to the motion.

Rev. Clunn explained the rationale for this resolution:

It is important to have all voices heard in the UMC. Paragraph 101 appears to usurp Holy Conferencing. This paragraph impacts Paragraphs 39 and Central Conferences, Paragraph 59 and Paragraph 60. A declaratory decision by the Judicial Council will determine whether Paragraph 101 violates the *Book of Discipline*.

Rev. Tim Gleason asked to have Paragraph 101 read. The Secretary read Paragraph 101 from the UM 2012 *Book of Discipline*:

¶ 101 The *Book of Discipline* reflects our Wesleyan Way of serving Christ through doctrine and disciplined Christian life. We are a worldwide denomination united by doctrine, discipline, and mission through our connectional covenant. The *Book of Discipline* expresses that unity. Each Central Conference may make changes and adaptations to the *Book of Discipline* to more fruitfully accomplish our mission in various contexts. However, some portions of the *Book of Discipline* are not subject to change or adaptation except by action of the General Conference. The Standing Committee on

Central Conference matters has primary responsibility for proposing to General Conference revisions to this Paragraph.

There was discussion that included support and opposition of this resolution. There was a question asking for information on Central Conferences. It was explained that there are seven Central Conferences. They are a collection of annual conferences outside the U.S. They have some similarities (to the U.S. churches) but they have some significant differences.

The question was called. **The call of the question was supported.**

Rev. Clunn made a closing statement, explaining that the resolution questions the process that was followed to establish this paragraph and believes that Paragraph 101 usurps the power of Central Conferences to govern in their own countries. **Approved.**

R2014.2 Clarification and Recommendation of Paragraph 806.9 of the 2012 UM Book of Discipline

Rev. Clunn presented R2014.2, a resolution seeking clarification and recommendation of Paragraph 806.9 of the 2012 UM *Book of Discipline*:

Whereas, ¶806.9 of the *Book of Discipline* (BOD) states that the General Council on Finance and Administration shall be responsible for "ensuring that no board, agency, committee, commission, or council shall give United Methodist funds to any gay caucus or group, or otherwise use such funds to promote the acceptance of homosexuality or violate the expressed commitment of The United Methodist Church "not to reject or condemn lesbian and gay members and friends" (¶161F);" and

Whereas, The Upper New York Annual Conference recognizes that the phrase "to promote the acceptance of homosexuality" is so ambiguous that it can and often is interpreted by United Methodists that they cannot be involved in ministries to and with Lesbian, Gay, Bisexual and Transgendered (LGBT) people for fear that promoting the well being of those individuals might be seen as "promoting the acceptance of homosexuality; and

Whereas, a number of nations (like Russia, Nigeria and Uganda) have recently passed criminalization laws which clearly violate the civil and human rights of LGBT persons and create a climate of violence and persecution of this segment of the population; and,

Whereas, ¶162J of the BOD states: "Certain basic human rights and civil liberties are due all persons. We are committed to supporting those rights and liberties for all persons, regardless of sexual orientation;" and

Whereas, ¶164A in explaining those "Basic Freedoms and Human Rights" goes on to say that "the mistreatment of or torture, and other cruel, inhumane, and degrading treatment or punishment of persons by governments for any purpose violates Christian teaching and must be condemned and/or opposed by Christians and churches wherever and whenever it occurs;" and

Whereas, the increased criminalization of LGBT persons has created a growing crisis in those fleeing their homelands and seeking asylum in nations, like the United States, that provide protections for sexual minorities; and

Whereas, there is a new and going organization called the Lesbian, Gay, Bisexual and Transgender Faith Asylum Network (LGBT-FAN) that is working to coordinate faith leaders, national political leaders and grass roots organizations that are trying to affect laws and support systems for LGBT asylum seekers; and

Whereas, The United Methodist Church has existing organizations (like the General Board of Global Ministries' Justice for our Neighbors Program and the General Board of Church and Society's public advocacy work) that

could greatly benefit these persecuted and harmed neighbors who aspire to become citizens in nations that provide basic protections and hope for a better life.

Therefore be it resolved that the Upper New York Annual Conference instruct its conference secretary to forward this petition to the General Secretaries of The General Conference on Finance and Administration, The General Board of Global Ministries and The General Board of Church and Society to ask each of them to clarify their views on the ambiguity of ¶806.9 and whether or not United Methodist involvement in working with LGBT asylum seekers would be considered a violation of this paragraph; and

Be it further resolved that their unedited responses will be posted on the Upper New York Annual Conference website, so that we might become more educated and aware of how this paragraph impacts our ministries as congregations and a denomination.

There was a second to the motion.

Rev. Clunn explained that there are LGBT (Lesbian/Gay/Bisexual/Transgender) persons fleeing their countries and seeking refuge. This resolution seeks clarification on what is considered a violation of Paragraph 806.9, including UMC involvement in working with LGBT (Lesbian/Gay/Bisexual/Transgender) asylum seekers.

Approved.

Welcoming Presidents of UM Seminaries

Bishop Webb introduced the Rev. Dr. Wendy Deichmann, President of United Theological Seminary in Dayton, Ohio, and the Rev. Dr. Thomas Wolfe, President of Iliff School of Theology in Denver, Colorado. Both Presidents are elders/full members of the Upper NY Annual Conference. Upper NY is the only Annual Conference that boasts two presidents of Methodist seminaries. Both seminary presidents spoke briefly about their seminaries and the theological school experience and thanked the Annual Conference for its support.

Black College Fund Representative: Lewis Keys

The Rev. Megan Stowe, Chair of College Ministry Team, introduced Lewis Keyes (laity) of Dallas, Texas, who is in his second year at Perkins School of Theology at Southern Methodist University. Keyes, who wants to be USAF Chaplain, serves as an Ambassador of the Black College Fund. He said that the Black Universities want to open their doors to all those who want to learn and that the Black College Fund, established in 1972, has made that happen. Keyes thanked the Conference for its support, declaring that “The most precious gift we can give anyone is our attention.” Bishop Webb thanked Keyes for his important words, and reminded the Annual Conference of the value of paying its Ministry Shares.

Board of Trustees

Bishop Webb introduced Deb Byers (laity), Chair of the Conference Board of Trustees, to the podium. She focused on three key issues in her report – insurance, financial assets, and plans for a new Conference Center:

- 1.) Insurance – Insurance of churches and the connection is complex because our operations are multi-faceted and involve many people. The trustees are responsible to provide safe environments to those doing the Lord’s work, to be able to continue ministry in cases of tangible loss, and to guard against bad behavior on the part of anyone involved in ministry. During the first four years of the new conference, the collective paid claims were more than \$3 million and reserves are set aside for outstanding claims amounting to more than \$5 million.
- 2.) Financial Assets – It has taken a great amount of time and effort to establish a list and values of net asset accounts that came to the UNYAC from predecessor conferences. There are 100’s of accounts that were established in multiple ways, in multiple centuries, in multiple states and accounted for by four very different systems prior to our union.

- 3.) Conference Center Planning—Dr. Deichmann, Conference Trustee and Chair of the New Conference Center Task Force, provided a history of the task force’s work up to this point, which included liquidating other assets in down market and securing a temporary for the Conference and Episcopal offices. home. She thanked the Rev. Craig French and University United Methodist Church in Syracuse for hosting the Conference Center. The permanent Conference Center must be a place that belongs to and is accessible to all UNY congregations and members and provides appropriate resources for our bishop, cabinet, staff and volunteers to perform their respective missions, she said.

Election of Trustees

According to New York state law, the election of Trustees must be by written ballot. The Secretary gave instructions for the balloting prior to the election. The following persons were eligible for election to the Board of Trustees:

Rev. Hall Stengel offered a prayer.

The following churches were recognized as abandoned churches (Paragraph 2549):

Alden UMC, Lowman UMC, Burlington Flats UMC, Cottage UMC, Morristown UMC, and Parishville UMC. Northern Flow District Superintendent Rebekah Sweet led a prayer thanking God for and honoring the ministries of all of these churches.

Closings and abandoned churches **Approved.**

Bishop Webb thanked Byers and the Trustees for their work.

Youth Missionary Service

The Rev. Jeff Childs, Chair Global Ministries Team, presented two Youth Missionaries connected with Upper NY Annual Conference who are serving in the US 2 Program: Sarah Mudge (laity), serving Mary’s Place, a program for women and children in Seattle, Wash.; and Allen Bowers (laity), serving at Albany United Methodist Society. The US 2 program provides mission opportunities for young adults throughout the United Methodist Connection.

Mudge talked about her experience serving at Mary’s Place, a program for homeless and formerly homeless women and children. “Homelessness can happen to anyone,” Mudge explained as she provided highlights of the program and its benefits, as well as its effect on her own spiritual formation. Allen Bower served as a young adult missionary at Albany United Methodist Society (AUMS) in the Albany District of UNY. He listed the many programs that AUMS offers a diverse population, and spoke of the impact the time of service had on him.

Bishop Webb thanked both adults for their faithful service, and reminded the body that they are another example of Shared Ministries at work.

There was a second. Rev. Lake explained that the proposed budget is a \$16,657 increase over the previous year. The proposed budget is detailed on pages 33-37 of the Pre-Conference Booklet.

There was discussion on the proposed budget. Tammy Diorusio, Elmgrove UMC (laity), made a speech against the budget proposal and made a motion that the 2015 budget be passed and then adjust costs to represent a biblical tithe of 10% from all congregations upon which the 2016 budget will be based. There was a second to the motion.

There was some discussion on the motion/amendment.

Bishop Webb ruled the motion out of order, explaining that looking at how we calculate ministry shares for the future does not impact the budget. Discussion of the proposed budget continued. The question was called. A call of the question was supported. **Approved.**

Bishop Lowry continued his focus on the book of Acts with Chapter 17, Paul speaking to those at Mars Hill. He said that the job of the Church is to "offer Christ to people frozen in a place clutching chocolate and silver," a reference to Annie Dillard's, *An Expedition to the Pole*.

To feed the starvation, "We will need to recover the willingness and ability to engage in evangelism.

Bishop Webb opened the session. Bishop Webb announced that the conference made a commitment to package 75,000 meals for "Stop Hunger Now," and a total of 76,040 meals were packed.

Commission on Religion & Race (CORR) and Commission on Status and Role of Women (COSROW)

Blenda Smith (laity) provided a report from the Conference Commission on Religion & Race (CORR) and the Commission on Status and Role of Women (COSROW). The committees monitor participation at the sessions to educate the importance of including a wide variety of voices. For the second day in a row, there was equal gender representation among speakers.

Male clergy spoke the most. Female laity was second; male laity came in last. There was better racial/ethnic representation than the previous day, but it is still low. There was better representation among youth and young adults.

Christine Doran (laity) of the Agenda Committee moved that the rules be suspended to allow consideration of two resolutions. There was a second. By rule, a written copy must be available at least 24 hours in advance of being put on the agenda. The written copies have been available in advance, but just short of the 24 hours required.

Suspension of the Rules was supported.

Leadership Team, and that this sub-committee shall bring to the 2015 Upper New York Annual Conference a recommendation regarding hydraulic fracking on Conference-owned land.

There was a second to the motion.

Henry explained that hydraulic fracking is an important topic for the conference to talk about. It is particularly important that conference members have a serious conversation about fracking as it relates to conference-owned land.

There was much discussion on the resolution. The Rev. Michelle Bogue-Trost, proposed an amendment:

“Add Social Holiness Team after Conference Leadership Team.” There was a second to the motion to amend.

Amendment Approved.

The question was called. The call of the question was supported. **Resolution (as amended) Approved.**

Environmental Sustainability at Annual Conference

Henry (laity) proposed the following resolution:

THEREFORE BE IT RESOLVED that at least one member of the Upper New York Annual Conference who is environmentally conscientious and knowledgeable about environmental sustainability be added to the Conference Sessions Committee with voice and vote.

There was a second to the motion. S. Henry explained that disposable silverware, platters, etc. are used throughout annual conference, and as Christians and United Methodists, we need to work harder to be stewards of God’s creation; and as God’s children, to put our money where our mouth is. This resolution would put a person on the Sessions (planning) committee who could emphasize those concerns throughout the planning process.

Approved.

National Council of Christian Churches

Ron Bretsch (laity) reported on behalf of the National Council of Christian Churches. Bishop Webb thanked Bretsch for his participation in the council on the conference’s behalf.

Lay Servant Ministries

Carmen F.S. Vianese (laity), Director of Lay Servant Ministries, was introduced and asked to read the report of the committee. The report, item #16, had been lifted from the Consent Calendar via the request of Rev. Elizabeth Mowry, retired. Rev. Mowry stated she had spoken with Vianese and was able to address her concerns. The report is on page 75 of the Pre-Conference booklet.

Africa 360

The Rev. Craig French, Chair of Africa 360 Task Force, reported that at the 2013 session, the Annual Conference authorized the formation of a task force to explore the combining of the existing Africa University Endowed Scholarship commitment with a commitment to participate in The United Methodist Church’s *Imagine No Malaria Campaign*. He offered the following resolution:

BE IT RESOLVED THAT the Upper New York Annual Conference reaffirms its commitment to raise \$1 million for permanent, endowed scholarships for students at Africa University and commits itself also to raising a minimum of \$1 million for the denomination's Global Health Initiative, *Imagine No Malaria*, in order to end the scourge of malaria in sub-Saharan Africa.

There was a second to the motion. **Approved.**

IV. DAILY PROCEEDINGS

Bishop Webb noted that before that vote, there were six annual conferences that had not committed to raise funds for *Imagine No Malaria*. Now there are only five.

Rev. French offered a second resolution:

BE IT RESOLVED that the Bishop of the Upper New York Episcopal Area be authorized and encouraged to appoint a special task force to assess and determine the feasibility, purpose(s), goal(s), design and timing of a major, multi-purpose fundraising campaign (including funds for Africa University and *Imagine No Malaria*). There was a second to the motion.

There was discussion of the resolution.

The Rev. Ann Kemper, Rochester: Covenant UMC, moved the following amendment: in parentheses, change to include the following (including funds for Africa University, *Imagine No Malaria*, and other conference initiatives that support a well-rounded, mutually encouraging, 360 degree approach to ministry with our friends in Africa.) There was a second to the amendment.

There was discussion for and against the amendment to the resolution. The question was called. The call of the question was supported. **Amendment Not Approved.**

A vote was taken on the original resolution. **Approved.**

Peace with Justice

Heather Smith (laity), chair of Peace with Justice Team, reported that less than 19% of the conference churches had given to this UMC special offering over the last three years. One-half of the offering collected stays in UNYAC and provides funding for grants awarded by the Peace with Justice Team. Three grants were awarded in 2014. This year's designated Peace with Justice offering is June 15, 2014.

Conference Council on Youth Ministries (CCYM)

Conference Youth leaders Vicki Standhart (laity) and Nora Walkley (laity) led the CCYM report. This year's theme is *Called to Catch Fire: An Adventure with God*. Events this past year included a training camp in June, a meeting in September in Syracuse, Fall Gatherings in Schenectady and Rochester, a meeting in January in Syracuse and UpWord! in Syracuse in April. Standhart and Walkley introduced the new Co-Chairs Kara Tenpas (laity) and J.J. Warren, (laity).

Evaluations

The Rev. Teresa Sivers, Chair of the Sessions Committee, encouraged those attending to complete their event survey form. She noted that it is important for the Sessions Committee to know what was done well and where improvements are needed. The Sixth Annual Conference Session will be held from May 27 – 30, 2015.

Fixing of Appointments

Bishop Webb opened the Service of Appointments by introducing the Cabinet members and leading the congregation in a Call to Worship. Each Conference Superintendent named the new pastoral appointments and the newly appointed pastors and lay members of the receiving churches participated in a liturgy together. After each new appointment was announced, Bishop Webb presided over the fixing of all appointments.

Words of Appreciation and Thanks

Bishop Webb led the conference in thanking the many people who helped make the Fifth Session of the Upper New York Annual Conference. Dr. Scott Johnson (laity) thanked Bishop Webb, on behalf of the Annual Conference, for his leadership throughout the year.

There were several announcements.

**The Upper New York Annual Conference
Special Session
Saturday, October 18, 2014
OnCenter – Syracuse, NY**

Northern Flow District Superintendent the Rev. Rebekah Sweet and Niagara Frontier District Superintendent the Rev. Wayne Butler led opening worship. The Rev. Butler gave a sermon based on John 15:1-8, the vine and the branches. Acknowledging the passage is a familiar one, he urged members to hear it "with new ears."

Following worship, Bishop Mark J. Webb called the special session to order at 1:39 p.m. Bishop Webb stated the special session was called to discuss and vote on a recommendation from the UNY Board of Trustees to purchase a building to become the home of the Upper New York Conference Center.

Organizational Motion (as printed in the Preconference book page 5-6) – Secretary Jeff Hodge presented the organizational motion. It was **adopted**.

A presentation regarding the rationale and specifics of the Trustees' recommendation followed. Presenters included: the Rev. William Gottschalk-Fielding, Director of Connectional Ministries, Dr. Scott Johnson, Conference Lay Leader, Blenda Smith of the Conference Leadership Team and chair of the Committee on Religion and Race, Rev. John Jackson, Chair of the Board of Trustees, Rev. Dr. Wendy Deichmann, Chair of the Task Force, and Conference Treasurer Kevin Domanico.

The Conference Secretary read the resolution before the body:

NOW THEREFORE BE IT RESOLVED THAT the Conference Board of Trustees (hereafter the Board) is hereby authorized, pursuant to ¶12515 of *The Book of Discipline of The United Methodist Church-2012*, to acquire and renovate the property located at 7481 Henry Clay Boulevard in Liverpool, New York, or other suitable centrally located property, for the purpose of establishing a new conference center for the Upper New York Annual Conference. In pursuit of this aim, the Board is authorized to expend an amount not to exceed \$3.4 million. It is understood that the purchase of 7481 Henry Clay Boulevard or any property for this purpose is subject to receipt and favorable review of appropriate inspections and feasibility studies, and acquisition of approvals as required by law. Further, within the parameters stated, the Board is authorized to take all necessary steps to achieve occupancy by UNYAC of a new conference center.

At the conclusion of the presentation by the Trustees and Task Force, the Bishop placed the motion properly before the body and opened the floor for debate.

Following discussion, the Rev. Steve Deckard, clergy, called the question and called for prayer.

Bishop Webb explained to call the question stops all debate. Call of the question was **supported**.

Steve Deckard prayed before the vote on the proposal.

The proposal before the body was **approved**.

Bishop Webb thanked all for their hard work and for their participation in the meeting. He noted that he was impressed at how prepared people were who spoke, using notes to articulate their important points. Bishop Webb adjourned the meeting at 3:26 p.m. with a blessing.

To live the Gospel of Jesus Christ and be God's love with our neighbors in all places.

September 2014

Dear Sisters and Brothers in Christ,

As we continue to live into our identity as the Upper New York Conference, we have the opportunity to consider an important step into our future as we gather to discuss and vote upon a recommendation from our Board of Trustees to purchase a building to become the home of the Upper New York Conference Center.

As has been announced, we will gather for a special session of Annual Conference on Oct. 18 at the OnCenter in Syracuse.

The change in format to meeting in a single location was made to simplify our legislative process. We want to do all we can to support a time of healthy discussion and decision making, and do not want concerns about process or potential parliamentary challenges to the process to distract us,"

As a part of these pre-conference materials, you will receive the full history of the process undertaken by the task force charged with determining the long-term home for the resources and offices of the Upper New York Conference. A great deal of time, care and work went into pursuing various properties, leading to the identification of the property located at 7481 Henry Clay Blvd. in Liverpool as a potential new home for the Upper New York Conference. We are deeply grateful for all who have been involved in bringing us to this moment.

Before us is a crucial decision in the life of our Conference. I know that the task force has been diligent in their task of recommending a building to house our offices and resources. This time together is an opportunity for us to listen to each other and the Holy Spirit to determine if this building will empower the Conference to fulfill its purpose to:

- Communicate our common mission
- Align resources for mission and ministry
- Unleash a planting culture
- Support churches with tools for vitality
- Equip and deploy transformational leaders

There is detailed information about financial implications, logistics, and the rationale in this pre-conference packet, but I encourage you to absorb it all through the filter of our mission and ministry together. I ask you to pray about it, and come to our time together ready to listen to the voice of God among us.

Thanks be to God for this exciting time in the life of our Conference as we continue to live the mission of "making disciples of Jesus Christ for the transformation of the world."

Grace and Peace,

Bishop Mark J. Webb

To live the Gospel of Jesus Christ and to be God's love with our neighbors in all places.

September 2014

Dear Sisters and Brothers in Christ –

The place we call home is important to each of us. It says something about who we are and what our priorities might be. It is a place of refuge, of hospitality, and where we ready ourselves to go meet the world.

Our Conference has both the need and the opportunity to create a new, more permanent home for our staff, our Episcopal offices and our shared ministries.

As our Conference has evolved there have been staffing changes, emerging space needs, and more experienced thinking about how our Conference Center can equip local churches for “making disciples of Jesus Christ for the transformation of the world.” With this in mind, the trustees were asked to develop a long-term plan for housing the Conference and Episcopal offices. A task force of trustees, executive staff, Cabinet members, and Episcopal staff was appointed to identify and evaluate needs, trends, priorities, and vision. With much conversation, examination, investigation, sifting, resourcefulness, and prayer, a plan has been and will continue to be developed. It is this plan, and the opportunity presented by the availability of a specific site, that we bring to you for your consideration during this special session of the Annual Conference.

We believe the plan addresses hospitality issues like easy access for travelers and staff and complete accessibility throughout the building. We hope the design not only will provide a pleasant space for staff where they are happy to work but also be a space that energizes them and us by encouraging teamwork and active collaboration. A range of public spaces will be available for meetings and ministry, including raw space to accommodate ministries not yet imagined. Importantly, it will be a place where people from across the Conference can come for resources, training, and opportunities to work together trying new ministries and approaches.

The task force is enthused about a site and existing building they believe will substantially accommodate the plan and offer opportunities beyond what had been hoped. The trustees affirmed pursuing this opportunity and now ask for your affirmation before proceeding further. The plan and the site are described in the accompanying documents and will be more fully presented during the special session. We hope you will join us on Oct. 18 to learn more.

If you have any questions about the special session, you can send them to specialsession@unyumc.org.

Peace,
Deborah Byers

Whereas, the vision of the Upper New York Conference is: To **live the gospel** of Jesus Christ and to be **God’s love** with our **neighbors** in all places; and

Whereas, we have been grateful to share space and experience the hospitality of the Cicero United Methodist Church and then University United Methodist Church; and

Whereas, during these formative years, our operation has evolved, resulting in staffing changes, emerging space needs, and more thinking about ways in which our Conference Center can support and join with local churches in ministry; and

Whereas, the Bishop, Cabinet, Executive Staff, and the Trustees have worked together to envision and plan space that would enable both current and future administration and ministry of the Conference, and

Whereas, the resulting plan enables living into our vision by creating a Conference Center for the Upper New York Area that will serve as an essential tool in support of the conference’s task of equipping local churches and leaders for ministry and the mission of “making disciples of Jesus Christ for the transformation of the world”; and

Whereas, we have inventoried and assessed properties currently owned by Conference and found them irremediably inconsistent with the vision and plan because of size, configuration and/or location; and

Whereas, over 30 other properties have been assessed and one, 7481 Henry Clay Blvd., selected as the most economically adaptable for our vision and plan; and

Whereas, preliminary estimates lead us to believe that this site can be developed for UNYC’s use for approximately \$2.9 - 3.4 million and available financial resources have been identified, and

Whereas, we understand that construction, particularly renovation, can have unknowns resulting in higher than anticipated costs, despite best efforts at cost cutting and resourcefulness; and

Whereas, the idea of this project is now developed as much as it can be before expending significant sums on due diligence, acquisition, professional services, and construction, and

Whereas, the Trustees as your servants, with oversight by the Bishop, and support from Conference staff, are committed to carrying out this plan on behalf of UNYAC in a way that is prudent, provident, frugal, resourceful, and timely if it meets with Conference approval;

NOW THEREFORE BE IT RESOLVED THAT the Conference Board of Trustees (hereafter, the Board) is hereby authorized, pursuant to paragraph 2515 of *The Book of Discipline of The United Methodist Church—2012*, to purchase the property located at 7481 Henry Clay Blvd. in Liverpool, N.Y. for \$895,000 (with a total project cost not to exceed \$3.4 million) or another suitable centrally located property, for the purpose of establishing a new conference center for the Upper New York Annual Conference. It is understood that the purchase of 7481 Henry Clay Blvd. is subject to receipt and favorable review of appropriate inspections and feasibility studies, and acquisition of approvals as required by law.

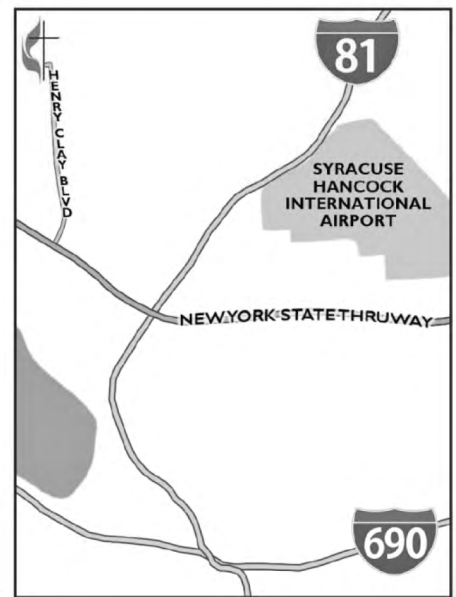

Potential new Conference Center for Upper New York

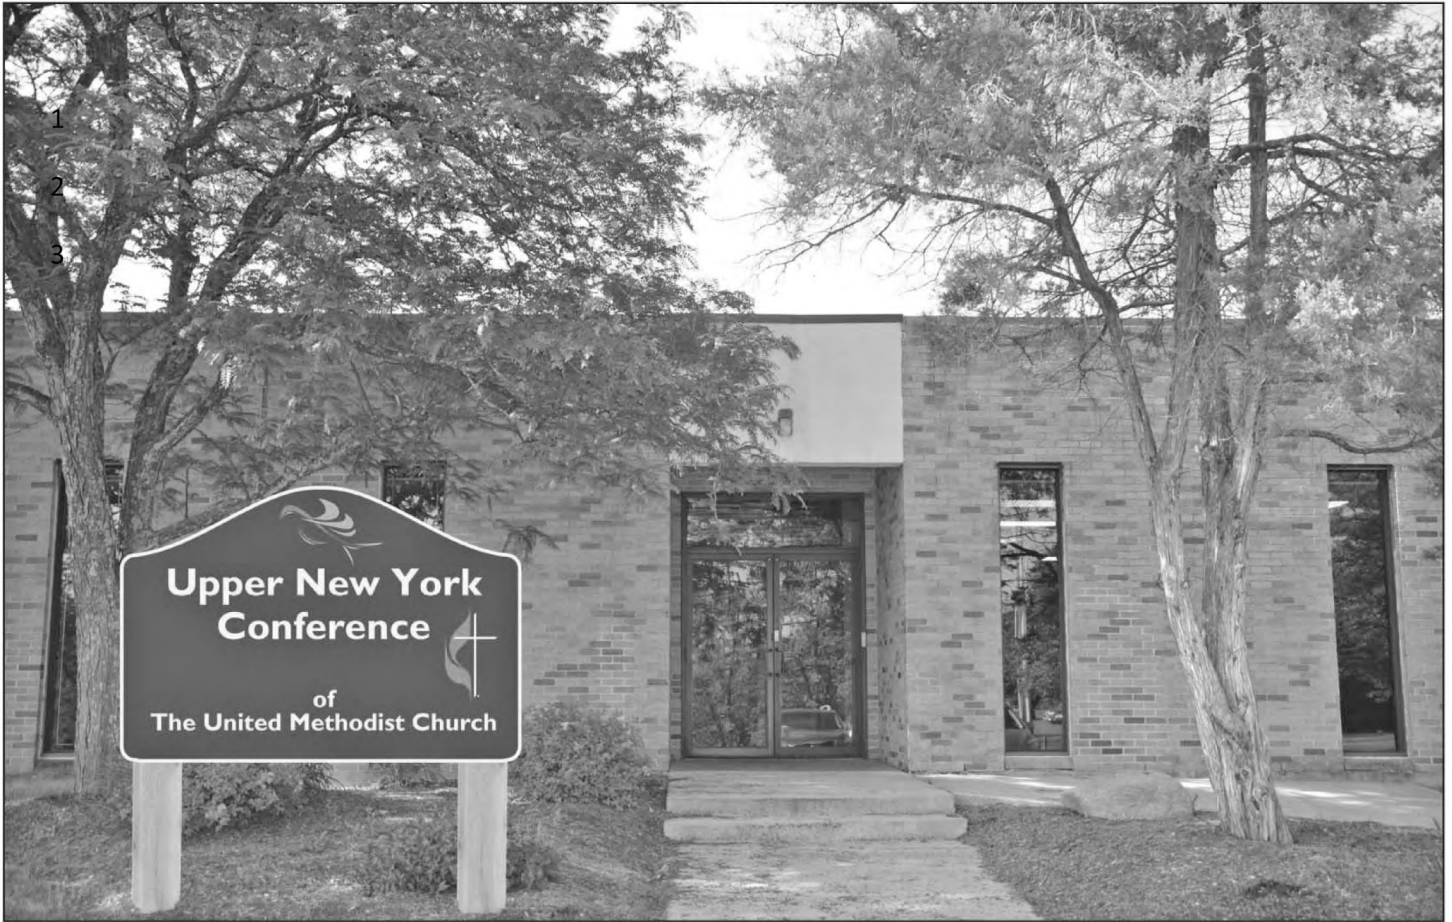

Property Prospectus – 7481 Henry Clay Blvd., Liverpool

One plan for the Henry Clay Building envisions 2,650 sq. ft. in support of the ministry of the Bishop and Episcopal staff; approximately 8,000 sq. ft. would be dedicated for a “Mission Center” where individuals can participate in a mission experience, such as assembling relief supplies like flood buckets and health kits; more than 140 parking spaces will be available to Conference visitors, staff and volunteers; approximately 8,640 sq. ft. would be utilized for Connectional and Support Ministries; a future Upper New York Stewardship Foundation could occupy approximately 450 sq. ft. as

we anticipate the need to develop long-term and sustainable financial resources for the mission and ministry of local churches and the conference; approximately 650 sq. ft. would be used for the offices of the Crossroads District Superintendent and the Superintendent/Director of New Faith Communities; a Media Resource Center would be housed in approximately 2,000 sq. ft.; a Chapel/Multi-purpose Area would be situated in approximately 2,000 sq. ft.; and the Conference Archives would be utilize approximately 2,000 sq. ft. for climate control archival storage, collection display and historical research.

Rationale for purchase of 7481 Henry Clay Blvd. property for use as The Upper New York Conference Center

Background and Rationale

In ¶1601 of *The Book of Discipline* the purpose of the annual conference is defined as “to make disciples of Jesus Christ for the transformation of the world by equipping its local churches for ministry and by providing a connection for ministry beyond the local church; all to the glory of God.”

A Conference Center is an essential tool in support of the conference’s equipping and connecting work. It provides a place for work to be envisioned, planned and carried out by staff and volunteers in support of local congregations across the Conference. A Conference Center also provides a common space for diverse people from across the conference to come together. In this way, a Conference Center not only facilitates sharing but also symbolizes our shared commitments and relationships.

Since the founding of the Upper New York Conference in 2010, the Conference Center and Episcopal Office has been located in temporary housing, first as part of the Cicero UMC and then at the University UMC in Syracuse. These arrangements allowed the new conference to begin its work quickly, but also meant living with many of the limitations facility sharing involves:

- aging facilities with frequent maintenance and service issues
- poor handicap accessibility
- inadequate parking for staff, guests and visitors
- cramped work spaces ill-suited to collaboration both within and between ministry teams
- few meeting rooms and no large gathering area
- a locked entrance at odds with our desire to offer radical hospitality
- no ability or authority to adapt the physical layout to meet changing needs
- Conference identity obscured by the dominant presence of other organizations and programs

To overcome these limitations and to provide adequately for current and future needs, the Conference Board of Trustees created a task force composed of trustees and UNY Conference staff members to bring recommendations to address the long-term headquarter needs of the Conference.

Keeping in mind our shared mission of “making disciples of Jesus Christ for the transformation of the world” and the UNY Conference’s vision “to live the Gospel of Jesus Christ and be God’s love with our neighbors in all places,” the task force undertook its work in four stages:

1. Assess Conference needs using surveys and interviews,
2. Develop a vision for a Conference Center,
3. Identify possible facilities matching this vision, and
4. Investigate and narrow choices to those most suitable.

Criteria and Characteristics

The task force clarified a vision for a Conference Center facility that would include some of the following:

- A central New York/greater Syracuse location for maximum convenience of visitors from throughout the state, with adequate off-street, well-lighted parking for a minimum of 100

vehicles. The Conference Center should be easy to find and in close proximity to interstate highways.

- Sufficient square footage to house in one location ministries of the Episcopal Office, Conference Connectional and Support Ministries (Benefits/HR, Finance, Communications, IT and Connectional), Crossroads District Office, Media Resource Center, UNY Archives, Mission Center, and a new, UNY UM Foundation. This was deemed possible with approximately 26,280 sq. ft. (The current facility occupies approximately 12,000 sq. ft.)
- An Episcopal Office with a separate entrance, preferably with dedicated parking on a different side of the building from the main entrance.
- A building design with the flexibility to accommodate future configuration changes.
- An environment that permits public entryways to be unlocked during normal business hours.
- Provision for a receptionist to greet all visitors during normal business hours, advise staff of their presence and provide them direction.
- Adequate space for multiple conference ministry teams (8-10 people) to meet in small conference rooms as well as a large meeting room for up to 200 people.
- Safe and comfortable environmental conditions.
- A building which is fully handicap accessible.
- A convenient means of loading and unloading material.

Possible Space Allocations at the Henry Clay Building

Episcopal Office: approximately 2,650 sq. ft. in support of the ministry of the Bishop and Episcopal staff. This would include space for separate offices for the Bishop, the executive assistant to the bishop, and the Episcopal office manager, as well a modest reception area and a conference room for cabinet meetings. The Episcopal Office Area would have its own entrance, allowing persons direct and private access to the Episcopal office.

Mission Center: approximately 8,000 sq. ft. for a "Mission Center" where relief supplies (flood buckets, health kits, etc.) could be gathered from conference congregations and also provide a hands-on experience for various groups. Two existing garage ports directly adjacent to this area would provide truck-ready access for both incoming and outgoing shipments.

Connectional and Support Ministries Area: approximately 8,640 sq. ft. for conference ministry staff, including connectional ministries, benefits and human resources, finance, camp and retreat ministries, information technologies and communications. Offices, work areas, meeting rooms and common spaces will be designed to provide opportunities for hospitality, collaboration, conversation and focused work.

Foundation Area: approximately 450 sq. ft. for office space for a future UNY UM Foundation, anticipating the need to develop long-term and sustainable financial resources for the mission and ministry of local churches and the Conference.

Superintendents' Offices: approximately 650 sq. ft. for the offices of the Crossroads District Superintendent and the Superintendent/Director of New Faith Communities.

Media Resource Center: approximately 2,000 sq. ft. for resource display area, consultation and instruction space and shipment operations of Conference print, audio and video resources supporting the spiritual formation, leadership development and outreach ministries of local churches.

Chapel/Multi-purpose Area: approximately 2,000 sq. ft. with flexible seating for worship and other gatherings of staff and other facility users.

Archives: approximately 2,000 sq. ft. for climate-controlled archival storage, collection display and historical research using the archival materials of the Upper New York and its predecessor conferences.

Scope of the Task Force's Work

The task force considered 30 properties within the city of Syracuse and the immediate Greater Syracuse area. Many of the available properties either didn't offer the space deemed necessary or because of their purchase price and estimated renovation costs would exceed the available monies designated for this purpose and cause us to look at financing – creating debt.

As the Property Management Consultant to the Conference Board of Trustees, Tom Clemow was assigned to work with the task force toward finding a new Conference Center.

Early in the process, Clemow prepared a statement regarding the potential siting of a new Conference Center at one of the currently owned conference properties (e.g., camps, churches, etc.). That report was delivered to the task force and accepted upon review. It contained the conclusion that there were neither available local church properties, and if there were, the problems they presented in terms of conversion to serve our needs would be similar to the circumstances we face at University UMC. It also concluded that our camp and retreat centers neither had existing structures, land or location suitable to serve this need.

Working first from a list of properties either recommended by members of the task force, or identified independently, we turned to our broker to begin to break down our search in three ways: land upon which to construct a building; existing buildings for sale; office space to lease. The task force concluded that the cost and the timeframe involved in both acquiring land, and designing and building a new structure combined to discourage us from pursuing that option.

Site visits were done to six buildings listed for sale, four sites for constructing a building, and one leasing possibility.

Financial Information and Strategy Regarding Use of Available Resources

The recommendation seeks approval to expend up to \$3.4 million of our current available resources for the purchase and renovation of a property to be used as the Upper New York Conference Center. We neither intend nor expect to spend that much, but we anticipate the possibility that we might expend up to that much including acquisition, repairs, and build out. Therefore, we are asking for a not-to-exceed authorization high enough to preclude the necessity of coming back to the Conference.

With respect to the purchase of the property, it is impossible to discuss negotiating limits with the Conference and expect to have an effective negotiation with the seller. The asking price for the property is \$1.15 million. We expect to make an opening bid less than the asking price. If our offer is not accepted, whether and to what extent we will increase our offer will depend on our being persuaded that considering all factors, including the costs of necessary renovations, a higher offer represents a good value and would be in the best interest of the Conference.

Concluding Statement:

A financial comparison of possible alternatives indicates that not only is the 7481 Henry Clay Blvd. property affordable for the UNY Conference without incurring any debt, but it also represents a prudent investment of Conference funds that will serve the Conference and its mission well into the future. UNY Property Cost Analysis of Conference Headquarters, Property Alternatives and Funding

By Kevin Domanico, Conference Treasurer

As Conference Treasurer, I was asked to compare the financial aspects of:

- Remaining in our present location and space in the University United Methodist Church at 12,000 sq.ft.
- Expanding in our present location to 25,000 sq. ft. (this is comparable to the 26,280 sq. ft. described in the Rational section of this document).
- Moving into First Republic Electronics Pkwy leased space.
- Purchase and renovation of the Henry Clay Blvd building

The analysis summarizes research and data gathered to estimate the costs associated with each alternative over 40 years and includes:

- initial acquisition and renovation costs in 2014,
- periodic UNY costs to maintain the infrastructure of each property such as painting, carpet, plumbing, appliances, HVAC, IT and phone system,
- the annual out-of-pocket operating cost to occupy each property.

University lease costs were calculated at the current rate of \$11.88 per sq. ft. plus a 5% rent increase every 5 years. It was assumed that the Conference could expand into additional space in the University UMC building that would require leasehold improvements of approximately \$200,000 and require adding 2 or more floors in the building to our current configuration.

The First Republic lease cost was calculated at \$14.50 per sq. ft. plus a 5% rent increase every 5 years and would require leasehold improvements of approximately \$183,000. Conference occupancy of this property would require space on 2 floors to accommodate our 26,280 sq. ft. needs. On-going occupancy costs such as utilities and maintenance are included in the lease sq. ft. rate.

The purchase and occupancy of the Henry Clay Blvd property incorporates the initial purchase of the building plus renovations prior to occupancy at a total estimated cost of \$2,930,000. Renovation costs were estimated by a professional building construction company. Our plan to renovate and refresh the property includes the build out of office space, creation of common areas, electric/lighting upgrades, carpet, roof replacement, HVAC upgrades and parking lot resurfacing. Unlike the other properties, the value of owning the Henry Clay Blvd property would represent an asset to the Conference. The potential selling price of \$3,000,000 for the building after renovations is estimated based on current market factors for comparable properties. Annual costs include staffing, utilities, maintenance and cleaning estimates necessary for the day-to-day operations and upkeep of the property and its systems. Please see below.

13
14 **The Upper New York Annual Conference of The United Methodist Church**

15
16 **Organizational Rules**

17 The organizational plan of The Upper New York Annual Conference of The United Methodist Church (as defined
18 in the *Plan of Union of The Upper New York Annual Conference of The United Methodist Church*, approved on June
19 19, 2010, hereinafter referred to as The Plan of Union, with statements of Vision and Purpose contained therein)
20 will be as determined by the Annual Conference itself, in such a manner as (1) to be responsive to the Vision and
21 Purpose of the Annual Conference, (2) to be responsive to the Mission of The United Methodist Church, as most
22 recently adopted by The General Conference of The United Methodist Church, 2012, (3) to be compatible with *The*
23 *Book of Discipline of The United Methodist Church 2012*, hereinafter referred to as *The Discipline* or *The Book of*
24 *Discipline*, and (4) to be reflective of the Rules contained herein. Paragraph references contained herein are to *The*
25 *Book of Discipline* unless indicated otherwise.

26 The primary loci for ministry and mission in The United Methodist Church are the local churches and the
27 communities in which they are located. The annual conference has responsibilities for sharing and assisting the
28 ministry and mission of its local churches by equipping for ministry and by providing linkages for the sharing of
29 ministry through such means as motivation, encouragement, facilitation, coordination, education, training,
30 evaluation, and other forms of support. The annual conference also provides the challenge to global ministry (that
31 is, connectional, ecumenical, and secular ministry beyond the local church and its community), and the link
32 between local ministry and global ministry. In order to fulfill its role with respect to its local churches, The United
33 Methodist Church, and the church universal, the annual conference will elect or otherwise select persons to serve
34 as individuals or as members of specific groups, with understood duties, responsibilities, and accountabilities to
35 the local churches and to the annual conference at large.

36
37 **Elected Members and *Ex Officio* Members of Conference Agencies**

38 In what follows, there will be distinctions between those who are directly elected by the annual conference
39 itself, or by a group within the annual conference to serve as an individual, or as a member of a group (with
40 privileges of both voice and vote) as against those who serve (*ex officio*) by virtue of holding some other office or
41 position and serving with privileges of voice and vote, or with privilege of voice only.

42 Persons who serve on General Church Agencies or Jurisdictional Agencies shall serve on the corresponding
43 agencies of the annual conference, *ex-officio*, with vote.

44
45 **Terms of Office and Term Limits of Elected Members of Conference Agencies**

46 For persons who are elected to serve as members of groups in "membership classes", the term of office is from
47 the moment of adjournment of the Conference Session at which the election took place or the selection was
48 announced, until the moment of adjournment of the regular Conference Session held in the year of the "class."
49 Persons will normally be elected to classes for full-length terms, exceptions occurring only to fill vacancies and
50 during the period of startup for the group concerned. Unless stated otherwise for specific groups, full-length terms
51 shall be for four years, and the maximum term for persons serving in classes shall be two consecutive full-length
52 terms. Partial length terms of less than three years shall not be counted in this regard for elections occurring

1 before 2012. Service “on a quadrennial basis” indicates full-length terms beginning and ending in years when the
2 General Conference meets. Successive tenures on the same group must be separated by an absence of at least one
3 year.
4

5 **Lay Members of Conference Agencies**

6 Unless stated otherwise, lay persons elected to serve on groups or individuals within The Upper New York
7 Annual Conference shall be professing members of The United Methodist Church, except for youth members.
8

9 **The Nomination Process and Diversity Recommendations**

10 Unless stated otherwise for specific groups, nominations shall be by the Committee on Nominations and

2. **Changing the Policies and Procedures.** After initial approval in 2011, proposals for changes in the standing policies and procedures regarding petitions and resolutions will be submitted by the Committee on Petitions and Resolutions to the Committee on Rules. The Committee on Rules will consider such proposals for changes in policies and procedures (and may, itself, initiate recommended changes) and will make its recommendations to the Commission on Sessions and to the Annual Conference.
3. **Scope of These Policies and Procedures, and the Responsibilities of the Committee on Petitions and Resolutions.** The Committee on Petitions and Resolutions shall be responsible for all aspects of the organizing and processing of Petitions, Resolutions, and other items of a legislative nature through those portions of the Annual Conference Session designated for “Holy Conferencing” by the Commission on Sessions. 8 for the implementation of this resolution; the availability of funds from within existing budgets for the
9 implementation of this proposed resolution; the appropriateness of raising new funds for the
10 implementation of this proposed resolution; etc. The recommendation from CCFA will be attached as a

50 shall be allowed up to five minutes to summarize it. The process of debate shall include up to three
51 speakers in support of the item and up to three speakers in opposition to the item, speaking in
52 alternating order for not more than three minutes each, followed by a summary statement of no more

1 more than once to any specific item. This process of debate may be superseded for an entire session of
2 the Annual Conference by the provisions contained within the Conference Secretary's Organizational
3 Motion; it may also be superseded for the debate on a specific item through a motion to "Suspend the
4 Rules", approved by a vote of two-thirds of those present and voting. Legislative items originating from
5 agencies of the Annual Conference do not require seconds. In the case of a legislative item originating
6 from more than one source, the originator of the first legislative item received by the Committee on

8 amended on the floor, in accordance with the Rules of The General Conference and *Robert's Rules of*
9 *Order*. Also, in accordance with the Rules of The General Conference and *Robert's Rules of Order*,
10 substitute motions may be received. Amendments and the main motion shall require a simple majority
11 of those present and voting unless a super-majority is required by Conference Rules. The originator also
12 shall be permitted to be the last speaker for one minute for each proposed amendment, as well as the
13 last speaker prior to the final vote on the entire petition or resolution. Otherwise, the other existing
14 rules of the Conference shall apply to the consideration of legislative item.

16 the session without the presence of the originator as named in the petition or resolution – or the
17 presence of a person designated by her or him. If the originator is not a member of the Annual
18 Conference with privileges of voice and vote, the Chair of the Committee on Petitions and Resolutions
19 shall move for a suspension of the Rules (requiring a two-thirds vote) to enable the originator to

Appendix II
Equalization Lay Members

I. The Constitution (¶32 of *The Book of Discipline 2012*) and Discipline (¶602.4 of *The Book of Discipline 2012*) of The United Methodist Church require that the number of Lay Members of each Annual Conference be augmented, through the addition of “Equalization Lay Members” (with voice and vote) so as to equal the number of Clergy Members in the Annual Conference concerned. The means for electing these Equalization Lay Members is left to the discretion of each Annual Conference.

II. The Conference Secretary shall, at the close of each calendar year, determine the number of Equalization Lay Members to be needed at the following Session of the Annual Conference by calculating the difference between the number of Clergy Members of the Annual Conference and the number of Lay Members to be elected by the respective Local Charge Conferences. This number shall be reported, promptly, to the Cabinet, the Chair of the Sessions Committee, and the Chair of the Rules Committee.

III. The Chair of the Rules Committee shall create a prioritized list of potential nominees to serve as Equalization Lay Members. Lay persons who are the elected members from their Local Charge Conferences will not be included on this list. This list, with reserves if it exceeds the number of Equalization Lay Members needed as determined by the Conference Secretary, and reserves beyond that number, shall be published and distributed by the Conference Secretary with other pre-conference materials, and incorporated by reference into the Conference Secretary’s Organizational Motion so that these nominees to serve as Equalization Lay Members (and Reserve Equalization Lay Members) can be duly nominated and elected as a first order of business of the Annual Conference. (Persons who are beyond the number specified by the Conference Secretary who might otherwise be qualified to serve as Equalization Lay Members shall be eligible to serve as Reserve Equalization Lay Members.)

IV. General Rules and Limitations

A. All Lay Members of the Annual Conference, with the exception of youth, must be Professing Members of The United Methodist Church. Persons who are not Professing Members of The United Methodist Church may be granted voice without vote at Sessions of the Annual Conference. These persons shall not count toward the total number of Equalization Lay Members to be elected.

B. No Lay Person shall be eligible to serve simultaneously both as an Elected Lay Member (from a Local Charge Conference) and as Equalization Lay Member at the same Session of the Annual Conference. Election from a Local Charge Conference shall have precedence over election to serve as an Equalization Lay Member.

C. No Lay Person may hold more than one Equalization Lay Membership at a single Session of the Annual Conference.

D. Clergy Members are ineligible to serve in any lay capacity.

V. The Prioritized List of Potential Nominees to serve as Equalization Lay Members shall be as follows:

A. Lay Persons, by virtue of their office, as specifically identified in ¶602.4 of *The Book of Discipline 2008*, during their tenure of office. This list is limited by *The Discipline*, and includes

Insofar as this list is disciplinary, it must be included in full, even if the number of persons listed exceeds the Conference Secretary's calculated total of the number of Equalization Lay Members needed.

B. Lay Supply Pastors as assigned by District Superintendents, during the tenure of their assignment. If the number of persons qualifying herein exceeds the Conference Secretary's calculated total number of Equalization Lay Members needed, the Cabinet will be consulted to establish priorities. Those who cannot be accommodated will be Alternate Equalization Lay Members.

C. Lay Persons in positions of leadership within the Annual Conference, during their tenure of office. This list includes:

2. The Associate District Lay Leaders

The determining question is that of the need of the person concerned to be present, with voice and vote, at formal meetings of the Annual Conference, in order to adequately fulfill and discharge the duties and responsibilities to which he or she has been elected or appointed.
12. Lay Persons in roles of leadership of the various functioning conference-level Agencies defined in *The Book of Discipline 2008* as being a part of the organizational structure of the Annual Conference
13. The most recently elected Lay Delegates to The General Conference of The United Methodist Church and/or the Northeastern Jurisdictional Conference of The United Methodist Church.
14. Lay Members of Agencies, Boards, Councils, Commissions, Teams, etc. of The General Conference or the Northeastern Jurisdictional Conference of The United Methodist Church.

If the number of persons qualifying herein exceeds the number that can be accommodated (according to the calculation of the Conference Secretary), priorities will be determined by the Chair of the Rules Committee in consultation with the Conference Lay Leader on the basis of the need of the respective candidates to be present, with voice and vote, at formal meetings of the Annual Conference in order to fulfill and discharge their duties and

1 responsibilities to the Annual Conference. Those who cannot be so accommodated will be
2 Alternate Equalization Lay Members.

3 D. After the foregoing have been accommodated, the remaining Equalization Lay Memberships
4 (if any) will be divided as equally as possible among the respective districts of the Annual
5 Conference, with the remainders of this division being shifted among the districts on an annual
6 basis. These Equalization Memberships will be awarded by the respective District Lay Leaders in
7 consultation with organizations within the district. Youth (in consultation with district youth
8 leadership) should be given a priority for at least one-third of these memberships, these youth
9 members shall be in excess of the disciplinary youth memberships mentioned above. Attention
10 should also be given to unrepresented local churches on multi-point charges, to persons who are
11 able to bring wisdom and experience of value to the Annual Conference, and to the guidelines for
12 inclusivity found in ¶139 of *The Book of Discipline 2008*.

Appendix IV

Nomination of Candidates for Election to the Episcopacy

In accordance with the Constitution and *The Book of Discipline of The United Methodist Church* (§§46 and 405), the responsibility for electing persons to The United Methodist Council of Bishops and the respective Jurisdictional Colleges of Bishops rests with the Jurisdictional Conferences. The respective Annual Conferences may nominate candidates for election to the episcopacy by their Jurisdictional Conferences. The purpose of this Appendix is to establish a procedure whereby the members of the Upper New York Annual Conference, and the Annual Conference itself, may participate in the process of nominating candidates to the Northeastern Jurisdictional Conference. *The Book of Discipline* (§405) specifically prohibits the binding of any delegate to vote for any specific candidate seeking election to the episcopacy.

During the year preceding the convening of the Jurisdictional Conference, the most recently elected Delegates to the Jurisdictional Conference shall serve as a “nominating committee” for the nomination of candidates to the Annual Conference for nomination by the Annual Conference to the Jurisdictional Conference. The Jurisdictional Delegation shall solicit the membership of the Annual Conference (including the members of the Delegation itself) for recommendations and self-recommendations of persons eligible for election to and service on the episcopacy (§§402, 408). The Delegation, guided by *The Book of Discipline* (§403) and using procedures of its own design, shall discern the gifts and graces of each and every person so recommended, and shall recommend to the Session of the Annual Conference immediately preceding the convening of the Jurisdictional Conference the nomination of persons discerned by the Delegation to have the gifts and graces for episcopal service. The Annual Conference may nominate none, any, and all of these persons recommended by the Delegation. The Annual Conference can also consider persons nominated directly from the floor. Candidacy is not limited to clergy members of The Upper New York Annual Conference; any person meeting disciplinary requirements (§§402 and 408.1) may be recommended.

As a part of the solicitation for recommendations from the membership of the Annual Conference, the Delegation will specify the nature of the materials to be included in the recommendation. These shall include contact information, academic preparation, pastoral appointments, a listing of past and present church responsibilities (both denominational and ecumenical), and reasons for the recommendation. There shall also be included a brief statement (less than 200 words) as to why the person being recommended feels that he/she will, in his/her own words, bring the kind of episcopal leadership that the Church needs at this point in time.

The Delegation shall distribute candidate recommendations for persons nominated by the Delegation through registration packets at Annual Conference. Persons nominated on the floor may distribute comparable materials when their names are submitted.

2 **Procedure for the Nomination of Candidates**
3 **to be Elected to Certain General and Jurisdictional Agencies of The United Methodist Church by the**
4 **Northeastern Jurisdictional Conference (¶705)**

5 One of the functions of the quadrennial Jurisdictional Conference is the election of persons to serve on specific
6 agencies of the General Church for the coming quadrennium. Nominations for these positions are made by the
7 Jurisdictional Nominating Committee to the Jurisdictional Conference based upon a “pool” of nominees (including
8 both clergy and laity) approved by each of the respective annual conferences within the Jurisdictional Conference.
9 It is the responsibility of the Bishop and the Jurisdictional Delegation to present the pool of candidates for
10 endorsement by the annual conference session immediately preceding the meeting of the Jurisdictional
11 Conference. The following procedure is to be used in guiding this process.

- 12
- 13 1. All members of the General Conference Delegation are to be included in the pool
 - 14
 - 15 2. At least fifteen and not more than forty-five additional persons are to be included in the pool
 - 16 a. Persons presently serving on a general agency, and wishing to continue serving on the same or a
17 different agency may be included in the pool. The electability of these persons by Jurisdictional
18 Conference will be subject to a variety of term limits.
 - 19 b. Members of the Jurisdictional Delegation (including Reserves) not elected to the General Conference
20 may be included as additional members of the pool.
 - 21 c. The total pool should include between one and five persons in of each of the following categories:
22 clergy (including at least one clergy-woman), laywomen, laymen, youth (ages 12-16) young adults
23 (ages 17-28) older adults (over 65), and persons with disabilities. Each name presented to the
24 Jurisdictional Nominating Committee should include an indication of all appropriate categories.
 - 25 d. If possible the total pool should include at least two persons from each of the following recognized
26 ethnic groups: Asian American, African American, Hispanic American, Native American, and Pacific
27 Islander.
 - 28
 - 29 3. Effective in 2016, forms for nomination and/or self-nomination to the pool will be distributed
30 electronically with Conference pre-registration forms and available in hard-copy at pre-conference
31 briefings and district conferences. They must be turned in at the registration table at annual conference. A
32 completed nomination form will include name and other contact information; category (item 2c above),
33 ethnicity if appropriate (item 2d above); three preferences as to the agencies on which the applicant
34 would like to serve, together with reasons for volunteering for such service; a listing of past services to
35 their district, the annual conference, the jurisdictional conference, the general church, and/or ecumenical
36 agencies; and a list of church memberships or pastoral appointments.

I. Definition and Purpose

The Consent Calendar is an omnibus motion for the approval of reports being placed before the Annual Conference meeting in plenary session. The Consent Calendar consists of, and is limited to reports that do not include action items or debatable recommendations of any kind. The purpose of the Consent Calendar is to enable approval of all reports contained therein when the Consent Calendar itself is moved as a part of the Secretary's Organizational Motion and approved by a simple majority of those present and voting.

II. Exclusions

The following reports shall be ineligible for processing through the Consent Calendar: reports containing action items or recommendations of any kind, the Episcopal Address, the Cabinet Report, the Conference Lay Leader's Report, the Nominations Committee Report, and the Rules Committee Report.

All reports satisfying the requirements for approval via the Consent-Calendar process will automatically be placed on the Consent Calendar, by the person designated as the receiver of materials to be submitted for approval or action by the Annual Conference, upon his or her receiving of such reports. The Consent Calendar itself, consisting of a listing, by title and submitter, of all reports placed thereon, will be included in the Pre-Conference Booklet, along with the texts of the concerned reports. The Consent Calendar will be made available, in this form, to all members of the Conference, no later than the convening of Pre-Conference Meetings.

B. Motion to Approve All Reports Contained on the Consent Calendar

The Secretary's Organizational Motion shall include the approval of all reports contained on the Consent Calendar, as printed in the Pre-Conference Booklet.

C. Deletion of Items from the Consent Calendar.

As a part of the discussion on the Organizational Motion, a motion to amend the Consent Calendar, by deletion of a specific report, shall be in order. This motion shall be received without second and be undebatable; it shall require an affirmative vote of one-third of those present and voting in order to prevail.

Reports deleted from the Consent Calendar shall be placed upon the agenda as individual items to be considered at a later time. In the event that time expires prior to the consideration of reports removed from the Consent Calendar, the Closing Motion shall include the approval of all remaining reports previously removed from the Consent Calendar.

2
3 **Pension & Welfare Recommendations:**

4
5 **1. HOUSING/RENTAL ALLOWANCE RESOLUTION**

6
7 **Whereas** the religious denomination known as The United Methodist Church (THE “Church”), of
8 which this Conference is a part, has in the past functioned and continues to function
9 through Ministers of the Gospel (within the meaning of Internal Revenue Code section
10 107) who were or are duly ordained, commissioned, or licensed ministers of the Church
11 (“Clergypersons”); and,

12 **Whereas** the practice of the Church and of this Conference was and is to provide active
13 Clergypersons with a parsonage or a rental/housing allowance as part of their gross
14 compensation; and,

15 **Whereas** pensions or other amounts paid to active, retired, terminated, and disabled
16 Clergypersons are considered to be deferred compensation and are paid to active,
17 retired, terminated, and disabled Clergypersons in consideration of previous active
18 service; and,

19 **Whereas** the Internal Revenue Service has recognized that the Conference (or its predecessors)
20 as an appropriate organization to designate a rental/housing allowance for
21 Clergypersons who are or were members of this Conference and are eligible to receive
22 such deferred compensation;

23
24 **Now therefore be it resolved:**

- 25 1. That an amount equal to 100% of the pension, severance, or disability payments
26 received from plans authorized under *The Book of Discipline of The United Methodist*
27 *Church* (the “*Discipline*”), which includes all such payments from the General Board
28 of Pension and Health Benefits (“GBOPHB”), during the period Jan. 1, 2015 through
29 Dec. 31, 2015, by each active, retired, terminated, or disabled Clergyperson who is
30 or was a member of the Conference, or its predecessors, be and is hereby
31 designated as a rental/housing allowance for each such Clergyperson; and
32
- 33 2. That the pension, severance, or disability payments to which this rental/housing
34 allowance designation applies shall be any pension, severance, or disability
35 payments from plans, annuities, or funds authorized under the *Discipline*, including
36 such payments from the GBOPHB and from a commercial annuity company that
37 provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or
38 fund authorized under the *Discipline*, that result from any service a Clergyperson
39 rendered to this Conference or that an active, a retired, a terminated, or a disabled
40 Clergyperson of this Conference rendered to any local church, annual conference of
41 the Church, general agency of the Church, other institution of the Church, former
42 denomination that is now a part of the Church, or any other employer that
43 employed the Clergyperson to perform services related to the ministry of the
44 Church, or its predecessors, and that elected to make contributions to, or accrue a
45 benefit under, such a plan, annuity, or fund for such an active, a retired, a
46 terminated, or a disabled Clergyperson’s pension, severance, or disability plan
47 benefit as part of his or her gross compensation.

1 **NOTE:** The rental/housing allowance that may be excluded from a Clergy person's gross income
2 in any year for federal (and, in most cases, state) income tax purposes is limited under Internal
3 Revenue Code section 107(2), and regulations thereunder, to the lesser of: 1) the amount of
4 the rental/housing allowance designated by the Clergy person's employer or other appropriate
5 body of the Church (such as this Conference in the foregoing resolutions) for such year; 2) the
6 amount actually expended by the Clergy person to rent or provide a home in such year; or, 3)
7 the fair rental value of the home, including furnishings and appurtenances (such as a garage),
8 plus the cost of utilities in such year. Each Clergy person or former Clergy person is urged to
9 consult with his or her own tax advisor to determine what deferred compensation is eligible to
10 be claimed as a housing allowance exclusion.

11
12 2. PAST SERVICE ANNUITY RATE: The Conference Board of Pension & Health Benefits
13 recommends that the 2015 Past Service Annuity Rate for pension payments to retired clergy of
14 the Upper New York Conference be set at \$600 per service year prior to 1982. This represents a
15 2% increase over the 2014 rate and is 1.1 % of the Conference Average Compensation.

16
17 3. COMPREHENSIVE FUNDING PLAN FOR 2015 The Conference Board of Pension & Health
18 Benefits presents and recommends for approval the UNY Comprehensive Benefit Funding Plan
19 Summary for 2015. The statement of opinion by the General Board of Pension & Health
20 Benefits will be made available upon receipt.

21
22 **Upper New York 2015 Comprehensive Benefit Funding Plan Summary**

23
24 The 2012 *Book of Discipline* ¶1506.6 requires that each annual conference develop, adopt and
25 implement a formal comprehensive funding plan for funding all of its benefit obligations. The
26 funding plan shall be submitted annually to the General Board of Pension and Health benefits
27 for review and be approved annually by the annual conference, following the receipt and
28 inclusion of a favorable written opinion from the General Board of Pension and Health Benefits
29 (GBOPHB). This summary document is only a portion of the information contained in the actual
30 signed funding plan. As such, it might not contain all the information required for a
31 comprehensive view of the benefit obligations of the conference. You may request the full
32 contents of the 2015 comprehensive benefit funding plan from your conference benefits office.

34 Following is the summary of the Comprehensive Benefit Funding Plan (CBFP) that received a
35 favorable written opinion from GBOPHB for the 2015 conference benefit obligations:

36
37 **Clergy Retirement Security Program (CRSP) Defined Benefit (DB) and Defined Benefit**
38 **Contribution (DC)**

39 **Plan Overview:** The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code
40 section 403(b) retirement program providing lifetime income and account flexibility designed for
41 those who serve as clergy of The United Methodist Church. The plan is designed to provide
42 participants with one portion of their overall retirement portfolio. CRSP replaced the Ministerial
43 Pension Plan (MPP) effective Jan. 1, 2007, which replaced the Pre-82 for service rendered prior
44 to Jan. 1, 1982

45 CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at
46 retirement based upon years of credited service to the Church, and a defined contribution (DC)

1 plan, which provides a retirement account balance established and funded by annual
2 conferences. The Clergy Retirement Security Program (CRSP-DB) annuities total liability as of
3 Jan. 1, 2013 is \$923,654,637, while total plan assets are \$978,496,549 resulting in a current plan
4 funded ratio of 105.94%. The Upper New York Conference portion of the liability is 2.171% and
5 the 2015 contribution is \$2,218,486. The conference anticipates that the amount will be
6 funded by direct billing to churches based on pastor's compensation. Additionally, General
7 Conference 2012 approved a change to CRSP that provides each annual conference the
8 discretion to determine whether to cover three-quarter and/or half-time clergy. The Upper
9 New York Annual Conference has elected to cover clergy serving 50% or more under CRSP
10 effective Jan. 1, 2015.

11 Effective Jan. 1, 2014 CRSP-DC plan was reduced from a 3% to a 2% of plan compensation non-
12 matching contribution. Clergy will have the opportunity to earn up to an additional 1% CRSP DC
13 contribution by contributing at least 1% of their plan compensation to UMPIP, therefore if a
14 participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a
15 contribution of 3%, which is unchanged from 2013 and prior. The 2013 CRSP-DC contribution is
16 anticipated to be \$709,200 and will be funded by direct bills to local churches. It is anticipated
17 that increases for future years will average 2%, due to an increase in pastors' salaries based on
18 the increase in the Conference Average Compensation, which is 2.1% for 2015.

19 **Ministerial Pension Plan (MPP)**

20 **Plan Overview:** The Ministerial Pension Plan (MPP) provides clergy with a pension for their years
21 of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal
22 Revenue Code section 403(b) retirement plan. Effective Jan. 1, 2014, exactly 65% of the account
23 balance must be annuitized when it is to be distributed. The remainder may be rolled over to
24 UMPIP, another qualified plan or IRA, or paid in a lump sum.

25
26 The Ministerial Pension Plan (MPP) annuities total liability as of Jan. 1, 2013 is \$2,745,504,346,
27 while total plan assets are \$2,994,443,132 resulting in a current plan funded ratio of 109.07%.
28 The Upper New York Conference's percentage of the total liability is 2.6578%, which results in
29 no required contribution for 2015. Future MPP annuitants have a total account balance of
30 \$4,377,728,446 and the Upper New York Conference's portion of that balance is \$104,070,000.

31 **Pre-1982 Plan**

32 **Plan Overview:** Supplement One to the Clergy Retirement Security Program (CRSP), also known
33 as the Pre-82 Plan, provides clergy with a pension for their years of ministry with The United
34 Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective Jan. 1, 1982. If
35 you enter the Retired relationship with your Conference, and do not terminate, the minimum
36 benefit payable to you is based on two factors: 1) years of Service with pension credit and 2)
37 Conference pension rate. Years of Service with pension credit are approved by each Conference
38 on the recommendation of the Conference Board of Pensions in accordance with plan provisions
39 and *The Book of Discipline*. The pension rate, also called the past service rate, is the dollar
40 amount chosen by the Conference as the amount payable for each approved year of Service with
41 pension credit. Typically, the pension rate changes from year to year. The number of years of
42 Service with pension credit is multiplied by the pension rate, and the product is the minimum
43 annual benefit payable to those eligible for Pre-82 Plan benefits. In certain situations the benefit

1 received from the Pre-82 plan, may vary based on the applicability of what is referred to as
2 Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-
3 1982 Plan. At the time that a participant retires, the DBSM account is converted to a life based
4 benefit. At that point the participants benefit is the greater of the PSR benefit or DBSM benefit.
5 As the conference increases the PSR, the participants benefit is recalculated; however the DBSM
6 based benefit does not change.

7 The 2015 Past Service Rate (PSR) recommended to the Upper New York Annual Conference will
8 be \$600 representing a 2% increase from the 2014 rate. The conference expects future increases
9 to be approximately 2%, which is based on keeping pace with expected increases in active clergy
10 compensation.

11 The contingent annuitant percentage is recommended to remain at the 75% level.

12 Based on the final actuarial valuations from the General Board of Pensions and Health Benefits
13 as of Jan. 1, 2013 for 2015, the portion of the Pre-82 liability attributable to the Upper New York
14 Conference and funded status is, as of Jan. 1, 2013, as follows:

15	Funding Plan Liability	\$65,890,723	
16	Assets in the Plan	\$62,294,191	
17	Funded status	\$(3,596,532)	represented by a 95% funded ratio

18
19 The funded ratio is recalculated each year based on economic and demographic changes. These
20 changes create the possibility that Pre-82 contributions may be required at a future date (even
21 after 2021).

22
23 In addition to the assets in the Plan it is anticipated that amount will be funded through the
24 following funding sources:

25			
26	Non plan assets designated for retiring Pre-82 obligations	\$8,334,731	

27
28 The newly united UNY Conference redirected surplus funds in 2010, but does not anticipate
29 doing so in the future.

30
31 Defined benefit plan liabilities (Pre-82, MPP and CRSP-DB) continue until the last benefit is paid
32 to participants and their surviving spouses irrespective of the funding level of the plan. That is,
33 even if the assets in the plan are larger than the liabilities in the plan, the conference still has a
34 liability (obligation) with the plan.

35 **Active Health Benefit Program**

36 **Plan Overview:** The Upper New York Conference offers the HealthFlex PPO and CDHP program,
37 which is best described as a Preferred Provider Organization to the active participants.

38 During the 2013 year, the total cost of the program was \$5,162,491 and was funded by direct
39 billings. The projected average increase for future years is expected to be 5%, due to market
40 trends combined with adjustments to plan structure.

1 **Post-Retirement Medical Benefit Program (PRM)**

2 **Plan Overview:** The Upper New York Conference post-retiree medical plan currently offered is a
3 Medicare supplemental plan made available to eligible retired clergy.

4 The expectation for 2015 is to offer the OneExchange Health plan. The funding obligation for 2015
5 is anticipated to be \$1,604,148 with the funding sources to be a combination of local church
6 direct bills and reserve fund use. On a longer term basis the Upper New York Conference intends
7 to lower and control the cost of the PRM.

8 Based on the most recent PRM valuation dated Dec. 31, 2012, following is the funded position of
9 the post-retiree medical benefits:

10	Accumulated Post Retirement Obligation (APBO) or net conference cost	\$68,691,770
11	Expected Post Retirement Obligation (EPBO) or net conference cost	\$89,481,441
12	Service Cost (SC) or net conference cost	\$ 2,058,209
13	Assets designated for PRM	\$ 6,800,000

14 These values are based on 3.75% long-term discount rate, 8% long-term expected return, and a
15 current increase trend of 5% continuing thru 2019.

16 **Comprehensive Protection Plan (CPP)**

17

18 **Plan Overview:** The Comprehensive Protection Plan (CPP) provides death, long-term disability
19 and other welfare benefits for eligible clergy of The United Methodist Church and their families
20 and is an Internal Revenue Code 414(e) "church plan" funded by plan sponsor insurance
21 premiums. Generally, you are eligible to participate in CPP if your conference or salary-paying
22 unit sponsors the plan and you satisfy the eligibility requirements which include full-time
23 episcopal appointment and plan compensation equal to or greater than 60% of the
24 Denominational Average Compensation or the Conference Average Compensation whichever is
25 less. The Upper New York Annual Conference has elected to make CPP-eligible clergy appointed
26 75-100% have mandatory participation under special arrangements, while 50% appointed clergy
27 have optional participation under special arrangements.

28 Currently (for 2013) the Upper New York Conference has a required contribution to the
29 Comprehensive Protection Plan of \$671,404, which is anticipated to be funded by direct bill to
30 local churches. The anticipated average increase in future years is expected to be 2% per year
31 due to increases in pastors' compensation.

1 **United Methodist Personal Investment Plan (UMPIP) for Lay and Clergy Plan Overview:**
2 The United Methodist Personal Investment Plan (UMPIP) is an Internal Revenue Code section
3 403(b) defined contribution retirement savings plan for clergy and lay employees of The United
4 Methodist Church and affiliated organizations. Participants may make before-tax and/or after-tax
5 contributions through payroll deductions. Participant contributions, contributions your plan
6 sponsor may make on the participants behalf and investment earnings comprise the individual's
7 retirement account balance.

8 Conference office lay employees working an average of 20 hours per week or more are eligible
9 after 12 months for a pension contribution of 9% of salary. Lay employees are required to
10 contribute 3% of salary toward their retirement through payroll deductions to the UMPIP. The
11 estimated contribution for the Upper New York Conference is anticipated to be \$137,064 and
12 funded through the shared ministry (apportionment) payments.

13 **Other Conference Benefit Obligations**

14 **Plan Overview:** The Upper New York Conference currently offers UMLife LTD and Death
15 Benefits for Lay Employees working 30 hours per week or more. The funding obligation for 2015
16 is anticipated to be \$29,464 with the funding sources to be the Conference shared ministry
17 budget. The anticipated average increase in future years is expected to be 5% per year due to
18 market trends.

19 **Plan Overview:** The Upper New York Conference currently offers a Retiree Emergency Fund
20 Grant made available to approved retired clergy or their surviving spouses. The funding obligation
21 for 2015 is anticipated to be \$60,000 with the funding sources to be reserve funds held by the
22 CBOPHB. The anticipated average increase in future years is expected to be minimal. Total
23 amount utilized per year is \$100,000 as approved by the Board.

24 **Plan Overview:** The Upper New York Conference currently offers a Retiree Moving Expense
25 Reimbursement made available to eligible current-year retiring clergy. The funding obligation for
26 2015 is anticipated to be \$20,000 with the funding sources to be a combination of shared ministry
27 funds and reserve funds held by the CBOPHB. The anticipated average increase in future years is
28 expected to be 10% due to the large number of expected retirements in the next 10 years.

29 **Plan Overview:** The Upper New York Conference currently offers Special Grants for pension
30 purposes made available to an existing list of "grandfathered" clergy. The funding obligation for
31 2015 is anticipated to be \$27,044 with the funding sources to be reserve funds held by the
32 CBOPHB. The anticipated average increase in future years is expected to be 2% due to the
33 anticipated increase in Conference Average Compensation and PSR, the bases for the grants.

34 **Conclusion:**

35 The 2015 Comprehensive Benefit Funding Plan and the above outlined Summary document
36 incorporates to the best of our understanding , the Upper New York Conference's obligations and
37 funding requirements of the benefits provided to the Clergy and Laity of the Conference.
38

1 **Health Plan Recommendations:**

2
3 4. The CBOPHB recommends that all Medicare-eligible persons who are retired or on Medical
4 Leave be enrolled in the OneExchange program for health insurance purposes. All fully funded
5 enrolled persons would receive \$2,500 in a Health Reimbursement Account (HRA) annually; all
6 persons would receive an additional amount of \$500 for 2015 to establish their Health
7 Reimbursement Account (HRA). This amount is not subject to the funding percentage assigned
8 to each eligible retiree. The HRA will act as a pre-tax funding source for the purchase of health
9 insurance, prescription coverage and any ancillary services desired by the enrollee.

10
11 Until changed by the CBOPHB, \$2,500 is considered the fully funded (100%) amount available.
12 Medicare-eligible clergy on Medical Leave or retired with 30 years of service or more will be
13 fully funded. Clergy over 65 and with fewer than 30 years of service at retirement will receive
14 3.33% of the fully funded amount for each year of full time equivalent service.

15
16 The benefits office will be responsible for calculating the retirees' funding percentage and
17 informing retirees of their funding percentage at retirement. Spouses will receive the same
18 funding as the clergyperson.

19
20 Clergy who are: 1) under age 65, 2) over age 65 but appointed full time to a local church, or 3)
21 on Medical Leave but not eligible for Medicare, will be enrolled in the "under 65" plan adopted
22 by the CBOPHB. This plan is currently (2014) a HealthFlex PPO plan.

23
24 **RATIONALE AND PLAN DETAILS FOR CHANGE IN RETIREE HEALTH PLAN**

25 **Rationale:**

26 For many years now, annual conferences have been discussing, planning, and/or reacting to the
27 realities around providing health benefits to clergy in retirement. The reasons are many ... the
28 constantly increasing premiums, the (blessed) longevity of clergy and their spouses, the
29 decreasing ability of local churches to provide financial support, the awareness of long- term
30 financial liability ... to name the most recognized reasons.

31
32 The health-care climate has changed dramatically just in the four years of the Upper New York
33 Conference's existence. Our retirees have endured many changes, and the Conference Board
34 of Pension and Health Benefits (CBOPHB) appreciates their patience in these matters.

35
36 The results of a Post-Retirement Medical Liability Study indicate that the cost of providing
37 health insurance to current retirees and current actives who are eligible in retirement is \$68.6
38 million over 50 years, based on a 5% medical trend. If that trend varies by 1%, the additional
39 liability is \$10 million. If our local churches can sustain paying 100% of the Retiree Premium
40 assessed to them via direct bills, it will decrease this liability to approximately \$28 million. Even
41 with that reduction, the conference does not have the funds to sustain that commitment and
42 support the pension commitments that it has.

43
44 Around 5 years ago, the General Board of Pension & Health Benefits began offering a product
45 for Medicare-eligible persons through Extend Health, now known as OneExchange and owned
46 by Towers Watson. Seventeen annual conferences now utilize OneExchange and five more are
47 proposing a move to OneExchange at their Annual Conferences this year. Over 300 employers,
48 with 500,000+ retirees, use OneExchange for their retiree health care.

2014 Upper New York Annual Conference Journal
VI. POLICIES AND RESOLUTIONS

1 It is the belief of the CBOPHB that a move to OneExchange will A) save the annual conference
2 significant dollars while B) still providing comprehensive health-care with an increase in
3 personal choice, and C) will not increase the financial burden to local churches and most
4 retirees.

6 Plan Details:

7 A. Retiree/Medical Leave Health Costs (Medicare-eligible and retired or disabled)

	2013	2014	2015 (proj)	2016 (proj.)
Total Premium	\$2,214,732	\$2,236,879	\$1,604,148	\$1,292,500
Local Church Retiree Premium	-860,000	-903,000	-903,000	-903,000

Arrearages/Grants	+90,000	+90,000	+90,000	+90,000
Net Cost from Reserves	\$1,000,732	\$979,879	\$791,148	\$475,500
		SAVINGS:	\$188,731	\$500,379

8
9 Note: 2015 costs include initial set up costs plus a one-time bonus HRA amount of \$500
10 per person

11
12 B. Comprehensive Health Care with Increased Personal Choice

13 OneExchange is a health-care marketplace. Each enrolled person can choose coverage
14 from a variety of options, including Medicare supplement plans (Medigap), Medicare
15 Advantage plans (regional HMO-type plans), prescription coverage at varying co-payment
16 levels, vision and dental plans. Each person chooses the plans they desire and pays for
17 those plans with the HRA fund provided by the Conference, plus their own funds if they
18 choose plans that cost more than the HRA provided. Couples can choose different plans,
19 using combined HRA money.

20
21 Each enrollee is assigned a Licensed Benefit Advisor (LBA) to assist in making benefit
22 choices. Benefit choices can be changed annually, if desired. LBAs are specially trained to
23 work with seniors and become the dedicated contact person for the enrollee. They are
24 able to spend as much time as needed to help the enrollee determine the best health
25 care coverage for the individual. LBAs may also include an enrollee's family member or
26 power of attorney in the enrollment process. OneExchange has a 99% success rate in
27 contacting every potential enrollee personally.

28
29 If approved, educational workshops will be held in September in several locations, prior
30 to the enrollment period.

31
32 C. Contain Out-of-Pocket Costs for Local Churches and Most Retirees:

33 The data we have available at this point in time indicates that not only will OneExchange
34 contain out-of-pocket costs for most retirees, they may well see a cost savings. This is
35 accomplished by right-sizing the HRA to cover the average cost of a Medicare
36 supplemental plan with RX coverage, in full, without the need for the retiree to pay a
37 premium to the Annual Conference. The retiree can choose to spend more to purchase
38 vision and/or dental plans. The retiree – when it's appropriate – can choose a Medicare

2014 Upper New York Annual Conference Journal
VI. POLICIES AND RESOLUTIONS

1 Advantage plan and save a large portion of their HRA funds for future use. HRA funds roll
2 over year to year.

3
4 OneExchange premiums are lower than group-rate premiums because of the massive
5 number of lives covered. Our current Medicare plan costs \$4,200 per person per year.
6 However, the CBOPHB has studied how much would constitute an adequate fully funded
7 amount and has determined that a \$2,500 HRA would be enough to purchase most
8 Medicare supplemental and prescription plans with little to no out-of-pocket premium
9 expense. The CBOPHB can adjust this figure should it seem necessary.

10
11 Cost-savings statements above are based on a fully funded HRA of \$2,500 and not all
12 retirees will qualify for the fully funded amount. However, it is still projected that these
13 less-than-fully-funded people would have a cost savings because the premium basis is
14 lower.

15
16 For local churches, there will be stability in the direct billings. If the Conference were to
17 continue its current plan and processes, reserve funds (designated for this purpose)
18 would be exhausted in less than 10 years, which would then necessitate a steep increase
19 in the financial responsibility carried by the local churches.

20
21 ADDITIONAL INFORMATION ON ONEEXCHANGE IS POSTED ON THE BENEFITS OFFICE WEB

4 **Minimum Base Compensation (Page 1):**

5 In response to concerns voiced by members at the 2013 Annual Conference regarding the lack
6 of recognition for long-term pastors in terms of salary, the following revision is recommended.

7 **Replace C:** Plus an additional amount for years of service using the following schedules based
8 on the goal of attaining 1% of minimum salary per year of full-time equivalent service up to 25
9 years:

	<u>Full</u>	<u>Provisional</u>	<u>Associate</u>	<u>FTLP w/MDiv</u>	<u>FTLP</u>	<u>per year of FTE service</u>

16
17
18 **Revise F:** All churches are encouraged to offer a salary increase of no less than the percentage
19 increase in Conference Average Compensation (**2.1% for 2015**).

20
21 **Minimum Salary Phase-In (Page 2):** Delete Section (no action needed)

22
23 **Clergy Housing Policy (Pages 2 – 10):**

24 At the 2013 UNY Annual Conference a motion passed that falls within the responsibility of the
25 Commission. It reads:

26
27 #019 Comprehensive Report on Housing—2014

28 BE IT RESOLVED that a Comprehensive Report be made for approval at the 2014 Annual
29 Conference that will recommend the housing guidelines for the UNYAC clergy and appropriate
30 staff members. This report will cover parsonage and housing allowance guidelines with
31 recommended involvement of clergy, laity, local churches, conference trustees, and district
32 superintendents.

33
34 As a result of the work of the Task Force on Clergy Compensation and subsequently the
35 Commission on Equitable Compensation, the UNY Annual Conference already has in place a
36 Clergy Housing Policy which follows. The Commission used this opportunity to review the
37 policy and to approve revisions, which have been incorporated into the policy and are indicated
38 in **bold** text.

39
40 **III. Clergy Housing Policy**

41
42 In The United Methodist Church, housing is provided to clergy. While the parsonage remains
43 the normative provision of housing, some parishes prefer to offer, and some clergy prefer to
44 receive, a housing allowance instead. The complexities of contemporary economics, local
45 church resources and pastoral households make it less likely that a “one-size-fits all” housing
46 provision best meets the needs of every situation. Local churches and clergy both need to

1 carefully weigh the advantages and disadvantages, especially if considering a change from one
2 to the other.

3
4 A. Values and Considerations

5
6 The Upper New York Annual Conference of The United Methodist Church believes that
7 congregations and clergy benefit when clergy and their families live in buildings that are safe,
8 clean, comfortable, and as commodious as the average home in their community. It is
9 assumed that clergy housing will meet all applicable local and state residential codes. As
10 faithful stewards of the Earth and other limited resources, congregations and clergy are
11 encouraged to make clergy housing as energy efficient as possible. In order to be as
12 welcoming as possible, consideration should be given to making clergy housing accessible to
13 residents or guests with mobility challenges.

14
15 Local churches may prefer to provide a housing allowance for a variety of reasons: less
16 property to maintain and repair, more predictable budget implications, and no “landlord”
17 issues with their pastor. Likewise, clergy households may prefer a housing allowance for
18 other reasons, such as: accumulation of equity, allowance for differing clergy household
19 needs, ability to locate in a desired location, freedom to renovate and refurbish as desired,
20 and no “tenant” relationship with parishioners.

21
22 However, it is also to be acknowledged that tension may exist between the
23 appointive/itinerant system of clergy deployment and the housing allowance system.
24 Pastoral appointments are made on an annual basis at the will of the bishop. The financial
25 advantage to long-term clergy home ownership may be at odds with a short-term need or
26 desire for a pastoral transition. It must be understood by all that the provision of a housing
27 allowance or parsonage shall not be a primary consideration by the bishop and Cabinet for
28 future appointments for the pastor. Further, a local church that has a parsonage available to
29 the pastor is under no obligation to provide a housing allowance if that pastor prefers to live
30 in a different location.

31
32 B. Parsonages

33
34 1. Relationships and Responsibility

35
36 The parsonage is to be mutually respected by the pastor’s family as the property of
37 the church and by the church as a place of privacy for the pastor’s family. (*Book of*
38 *Discipline of The UMC*, ¶258.2.g.16)

39
40 The chairperson of the Staff-Parish Relations Committee, the chairperson of the
41 Board of Trustees or the chairperson of the Parsonage Committee, if one exists, and
42 the pastor shall make an annual inspection and review of the church-owned
43 parsonage to assure proper maintenance (*Book of Discipline*, ¶258.2.g.16, and
44 ¶2532.4). Parsonages with a wood burning heat source must have a professional
45 chimney inspection (and cleaning if necessary) at least every 2 years.

46
47 The church shall provide a parsonage which addresses the values noted above and
48 the standards listed below. Standard maintenance and repairs, and renovation of

1 the parsonage are the responsibility of the church. The Trustees or Parsonage
2 Committee shall arrange, supervise, and arrange payment for such tasks. Necessary
3 work shall be scheduled in consultation with the pastor.
4

5 The pastor shall furnish the house to suit his or her needs. The pastor is responsible
6 for notifying the church about necessary repairs as the need arises. The pastor is
7 responsible for the repair of damages exceeding normal wear and tear.
8

9 The church, in consultation with the pastor, is responsible for lawn care and snow
10 removal.
11

12 The church and the pastor shall work together to develop a process to assure timely,
13 good quality repairs and maintenance.
14

15 The church shall pay for insurance, heat, electricity, garbage and trash removal,
16 water and sewer, basic telephone service, **and installation fees for cable or satellite**
17 **television service if broadcast reception is inadequate.** Churches that expect
18 pastors to have access to the internet away from the church should pay for internet
19 access at the parsonage. The pastor shall pay for personal toll calls and
20 communication services beyond those provided by the church.
21

22 If a pastor is appointed to serve more than one local congregation, the
23 congregations shall share equitably the costs and other responsibilities of providing
24 a parsonage. If both congregations have a parsonage, the parsonage of residence
25 shall be determined by the District Superintendent in consultation with the
26 appointed pastor and the congregations.
27

28 If a parsonage is occupied by a clergy couple serving different appointments, all
29 congregations served shall share equitably and reasonably the costs and
30 responsibilities of providing a parsonage. The parsonage of residence shall be
31 determined by the District Superintendent in consultation with the appointed
32 pastors and affected congregations.
33

34 Adherence to this policy by both clergy and congregation is essential to the
35 appointment covenant. Failure to adhere to this policy by either clergy or
36 congregation may jeopardize current and future appointments.
37

38 2. Parsonage Standards

39

40 Parsonages shall have at least three bedrooms, one and a half bathrooms, a kitchen,
41 dining room, living room, laundry facilities, appropriate storage capacity, and
42 provision for two parking spaces. All shall be in good repair and meet all applicable
43 local and state health and safety codes. The parsonage shall be at least the size of
44 the average home in its community.

1 The church is responsible for providing a furnished office or study for the pastor.
2 While it is preferable to locate this office in the church or another church building, if
3 necessary it may be a separate, additional room in the parsonage. If the office is
4 located in the parsonage, it must have its own separate, outside entrance.
5

6 3. Rooms and Spaces
7

- 8 a. Bedrooms should be large enough to contain a bed, adequate storage for
9 clothing (dresser and closet, or dresser and wardrobe), and a desk and chair
10 or a reading area. It is preferable to have at least one fully accessible
11 bedroom on the ground floor of the house
12
13 b. Bathroom facilities shall include: a toilet and sink on each floor, a tub, a
14 shower, a medicine cabinet, and storage space for linens and supplies in or
15 near the main bathroom. It is preferable to have at least two complete
16 bathrooms including a fully accessible, complete bathroom on the ground
17 floor.
18
19 c. The kitchen shall contain at least: a standard size stove and oven, a
20 refrigerator with freezer, a dishwasher, built-in cabinets or pantry, a full-size
21 sink, adequate counter space, and wall and floor finishes which can be kept
22 clean.
23
24 d. Living and dining rooms should be large enough to accommodate four to six
25 residents plus guests. A combined living and dining room is acceptable if
26 large enough to fully accommodate both functions.
27
28 e. Laundry facilities shall be accessible from the interior of the house and
29 include: an automatic washer and dryer, and storage for supplies. It is
30 preferable to be able to conceal the laundry area and even better to have a
31 separate laundry room with a sink and space to sort and fold. It is preferable
32 to have these facilities fully accessible and on the ground floor.
33
34 f. Parking shall be off-street, preferably in a garage located on the parsonage
35 property.
36

37 4. Systems
38

- 39 a. *Heating, Ventilation, and Cooling* - The parsonage shall be equipped with
40 central heating capable of maintaining a temperature of 68 degrees in all
41 rooms. Windows shall be in good repair and operable to provide adequate
42 ventilation. Full bathrooms should have adequate ventilation to prevent
43 excessive moisture build-up. Adequate passive or mechanical air cooling
44 should be provided.
45
46 b. *Electrical System* - Wiring, outlets, and fixtures should be safe and adequate
47 to meet the lighting and technology needs of a modern household.
48

- 1 c. *Water* - Hot and cold, potable, running water shall be available in the kitchen,
2 bathrooms, and laundry area in amounts suitable to the needs of a family. In
3 areas with hard water, water softeners shall be installed and maintained.
4 Leaks of any kind are not acceptable.
5
6 d. *Safety, Security, and ~~Detection~~Environment* - Parsonages shall be equipped
7 with properly maintained CO detectors and smoke alarms, and have fire
8 extinguishers in kitchen, furnace room, near fireplaces, pellet stoves or wood
9 stoves, and near bedrooms. Entrance lights shall have switches by the door,
10 be motion activated, and/or be operable remotely. Radon testing shall be
11 done periodically and remedial measures taken if necessary. **Visible mold**
12 **and moldy odors should not be present.** Where necessary for the safety of
13 children and/or vulnerable adults, yards and outside spaces shall be
14 adequately enclosed.
15
16 e. *Communications* - The parsonage shall have a reliable telephone system,
17 adequate TV connection and internet access.
18
19 f. *Interior finishes* - Floors, walls, and fixtures shall be in good condition with
20 coverings which are suitable for the function of the room and in good repair.
21
22 g. *Exterior* - The roof, exterior walls, exterior doors, windows, and foundation of
23 the parsonage shall be carefully maintained to keep out the elements ~~and~~
24 ~~uninvited varmints~~ **pests**, and to conserve energy. The house shall be
25 adequately insulated. It is preferable to have energy efficient doors and
26 windows that suit the architecture of the house as much as possible.
27
28 i. Porches and decks shall be maintained to ensure their safety. Exterior
29 faces and spaces of the building(s) and yard shall be designed **and**
30 **maintained** to be functional for the family, and **to be** a pleasant addition
31 to the community.
32

33 5. Waivers and Exceptions
34

35 If the minimum standards described above cannot be met because of the age or
36 historic character of the house, the charge must propose alternatives that afford an
37 equivalent quality of life to that set by these standards. Any such changes must be
38 approved by the District Superintendent. It is understood that such changes will not
39 compromise the safety provisions of these standards, the overall functionality of the
40 parsonage, or the mandate that it be kept in good repair. It should be noted that the
41 accessibility preferences described above are mandated when purchasing or building
42 a new parsonage. (*Book of Discipline of The UMC*, ¶12543.3b)
43

44 6. Transition Protocols
45

46 Prior to a pastor's move, but no more often than every 5 years, a certified building
47 inspector shall inspect the parsonage so that the congregation can plan necessary
48 maintenance and repairs. If a pastor is moving and the parsonage has had a

1 professional inspection within the past 5 years, this pre-move inspection may be
2 performed by the outgoing pastor, the chairperson of the SPRC, and the chairperson
3 of the Board of Trustees and/or the chairperson of the Parsonage Committee or
4 their designates. In either case, excessive damage caused by the outgoing residents,
5 including that caused by pets, shall be identified and will be the responsibility of the
6 outgoing pastor.

7
8 The outgoing pastor shall leave the parsonage reasonably clean and in good order.
9

10 The charge shall refurbish, repair and thoroughly clean the parsonage prior to a new
11 pastor moving in. Damaged walls, ceilings, floors, windows, fixtures and appliances
12 shall be repaired or replaced. Painted surfaces shall be cleaned or repainted.
13 Carpets shall be thoroughly steam cleaned or replaced; replacement is required if
14 the carpet is torn, excessively worn, or permanently stained. Windows shall be
15 cleaned inside and out. In the event that such work requires that the incoming
16 pastor must make temporary living arrangements, related expenses will be paid by
17 the receiving church.
18

19 It is recommended that a photographic record of house and yard, including each
20 room's condition and contents, be created and filed for reference and planning
21 purposes.
22

23 7. Treatment of Parsonage Value in Compensation Packages 24

25 When a parsonage is provided, the General Board of Pension & Health Benefits
26 requires that it be valued at 25% of salary for benefit computation purposes. In a
27 multi-church appointment, this factor is added to salary for all churches served by
28 the pastor, regardless of which church owns the parsonage in which the clergy
29 person lives.
30

- 31 a. If a clergy couple is serving separate churches and each church/charge has a
32 parsonage available, each clergyperson's entire compensation will include a
33 parsonage value equal of 25% of salary regardless of where the clergy couple
34 lives.
35
36 b. However, if a clergy couple is serving separate churches, and is living in a
37 parsonage provided by one of the churches with no parsonage offered or
38 available from the other church, only the clergyperson serving the church that
39 provides the parsonage will have the parsonage value added to salary.
40

41 C. Housing Allowance 42

43 All full-time clergy appointed to a full-time charge or a Conference-responsible extension
44 ministry shall be provided either a parsonage or a housing allowance. In the event that an
45 appointment has already moved to providing a housing allowance for their pastor and a
46 parsonage is no longer available the charge will negotiate an appropriate housing allowance
47 with the incoming pastor. A housing allowance enjoyed by a pastor appointed to charge "A"

1 will not necessarily translate into a housing allowance for that same pastor when s/he is
2 appointed to charge "B."

3
4 Housing allowances shall exist in accordance with the following policy or successive policies
5 as determined by future sessions of the Conference:
6

- 7 1. The housing allowance policy will be in effect from the time the charge moves
8 from providing a physical parsonage to a housing allowance for the current pastor
9 or an incoming pastor. Once the charge makes the transition to providing a
10 housing allowance, that charge shall not be *required* to return to providing a
11 physical parsonage. In the event that the charge *wishes* to do so, see item #4
12 below.
13
- 14 2. Charges that elect to provide a housing allowance shall do so at a charge/church
15 conference chaired by the District Superintendent after and only after following
16 the steps outlined in item #3 below.
17
- 18 3. A housing allowance agreement shall be drawn up by the local charge (the
19 Staff/Parish Relations Committee and the Board of Trustees, in consultation with
20 the District Superintendent, should be involved in this process as a joint effort).
21 The agreement shall include the following:
22
- 23 a. For the purchase of a home (**house, condo, etc.) by the pastor:**
24
- 25 i. Costs associated with a typical annual mortgage, based upon a 20% down
26 payment and 30 year mortgage, for a home ~~in keeping with Parsonage~~
27 **Standards that meets the size requirements of the Conference**
28 **Parsonage Standards**, to cover at minimum: monthly principle and
29 interest costs and mortgage insurance.
30
- 31 ii. Costs associated with utility expenses (heat, light, phone, basic cable,
32 internet service if not provided in a separate church office), property
33 taxes for a home that meets the size requirements of the Conference
34 Parsonage Standards. This information will be provided by a reputable
35 realtor or rental agent so a dollar range for housing may be set for the
36 incoming pastor as s/he considers the appointment and seeks housing.
37
- 38 iii. The housing allowance will be at minimum the sum of items i and ii
39 above.
40

41 **EXAMPLE:**

42 i. Purchase price of home = \$140,000; 20% down - \$28,000; 30
43 year mortgage of \$112,000 @ 4.75% is \$585 x 12 = \$7,020
44 annually

45 property and school taxes of \$4,000
46 homeowners insurance of \$600

47 ii. Average monthly utility expenses of gas, electric, and bundled
48 phone/internet/tv = \$345 x 12 = \$4,140

Minimum housing allowance in this example is \$15,760

- 1 iv. Charges providing a housing allowance may assist the pastor in
2 obtaining a loan or provide a grant for down payment if needed. Any
3 such agreement for down payment shall become a part of the housing
4 allowance agreement.
5
6 v. The housing allowance agreement shall be signed by the pastor, the
7 chair of Trustees, and the chair of S/PPRC.
8
9 b. For the rental of a home (**house**, apartment, condo, etc.) **by the pastor**: The
10 housing allowance shall be determined in accordance with item a. sub items i.
11 through v. above. It should be noted that housing (either as an allowance or
12 in physical form) shall be provided in accordance with parsonage standards.
13 In the event that the appointed clergyperson chooses to expend less in a
14 rental circumstance s/he shall be afforded the opportunity to save and invest
15 the difference for the eventuality of providing housing for herself or himself
16 in retirement. This provision provides for the near equivalent opportunity for
17 the pastor to accumulate something akin to equity over the life of the housing
18 allowance. By the same token, should the clergyperson choose to rent a ~~set~~
19 of circumstances **home** more ~~elaborate~~ **costly** than ~~what would be covered by~~
20 a sum that would underwrite housing in accordance with **a home that meets**
21 the parsonage standards, the charge shall not be responsible for the
22 additional costs associated with that choice.
23
24 c. A charge may use the annual income and capital gain from the sale of a
25 parsonage over the rate of inflation to help support the housing allowance.
26
27 d. All current IRS regulations shall be met for both recording and reporting
28 purposes.
29
30 4. A charge shall not be required to establish a parsonage after changing to a
31 housing allowance. However, if a charge chooses to return to providing a
32 parsonage, it shall do so only after:
33
34 a. A full and frank discussion with the clergyperson, the S/PPRC, and the local
35 Board of Trustees.
36
37 b. An agreement dissolving the housing allowance agreement has been signed
38 by the pastor, the chair of S/PPRC and the chair of the Board of Trustees.
39
40 c. A proposal for the purchase of a new parsonage has been completed in full
41 accordance with the *Book of Discipline of The United Methodist Church*.
42
43 d. The proposed parsonage is in full compliance with current Conference
44 Parsonage Standards.
45

1 D. Housing Exclusion
2

3 Pastors may utilize the favorable tax advantages of a housing exclusion, which does not
4 increase the compensation package but does lower the pastor's federal income tax liability.
5

6 1. A *Housing Allowance* is money paid to the pastor for the purpose of housing in
7 addition to base salary. A *Housing Exclusion* is the amount of a pastor's base
8 salary that he/she declares to be excluded from taxable income as housing
9 related expenses. Housing is exempt from Federal Income taxes but is NOT
10 exempt from self-employment tax.
11

12 2. A pastor living in a parsonage may have a *Housing Exclusion*; a pastor living in
13 his/her own home may take advantage of a *Housing Exclusion* in addition to the
14 *Housing Allowance*. This can be accomplished by passing a resolution
15 designating an amount greater than the housing allowance listed on the
16 compensation package.
17

18 a. Section 107 of the IRC provides that: "In the case of a minister of the gospel,
19 gross income does not include: 1) the rental value of a home furnished as part
20 of compensation; or 2) the rental allowance paid as part of compensation, to
21 the extent used to rent or provide a home and to the extent such allowance
22 does not exceed the fair rental value of the home, including furnishings and
23 appurtenances such as a garage, plus the cost of utilities."
24

25 i. A "minister of the gospel" is defined as any duly ordained,
26 commissioned, or licensed minister of the church, who is performing
27 substantially all of the religious duties of his/her church or
28 denomination. The "fair rental value" is the annual amount for which
29 a similar **furnished** home in a similar neighborhood could be rented,
30 **including utilities**. This can be determined by formal or informal
31 appraisal by a realtor, or by comparing actual rents advertised for
32 similar homes in the community.
33

34 3. Below are some further guidelines regarding a Housing Exclusion:
35

36 a. The housing exclusion must be put in place by official church action before
37 payment is made to the pastor.
38

39 b. The housing exclusion recognized for tax purposes is limited to the lesser of :
40 i. The amount declared by the church.
41 ii. The actual amount spent to provide housing.
42 iii. The fair rental value as described above.
43

44 c. The housing exclusion may be paid in the same check as the pastor's salary
45 as long as it is identified on the stub accordingly. It may also be paid
46 separately.
47

48 d. Housing exclusion is not reported as part of gross income on the W-2.

- 1 e. It is the pastor's responsibility to account for the actual amount spent on
2 housing expenses to the IRS (not the church) if requested.
3
4 f. If the total expenses are less than the allowance paid, the pastor must
5 declare the excess as an addition to gross income.
6
7 g. If the total expenses are more than the pre-defined exclusion, they do not
8 qualify for the exclusion.
9
10 h. The housing exclusion may be used by the pastor to pay for most non-
11 personal type expenses incurred in providing or running a home (see list
12 below).

13
14 4. The following items are examples of expenses paid by the pastor that may qualify as
15 Housing Exclusion items, as applicable, and keeping in mind the limits above:

- 16
17 a. *Housing Expenses* such as: down payment on a home, mortgage payments,
18 home equity loan payments (if they are for home related expenses), real
19 estate taxes, property/renters insurance, utilities
20
21 b. *Repairs and Maintenance*: Structural repairs, remodeling, yard maintenance
22 and improvements, lawn equipment and repairs, pest control, trash pickup,
23 snow removal, tools, cleaning supplies
24
25 c. *Furniture and Decorating Accessories*: Appliances, TV/VCR, stereo,
26 furniture, drapes, pictures, rugs, linens, lamps, etc.
27

28 5. Sample Housing Allowance and/or Exclusion Resolution
29

30 **Whereas** Section 107 of the Internal Revenue Code of 1986 has provided that a minister of the
31 Gospel may exclude from gross income the rental value of a home provided and any allowance
32 to provide a home; and
33

34 **Whereas**, the Rev. _____ is a duly ordained, commissioned, or
35 licensed minister of the church, who is performing substantially all of the religious duties of the
36 church; and
37

38 **Whereas**, the _____ Church has established a gross salary for
39 the Rev. _____ in the amount of \$_____ for the period from
40 _____ to _____;
41

42
43 **Therefore be it resolved that:**

44 The use of the parsonage located at _____, plus all utilities, and
45 \$_____ of the above noted gross salary be provided to Rev. _____ to the
46 extent it is used to provide a home, and be considered to be a Clergy Housing Exclusion and
47 that said amount be excluded from reportable compensation under Section 107 of the IRC of
48 1986.

1 OR

2

3 \$_____ of the above noted gross salary be provided to Rev. _____ to the
4 extent it is used to provide a home, and be considered to be a Clergy Housing Exclusion and
5 that said amount excluded from reportable compensation under Section 107 of the IRC of 1986.

6 **Accountable Reimbursement Plans (Page 10-12):**

7

8 All remains the same with one additional point inserted under A. Policies and Budgeted
9 Amounts:

10

11 5. Within the Accountable Reimbursement Plan there shall be a designated amount for the
12 pastor's continuing education. If the amount is not fully used in the current fiscal year, a
13 pastor may request to roll over the remainder of the ARP Continuing Education amount
14 with an SPPRC approved plan for the use of the funds. This plan and specific amount is to
15 be reported to the local church/charge conference at year's end. No more than three
16 successive years of funding or \$2,000 (whichever is more) can be rolled over in this
17 manner. This maximum dollar amount should relate to full time clergy. The amount for
18 part time clergy shall be prorated. In the event of pastoral change the roll over amount
19 is forfeited.

20

21 **Benefits (Page 12-15):**

22 To be revised by Board of Pension & Health Benefits actions, if applicable.

23 **Time Off Policy (Page 15):**

24 Add:

25

G. Associate, provisional, or members in full connection may request family leave
26 through the Board of Ordained Ministry per ¶354.

27

H. Maternity or Paternity leave, not to exceed one fourth of a year, will be available
28 and shall be granted to any local pastor, provisional member, associate member,
29 or clergy member in full connection who so requests it per ¶356.

30 **Other Considerations (Pages 15-16):** No Changes

1 **Ministry Shares Budget**

2 **Proposed 2015 Ministry Share Budget**
3 **Compared to the 2014 Budget**
4

5 The Conference Council on Finance and Administration (CF&A) is proud to present our Proposed
6 2015 Ministry Share Budget for consideration and adoption by the Annual Conference. The
7 preparation of the budget began in the fall of 2014 with the distribution of budget worksheets and
8 compensation information to the various Conference ministry teams. Each team drafted and
9 submitted a preliminary budget request for their area. Conference staff worked with the teams to
10 compile the requests for review by Conference CF&A and Executive Staff. CF&A met with several
11 team leaders to review requests and ensure our plan for 2015 was clear and in alignment with the
12 Conference mission and strategies to make disciples of Jesus Christ for the transformation of the
13 world by equipping our local churches for ministry and by providing a connection for ministry
14 beyond the local church.
15

16 CF&A and the Conference Finance Ministry Team would like to acknowledge and thank all our team
17 leaders and staff for their dedicated efforts to create our 2015 Ministry Share Budget.
18 -----

19 Our 2015 Ministry Share Budget represents our primary operating plan for the Conference ministry
20 activities and participation in the global initiatives of The United Methodist Church. The 2015
21 budget totals \$10,340,438 compared to the 2014 budget of \$10,323,781, an increase of \$16,657.
22 The actual expenditures under the plan are dependent on the level of Ministry Share payments by
23 churches throughout the year. Approximately 53% of the 2015 budget goes toward fixed costs with
24 the balance available to support variable or discretionary costs. As in past years, the Conference will
25 develop a spending plan to monitor and control costs as 2015 unfolds.
26

27 **General Connectional Ministries** represent the Conference's apportionment determined by the
28 General Church to fund the broader initiatives of the denomination. The Conference's ability to pay
29 these apportionments is directly dependent on the level of Ministry Share payments by our
30 Churches. These apportionments are approximately 20% of our 2015 budget.
31

32 **Connectional Ministries** encompass the direct work of staff and team volunteers to:

- 33 • Empower, Resource, Support, Build and Connect with our congregations and members.
 - 34 • Identify, Train, Develop and Support leaders throughout the Conference.
 - 35 • Connect, Support and Aid our neighbors in the Conference that may be less fortunate.
- 36

37 **Ministerial Support's** primary focus is to teach, ordain, appoint, develop and support clergy to serve
38 in our churches and congregations. The work of the Episcopal Office, the Cabinet and our district
39 offices are funded under Ministerial Support.
40

41 **Administrative Ministries** include the Conference-level activities to manage the operations of the
42 Conference to enable and support the work of our staff and teams as they carry out our mission and
43 strategies.
44

45 **General Budget explanations and descriptions:**

- 46 • Staffing patterns in the Conference are expected to remain at similar levels as 2014 except
47 for the increase of Vital Congregations' staff to full time and the reduction of one position

1 on the benefits team. In addition, the budget was adjusted to reflect the shift of staff within
2 the operations (reference M on proposed 2015 budget).

- 3 • Staff compensation includes a pay increase of 2.1%.
- 4 • Medical insurance costs incorporate an estimated 5% increase over 2014 rates.
- 5 • Payroll taxes and employee benefits are at levels commensurate with compensation levels.
- 6 • Lease and property costs are budgeted consistent with current levels.

7
8 **Line Item Budget explanations and descriptions as labeled:**

- 9
- 10 A. General Church Apportionments are based on the actual amounts assessed for 2015.
 - 11
 - 12 B. The Connectional Ministries decrease represents the shift of funds to specific areas under
13 Congregations.
 - 14
 - 15 C. District Block Grants available for use by District Superintendents has been increased to
16 provide additional discretionary financial support within each district.
 - 17
 - 18 D. Hispanic/Latino and Young Adult Ministry funding has been separately identified to address
19 the needs in these emerging areas.
 - 20
 - 21 E. The Spiritual Formation MOT decrease represents the shift of funds to specific areas under
22 Leadership.
 - 23
 - 24 F. College Ministries' \$58,640 decrease reflects the adjustment of specific college grants to
25 more closely reflect actual 2014 levels.
 - 26
 - 27 G. Camp and Retreat Ministries is a foundational undertaking of the Conference to reach and
28 engage young people. CRM operates in six locations across the Conference with a total
29 budget of \$3.5 million. CRM revenue and expenses are expected to remain stable at 2014
30 levels. The increased allocation of Ministry Shares for 2015 represents an internal allocation
31 of insurance costs to CRM that were previously paid from other funds.
 - 32
 - 33 H. Board of Ordained Ministry increases reflect adjustments across a wide variety of expenses
34 to better align the budget with 2014 and 2013 expense levels.
 - 35
 - 36 I. The combined overall increase in Cabinet and District operations is the result of staff pay
37 and benefit increases for the year net of the cost reductions in various out-of-pocket
38 operating costs in each district.
 - 39
 - 40 J. Equitable Compensation has been reduced as a result of revisions to the method and
41 conditions for making EQ grants.
 - 42
 - 43 K. The 2015 budget added funds to establish a *Bishop's Crisis Response Fund* accessible by
44 Appointive Cabinet to address unforeseen critical clergy related circumstances.
 - 45
 - 46 L. Computer services' costs were increased for planned equipment upgrade purchases in
47 2015.

1 **Constitutionality and Powers of Paragraph 101 of the 2012 Book of Discipline**

2
3 *Book of Discipline* related Paragraphs: ¶31, ¶59, ¶60 and ¶101.
4 Conference Committee/Agency: None
5 Financial Implications: No

6
7 **Whereas**, ¶31 Article IV of the Constitution of The United Methodist Church outlines that
8 “powers and duties” of central conferences; and

9
10 **Whereas**, ¶59 Article I of the Constitution of The United Methodist Church outlines the
11 procedures for amending the Constitution; and

12
13 **Whereas**, ¶101 alters the “powers and duties” of central conferences by naming previously
14 adaptable sections of the *Book of Discipline* as now “not subject to adaptation” and thereby
15 effectively altering the Constitution of The United Methodist Church (¶39) ; and

16
17 **Whereas**, ¶101 was added to the 2012 *Book of Discipline* without any attempt to seek “the
18 ratification of the amendment by the required two-thirds affirmative vote of the aggregate
19 number of members of the several annual conferences present and voting” as required in ¶59
20 Article I; and

21
22 **Whereas**, the ¶101 states that “the Standing Committee on Central Conference Matters has
23 primary responsibility for proposing to General Conference revisions to this paragraph” (¶101)
24 implies a role of for this committee is a violation of the process for amending the Book of
25 Discipline and more specifically the Constitution of The United Methodist Church (¶60).

26
27 **Therefore be it resolved**, that the Upper New York Annual Conference refers this matter to the
28 Judicial Council for a declaratory decision as to the constitutionality and validity of ¶101 of the
29 2012 *Book of Discipline* and the powers it bestows on the Standing Committee on Central
30 Conferences.

1 **Clarification and Recommendation on ¶1806.9 of the 2012 Book of Discipline**

2
3 *Book of Discipline* related Paragraphs: ¶161F, ¶162J, ¶164A, ¶806.9
4 Conference Committee/Agency: None
5 Financial Implications: No (for the Annual Conference)
6

7 **Whereas**, ¶1806.9 of the *Book of Discipline* (BOD) states that the General Council on Finance and
8 Administration shall be responsible for “ensuring that no board, agency, committee,
9 commission, or council shall give United Methodist funds to any gay caucus or group, or
10 otherwise use such funds to promote the acceptance of homosexuality or violate the expressed
11 commitment of The United Methodist Church “not to reject or condemn lesbian and gay
12 members and friends” (¶161F);” and
13

14 **Whereas**, The Upper New York Annual Conference recognizes that the phrase “to promote the
15 acceptance of homosexuality” is so ambiguous that it can and often is interpreted by United
16 Methodists that they cannot be involved in ministries to and with Lesbian, Gay, Bisexual and
17 Transgendered people for fear that promoting the well being of those individuals might be seen
18 as “promoting the acceptance of homosexuality; and,
19

20 **Whereas**, a number of nations (like Russia, Nigeria and Uganda) have recently passed
21 criminalization laws which clearly violate the civil and human rights of LGBT persons and create
22 a climate of violence and persecution of this segment of the population; and,
23

24 **Whereas**, ¶162J of the BOD states: "Certain basic human rights and civil liberties are due all
25 persons. We are committed to supporting those rights and liberties for all persons, regardless
26 of sexual orientation;" and
27

28 **Whereas**, ¶164A in explaining those "Basic Freedoms and Human Rights" goes on to say that
29 "the mistreatment of or torture, and other cruel, inhumane, and degrading treatment or
30 punishment of persons by governments for any purpose violates Christian teaching and must be
31 condemned and/or opposed by Christians and churches wherever and whenever it occurs;" and
32

33 **Whereas**, the increased criminalization of LGBT persons has created a growing crisis in those
34 fleeing their homelands and seeking asylum in nations, like the United States, that provide
35 protections for sexual minorities; and
36

37 **Whereas**, there is a new and going organization called the Lesbian, Gay, Bisexual and
38 Transgender Faith Asylum Network (LGBT-FAN) that is working to coordinate faith leaders,
39 national political leaders and grass roots organizations that are trying to affect laws and support
40 systems for LGBT asylum seekers; and
41

42 **Whereas**, The United Methodist Church has existing organizations (like the General Board of
43 Global Ministries’ Justice for our Neighbors Program and the General Board of Church and
44 Society’s public advocacy work) that could greatly benefit these persecuted and harmed
45 neighbors who aspire to become citizens in nations that provide basic protections and hope for
46 a better life.

1 **Therefore be it resolved**, that the Upper New York Annual Conference instruct its conference
2 secretary to forward this petition to the General Secretaries of the General Conference on
3 Finance and Administration, the General Board of Global Ministries and the General Board of
4 Church and Society to ask each of them to clarify their views on the ambiguity of ¶1806.9 and
5 whether or not United Methodist Involvement in working with LGBT asylum seekers would be
6 considered a violation of this paragraph; and

7
8 Be it further resolved that their unedited responses will be posted on the Upper New York
9 Annual Conference website, so that we might become more educated and aware of how this
10 paragraph impacts our ministries as congregations and a denomination.

1 **Africa 360 Task Force Report**

2
3 After being "chartered" by Bishop Webb at the 2013 session of Annual Conference, the Africa 360
4 team set to work over the past year. The first step involved recruiting persons from around the
5 Conference to fill the new team - persons with an interest in and commitment to Africa, missions,
6 Africa University and *Imagine No Malaria*, along with persons skilled in publicity, planning,
7 communications and fundraising. We are grateful to all those who came on board to launch this new
8 venture in faith:

9
10 Shirley Byers Rev. Tiffany Steinwert
11 Rev. Jeff Childs Stephanie Threatte
12 Rev. Stuart Mitchell Ashley Van Sickle
13 Mark Adsit Rev. Adrienne Phillips
14 Rev. Colleen Preuninger

15
16 We are also grateful for guidance provided by a couple of resource persons: Jim Broschart, Vice
17 President for College Advancement, Hartwick College; and Sheri Altland, Campaign Director, *Imagine*
18 *No Malaria*.

19
20 From the start, the new task force found ready agreement and common cause around its core
21 purpose of rallying the Annual Conference behind two key initiatives: providing permanent, endowed
22 scholarships for students at Africa University, and joining the denomination's Global Health Initiative
23 aimed at eliminating malaria in sub-Saharan Africa.

24
25 As the task force's work began to take shape in terms of researching and preparing a fundraising
26 goal, strategy and timetable for consideration by the 2014 session of Annual Conference, it became
27 apparent that other entities in the Annual Conference were also beginning to identify other major
28 fundraising needs and possibilities.

29
30 As a result, the Africa 360 task force now brings to the Annual Conference a less defined but
31 expanded and more comprehensive proposal, aimed at raising significant funds for a multiplicity of
32 missional purposes (including *Imagine No Malaria* and Africa University) in a concerted and
33 complementary style. (See below.)

34
35 With the Conference's blessing, the Africa 360 team will continue its educational and promotional
36 efforts on behalf of both Africa University and *Imagine No Malaria*, while eagerly awaiting
37 Conference action on a potentially far wider ranging fundraising goal and plan. In doing so, we
38 recognize that we have as much to gain as to give, in partnership with the people, churches and
39 leaders of Africa.

1 **Africa University Task Force**

2
3 Africa University is grateful to the local congregations of the Upper New York Conference for their
4 investment in the Africa University Fund (AUF) apportionment in 2013! Overall giving to the AUF
5 reached 91.7% last year, the highest level of any of the general church funds; and a total of 25
6 annual conferences invested in the AUF at 100% or higher.

7
8 Local church giving to the AUF in the Upper New York Conference declined from 100% in 2012 to
9 57.67% in 2013. This 42.3% drop in giving resulted in a shortfall of \$15,501.

10
11 Africa University's ministry, which emphasizes impactful witness and service, cannot exist without
12 the generosity and prayers of the members of the Upper New York Conference. Thank you for your
13 gifts to the AUF and to the ongoing \$1 million conference-wide campaign to endow scholarships.
14 At Africa University, we see every gift, no matter its size, as vital and life-changing. As a community
15 — students, faculty, staff and trustees, we thank you and celebrate your commitment to this
16 visionary, connectional effort of The United Methodist Church.

17
18 **2013 Highlights:**

- 19
20
- 21 • Enrollment: Sustained by the steadfast investment of Annual Conferences of The United
22 Methodist Church, Africa University's enrollment grew to 1,480 full-time students from 25
23 African countries in 2013. Female students now account for 53% of that total enrollment.
 - 24 • Scholarships: Second-mile giving by individuals and churches enabled Africa University to
25 distribute more than \$1.8 million in scholarships and financial aid to its students. In
26 recognition of the particular challenges African women face in accessing higher education,
27 Africa University launched the Girl Child Scholarship Fund.
 - 28 • Through new initiatives that include a \$50 million Campaign for Endowment and outreach to
29 increase financial contributions from its alumni and others in Africa, the institution is working
30 towards greater sustainability.
 - 31 • Graduates: 450 students were awarded degree certificates in June 2013, growing the number
32 of Africa University graduates currently at work in communities to around 5,000. Every day,
33 these graduates manifest the promise and power of the Gospel to bring light and hope to a
34 troubled world.
 - 35 • Discipleship: In August, three 2013 graduates were commissioned as young adult
36 missionaries by the General Board of Global Ministries, pushing the total number of Africa
37 University alumni serving internationally as mission interns to seven in just two years.

38 Thank you, Upper New York, for helping to shape Africa University as a place where young people
39 discern their call and gifts, and become effective global leaders!

40
41 We pray that in 2014, you will return your investment in the AUF to the level of 100% of the asking
42 or higher. This will allow the university to meet its operational expenses without uncertainty, and
43 channel more support to orphans, refugees and other students with limited
44 financial means.

1 Please help Africa University to grow by:

- 2 • Encouraging your church to invest 100% of its asking in the Africa University Fund in 2014.
- 3 • Talking to your congregation about a second-mile gift to support one student each year.
- 4 • Contributing to UNY's \$1 million campaign for endowed scholarships which can support
- 5 students in perpetuity.
- 6 • Taking advantage of our new Dream Insurance program and donate all or a portion of the
- 7 proceeds of an affordable Term Life Insurance plan to Africa University.
- 8 • Including Africa University in your will when you make your estate plans.
- 9 • Praying for the ongoing success of this important effort to equip disciples who will shape the
- 10 future of their nations and of our global church.

11
12 Thank you and God bless you.

3 ***The Dream Is Alive!***

4 Africa University, a United Methodist-related institution – 1,480 students in 2013-2014
5 representing 25 African countries: ***learning – living – leading in Africa***. More than 5,000 graduates
6 ***living, leading, and healing*** in Africa and throughout the world.

7
8 Each year students are ***learning, living, and leading*** – recipients of the generosity of members of
9 local United Methodist Churches: Asbury in Rochester, Lee/Taberg, Central UMC in Endicott,
10 Northhampton, Cicero, University UMC in Syracuse, Forest Home Chapel; children giving pennies,
11 youth having fundraisers, adults tithing, seniors pledged to Planned Giving, members of churches
12 large and small have poured out their tithes and gifts that students, young adults and older adults
13 might study at Africa University to become educators, pastors, scientists, agriculturalists,
14 community health specialists, business administrators, business men and women, peacemakers
15 ***Learning , Living and Leading*** in Africa.

16
17 A 2013-2014 recommended reading book for United Methodist Women is a bonus book – counts
18 in two categories: Education for Mission, and Social Action. ***Why Africa Matters*** by Cedric Mayson
19 could well qualify in a third category: Spiritual Growth. The Africa that was before the coming of
20 the Europeans, lived in caring, supportive communities – where the community was the home, the
21 focus of life. This peaceful living in community was “Ubuntu.” Mayson would say that it is the Spirit
22 of Ubuntu that is alive in parts of Africa and that “Live Spirit” is ***Why Africa Matters***. Africa has this
23 gift to offer the world. Whatever Africa University offers their students, their homelands, if offered
24 in the true Ubuntu Spirit, real peace will come. ***Why Africa Matters*** has been part of the AUESF
25 Task Force studying and thinking.

26
27 A second force has been the use of ***Fundraising From the Heart*** offered as a webinar by the Henri
28 Nouwen Society and ***The Upper Room***. The second webinar in the series was ***Fundraising – the***
29 ***courage to ask***. As our Methodist friends and neighbors hear the AU story, they ***give*** because they
30 know their giving supports the Transformation of AU students who go forth to make a difference
31 on the continent of Africa. Our current two fully endowed scholarships will provide two years of
32 education each year forever more. Now it is two years of education, in ten years these two
33 endowed scholarships will have provided 20 years of education. Multiply that by our goal of at
34 least eight endowed scholarships per year... in 10 years that would be 80 years of education.

35
36 ***Reflect*** on the difference you are making in the lives of the students, their families, and, especially,
37 those for whom, with whom, and to whom these students exercise their new professions. Think of
38 the difference in health care where there has been little education in communities where schools
39 are minimally available; think of the growth in the spiritual lives of those who have not heard of
40 the saving love of Jesus, the Christ. Think of agriculturists and the natural resources professionals
41 and the differences they can make in the practices of agriculture, animal husbandry, and use of
42 natural resources to alleviate hunger and help to eradicate malaria. All that and more explains why
43 we give generously to the UNY Africa University Endowed Scholarship Fund.

1 **Archives and History, Commission on**

2
3 This year has been a soul-searching year for the Commission in looking forward toward our future.
4 The Commission has created the motto of “Preserving the Past, Informing the Future.” With this in
5 mind the commission feels as though they could better serve the Conference by having the three
6 archival locations under one roof, centrally located in the state. It would better serve the needs of
7 researchers, too. A letter was sent to Bishop Webb stating our needs. We asked to have the
8 Conference consider housing all three locations in a new Conference Center.

9
10 It is also noted that the old Western New York Archives that was located in Amherst, N.Y. has
11 moved to the University Church in Buffalo. We are currently renting the space in the church and
12 paying some of the utilities. The Commission authorized that the Rev. Matt Stengel, archivist of the
13 Western NY archival location in Buffalo, to start a pilot program using college students seeking
14 internship opportunities and other community service work to help him with the work at that
15 location.

16
17 It is also noted that Ray Leonard has resigned as Archivist for the North Central NY Archives and
18 there has not been a replacement found for him yet. The Saratoga area archives has been very
19 busy with research requests and processing of materials from closed churches. A letter was sent in
20 the spring to the District Superintendents from the Commission reminding them of their
21 responsibilities when a church closes and what to do with the records of such churches.

22
23 It is with great sadness that we report that the Rev. Charles Marks passed away this year. He was
24 instrumental in the old North Central Conference Commission on Archives and History and will be
25 greatly missed.

26
27 Ancestry.com has approached our Commission to do digitalization of church records. There are
28 several other Conference areas around the country that have agreed to do this and our Commission
29 is waiting to see how the other Conference areas make out with this. Digitalization is a future goal of
30 the Commission, but we need to have a centralized archive first before we start such a project.

31
32 The Commission had 11 members attend the Annual NEJ Commission on Archives in History
33 Meeting located in Portsmouth, NH, hosted by the New England Conference. This was held May
34 14-16, 2013. This was honoring the former New Hampshire Conference. We were visited by two
35 re-enactors who portrayed Bishop Asbury’s Visit and Fannie Crosby, the great hymn writer. There
36 was a bus tour that took the group to numerous Methodist historical sites, including Whitefield’s
37 Grave.

38
39 In recognition of the 150th Anniversary of the Civil War, this year’s Annual Conference Display was
40 about how clergy served as chaplains and other military clergy positions. This included clergy that
41 served from all four of the previous Conference areas.

42
43 Another goal the Commission has is to create a Historical Society and we have been contacting
44 other Conference areas about how their societies are set up. Nothing has been finalized as of yet.

45
46 Another goal the Commission had is to create a Pastor Grave Marking Program. This was finally put
47 into place near the end of this year. Now, all 12 Districts have three bronze grave markers at their

VI. REPORTS

1 offices for distribution by District Superintendents to the families of the deceased in recognition of
2 their service to the Conference. Ken Summers was instrumental in getting this program started by
3 contacting a foundry in Pennsylvania to make the marker and creating a system by which this can
4 flow and recognize our deceased pastors.

1 **Camp and Retreat Ministries (CRM), Committee on**

2
3 The following individuals have served CCRM throughout the past year: David Little, Chair; Carmen
4 Vianese, Vice Chair; Stephanie Henry, Ralph Marino, Steve Ranous, Don Schuessler, Steve Taylor,
5 Stuart Williams, Shafeegh Habeeb, Stacy Wickham, Lloyd Johnson, Valerie Clark, Kit Snyder,
6 Colleen Preuninger, and Judy Hipes

7
8 Mike Huber, director of camp and retreat ministries and Joan Newlon, executive assistant for camp
9 and retreat ministries, have faithfully and energetically served as staff liaisons to the committee.

10
11 Camp and Retreat Ministries serve a vital role in the life our conference and the Church. These
12 programs serve as opportunities to reach beyond traditional constituencies, to serve those outside
13 our usual focus, to invite in those who find little connection to the traditional weekly worship
14 service. CCRM continues to view the formation of the Upper New York Annual Conference and its
15 responsibility for six camp and retreat ministry sites as a tremendous and continuing opportunity
16 to create a ministry that is far greater than the sum of its former parts. We have successfully
17 moved past strict allegiances to individual histories at the various sites, to focus on the collective
18 work of this young, unified and powerful opportunity. We have spent the time to orient our
19 membership on the importance of unity and on the appropriate role of CCRM as a policymaking
20 body (differentiating between operations and governance, with the ever-present spirit of our
21 Creator, who inspires shapes and guides us toward sound stewardship and innovative
22 programming.) In this way, we hope to both support our local congregations and to expand
23 beyond them to reach a changing world that increasingly cries out for the welcoming, caring
24 community, the solace, solitude and familial love of God expressed through disciples of Jesus,
25 which these precious programs and places provide.

26
27 Our passion and devotion to this mission took a number of forms in the past year.

- 28
29 1. We worked with conference staff to accurately assess our financial condition, so that we
30 could begin the process of planning what might be possible, given our glorious properties
31 and incredible support of our conference, volunteers and donors. Beginning the year with
32 grave concerns about the accuracy and usability of financial information, we are now
33 confident that we are well on our way to working with accurate, timely and relevant
34 information. We are deeply appreciative of the difficult decisions that led to this vital step,
35 and wish to express our gratitude to all those who were and are involved in these decisions
36 and work.
37
38 2. We began the work of first recognizing the need, then selecting the professional help and
39 now doing the work of strategic planning. The work is arduous, but critically important. It is
40 fraught with the juxtaposition of concern for societal trends, financial support, and
41 maintenance of large property holdings with the hope and excitement that comes from
42 being provided the gifts of awe-inspiring facilities, sound (and now fully staffed) leadership
43 and the tremendous support of our conference. We have engaged the help of truly
44 committed and gifted professionals, as well as a cross section of visionary and committed
45 planners. We believe in the process in which we have been engaged and remain confident
46 that the end result will be a realistic but transformative ministry of profound proportions.

3. We established policies for the cohesive and unified operation of the several sites, (where appropriate), including policies for the training of volunteers, the use of personal vehicles and equipment on sites, the setting of rates and abuse prevention. We empowered a policy subcommittee to propose a working manual for the overarching work of CCRM and the programs and facilities in our care. In this work, we have relied on the proven approaches of similar but more experienced camping and retreat ministries in other conferences and denominations. That work has been productive and continues.

4. In the past year, CCRM has recognized the need and opportunity for managing the natural resources available at our several locations. We determined the immediate need for a forest-resource management plan. Modern forest management provides revenue and long-term improvement in the forests themselves. We have engaged a well-respected and thorough provider to develop a long-term management plan for all of our sites. In this, we are deeply grateful for the volunteer efforts of committed Christians working for this company (who have agreed to volunteer a great deal of work toward the completion of the plan.) CCRM is hopeful that well-managed natural resources will bolster both the health of our outdoor resources, as well as provide important revenue toward needed improvements and maintenance. This plan will be completed in 2014.

5. CCRM (working with and through our tremendous staff and the Conference Trustees and legal staff) has seen great progress in resolving long-standing real property issues. These include the demolition and removal of structures at Asbury, the negotiation and termination of long-term leases at Findley, the purchase of a director’s home at Asbury, the completion of work on the Casowasco Columbarium and the clarification of the relationship with the Silver Lake Institute.

6. We continue to be blessed by the dedication of donors. We are pleased that we have a centralized method of tracking and thanking these vital supporters. We are grateful not only for their generosity, but for the work of conference staff that support and encourage these vital donations.

As CCRM attempts to define the possibilities of ministry, we have been blessed by a lack of constraints. We have erased boundaries, dared to envision beyond our current practices and addressed current and future needs in equal measure. Beyond all else, we would report that the Spirit of God is alive and well in this area of ministry and in the hearts of those that support it. We are ever grateful for the strength of commitment of a conference and committee members who understand the vital relationship between Camp and Retreat Ministries and the ability of the Church to be present, relevant and influential in the lives we seek to reach on behalf of our Savior, Jesus.

Faithfully submitted,
David A. Little, Chair

1 **College Ministry Team**

2
3 The Upper New York Conference's College Ministry Team accomplished many things in 2013. The
4 thing that we are most excited about is that we have a new Syracuse University Chaplain, the Rev.
5 Colleen Preuninger who brings an excitement and passion for young adults to this chaplaincy. We
6 expect that our ties between Syracuse University, a United Methodist-related university, and the
7 Upper New York Conference will continue to be strengthened in the upcoming year under the
8 leadership of Rev. Preuninger.

9
10 We also continued to award scholarships for college-bound students attending United Methodist-
11 related colleges and universities (The Conference Merit Award) and for those who are going to
12 school for some form of Christian vocation (The Lottie Brown Grant). Big changes are coming in
13 2014 as the Merit Scholarship will now be determined by the General Board of Higher Education
14 and Campus Ministry with our input. The Bulson Loan is for students looking for a lower fixed-
15 interest loan. Other scholarships, loans and grants that were present in the four former
16 conferences are being looked at so we might be able to offer even more support to college
17 students in 2015. Our scholarship recipients for the 2013-2014 year are: Mikaela Thomas, Kristie
18 Mosher and Michael Christie for the Merit Scholarship; Kathleen Emmons, Gracie Besse and David
19 Stevens for the Lottie Brown Scholarship, and Marleah Roseman, Erik Panna, Joelle Orecki and
20 Abraham Shippee for the Bulson Loan.

21
22 We had hoped to be able in 2014, offer a \$1,000 scholarship to a student regardless of their major
23 or college's denominational affiliation. We even had budgeted for this scholarship. However, the
24 reality that not every line in the budget gets fully funded (due to a lack of churches paying their full
25 Ministry Shares) made it impossible for us to actually award a scholarship for the full amount
26 because of lack of actual money received through Ministry Shares. I would encourage each local
27 church to do its best to pay its Ministry Shares in full, so that in the future we may award many
28 more scholarships to deserving United Methodist students.

29
30 The third emphasis in 2013 was to award money to the Campus Ministries throughout our
31 Conference's geographical boundaries. We are currently supporting 10 campus ministries. One is
32 the chaplaincy at Syracuse University. Another is the Geneseo Wesley Foundation. The other eight
33 are ecumenical campus ministries, some led by United Methodist Chaplains and others by different
34 denominations. We did a difficult job of evaluating the campus ministries rather than just awarding
35 what we had given them in previous years.

36
37 Many thanks to Rev. Darryl Barrow, Rev. Lamar Claypool, Peter Crichton, Rev. Bill Gottschalk-
38 Fielding, Stephanie Henry, Ellen Lacey, Aaron Millard, Mary Jean Simonin, Dorothy Stetson, and
39 especially to our Administrative Assistant Cherish McGowan for their hard work this past year.

41 Blessings, Rev. Megan Stowe

1 **Communications Commission**

2
3 This has been a year of change and growth for Communications in the Upper New York
4 Conference. It was a year that saw the challenges of leadership changes, but also saw the rewards
5 of new ideas and new approaches to old tasks. In the end it a very solid foundation has started to
6 be formed for future growth.

7
8 As the spring of 2013 approached in Upper New York it was announced that Rev. Maidstone
9 Mulenga would be leaving the position of Director of Communications to take a position in the
10 Baltimore- Washington Conference. This initiated an exhaustive search for the next Director of
11 Communications for the Upper New York Conference that would take months to complete. It was
12 also decided to put the work of the Committee on Communications on hiatus until the leadership
13 vacuum was filled.

14
15 This was a challenging time, but the Upper New York Conference Communications staff really rose
16 to the occasion. During this time, no regular communications were suspended and no unexpected
17 communications issues went unaddressed. In June, it was finally announced that the search
18 committee had identified who they believed the perfect candidate was, and the then Desert
19 Southwest Conference Director of Communications, Stephen J. Hustedt, would be coming to the
20 Upper New York Conference to fill the vacant position on Aug. 1.

21
22 Hustedt had seven years of experience as Director of Communications in the Desert Southwest
23 Conference and six years of experience as the Conference Writer/Editor for the Illinois Great Rivers
24 Conference prior to that. Most importantly he had a proven track record of telling the story of The
25 United Methodist Church in new, exciting and innovative ways. Quickly, new communications
26 channels began to launch and old channels began to be revised.

27
28 In September, Upper New York Conference Communications launched *UNY Notes*, simple text
29 emails that are perfect for quick updates and forwarding on to the leaders who most need to see
30 them. *UNY Notes* is targeted by topic so recipients can choose the topics they receive immediate
31 updates on.

32 At the same time the new *E-Advocate* launched featuring photos, an easy to read layout, and a
33 much more visually pleasing design. All *UNY Notes* also run in the weekly *E-Advocate* so any topics
34 individuals choose not to get immediate updates on can be learned about in the *E-Advocate*.

35
36 In the fall of 2013, recipients of the print *Advocate* also saw improvements to the layout and
37 design culminating in a drastically different format launching in December. The new *Advocate*
38 focuses heavily on design and many of the articles have begun to shift to features that tell the
39 story of the ministry of the churches of the Upper New York Conference rather than traditional
40 news, which is shared in other ways. The *Advocate* will continue to evolve in the spring with a
41 move to booklet format that will allow for more creative design and storytelling. In the summer
42 and fall of 2014 a full study of the print *Advocate* will be undertaken in an attempt to create the
43 best possible tool for sharing the story of United Methodists in Upper New York with ourselves and
44 the world.

45
46 In the fall of 2013, there was also a new focus on social media. Bishop Mark J. Webb led the way as
47 he began regularly tweeting starting in early December. Plans were also created and launched to

1 use Facebook much more creatively and begin “Conference-wide conversations” through blogs
2 and other social media.

3
4 Work on a new Conference website also began in the fall of 2013 culminating with receiving
5 conference-wide feedback and entering the design phase in the winter and spring of 2014. The
6 plan is to have a preview of the new conference website available in time for Annual Conference
7 and to fully launch the new website over the summer.

8
9 The winter and spring of 2014 also saw the activation of the new Upper New York Conference
10 Communications Commission. Phil Phaneuf was named chair of the Communications Commission,
11 and the initial informational meeting was set for March 15. The new commission will focus on
12 visioning around how the Upper New York Conference will tell its story in the future and serve as a
13 pool of volunteer communicators. The day-to-day work and operations of Upper New York
14 Conference communications will be the responsibility of staff.

15
16 While the year saw many challenges, the future for Communications in the Upper New York
17 Conference looks very bright. As the foundation that has been set continues to be built upon, new
18 and exciting ways of telling the story will continue to spring forth. As the story is shared, lives will
19 be changed and the world will begin to be transformed. That’s the amazing power of sharing our
20 story.

1 **Conference Leadership Team**

2
3 The Conference Leadership Team is charged to help the Annual Conference remain faithful to its
4 mission and vision, and to be the group that makes time-sensitive decisions between sessions of
5 Annual Conference. Having been at this work since the founding of the conference, it seemed
6 appropriate in 2013 for the team to spend significant time reviewing, renewing and reclaiming its
7 primary purpose as a vision-casting team. Using various resources, such as our conference's
8 *.Vision, Purpose and Core Values* statement and Patrick Lencioni's book *Five Dysfunctions of a*
9 *Team*, the team spent time at each meeting in 2013 discussing its purpose and work.

10
11 The Conference Leadership Team also engaged in significant conversation with the Extended
12 Cabinet, seeking to foster a spirit of collegiality and collaboration between these two key
13 leadership areas. At the first Conference Leadership Team/Extended Cabinet meeting, participants
14 wrestled with some basic relationship questions:

- 15
16
- 17 • How have we experienced our work together?
 - 18 • Where have there been tensions?
 - 19 • Where the most fruitful places for collaboration lie?
 - 20 • What are the next steps we need to take on the basis of this conversation

21 The conversation was helpful, and it was agreed these two teams would meet again in the fall of
22 2013, which they did. It was also decided that adding additional members would help establish
23 important communication links between conference leaders and the conference as a whole.
24 Consequently, the Conference Leadership Team submitted a recommendation to the Annual
25 Conference in 2013 to add several *ex officio* members to the team: two District Superintendents
26 and the Director of Communications. This recommendation was adopted by the Annual
27 Conference and these persons became official members of the Conference Leadership Team
28 effective July 1, 2013.

29
30 With the addition of the Director of Communications to the team, a regular feature of each
31 meeting became deciding "what should we share with the conference?" Several articles and
32 "e-notes" resulted from this practice, each aiming at keeping the conference aware of the
33 conversations, questions and decisions undertaken by the Conference Leadership Team.

34
35 The Conference Leadership Team also continued the work of developing its Ministry Oversight
36 Teams (MOT) so as to facilitate the equipping and evaluation of ministry action teams
37 (committees, boards and agencies) and short-term initiatives and projects. The Reaching Our
38 Neighbors Ministry Oversight Team (RON MOT) in particular, under the able leadership of Susan
39 Hardy, emerged with impressive strength and impact in 2013. The hope is to learn from RON
40 MOT's success and replicate it for the other two MOTs (focused on Leadership and Congregations).

41
42 Looking forward to the year ahead, the Conference Leadership Team anticipates much of its work
43 will revolve around the vision and tasks outlined in the *Living into the Future* mission map. As the
44 team tasked to "discern, deliberate and articulate the desired outcomes based on the Conference
45 mission, vision and core values," the mission-map will provide an invaluable guide and resource to
46 its work. As with previous years, the team experienced several changes in its leadership over the
47 course of the past year. It has welcomed new members (Cathy Hall Stengel, Bill Mudge, Steve

1 **Episcopacy, Committee on the**

2

3 The Conference Committee on Episcopacy over the course of this conference year has worked with
4 the Episcopacy Residence Committee to ensure the up keep of the episcopal residence. We have
5 met with Bishop Webb, worked to support his ministry in the Upper New York Annual Conference
6 and his commitments in the General Church. We have also helped to show hospitality and care to
7 Bishop Webb and his family on behalf of our annual conference.

8

9 In the year to come, we plan to support Bishop Webb and his continued ministry in the Upper New
10 York Annual Conference, the General Church, and fulfill our responsibilities as explained in the
11 2012 *Book of Discipline*. We ask that you would join us in holding our Resident Bishop, Mark J.
12 Webb, and his family in prayer throughout the coming conference year as we join in ministry
13 together and continue on this journey of ministry together.

1 **Equitable Compensation, Commission of**

2
3 The Commission on Equitable Compensation continues to assess the issues and needs of the
4 Annual Conference regarding clergy compensation and related areas. Communicating with the
5 Cabinet and other conference teams, we have worked collaboratively in developing policies and
6 finding solutions that are equitable.

7
8 Compensation grants covering two periods were awarded in 2013. For the period covering July
9 through December 2013, the CEC awarded more than \$165,000 to 35 churches. Grants awarded
10 for the first six months of 2014 totaled \$138,000, distributed among 27 churches. The CEC also
11 made \$24,000 available to the Cabinet for the period July 1, 2013-June 30, 2014 in order to
12 facilitate the making of appointments.

13
14 The CEC was charged by the 2013 Annual Conference to recommend parsonage and housing
15 allowance guidelines. Thanks to the work that the Task Force on Clergy Compensation completed
16 prior to the formation of the Upper New York Annual Conference, a policy was already in place.
17 The CEC took this opportunity to review the policy and make changes that we believe make it
18 better. These changes can be found in the resolutions that will be acted upon at Annual
19 Conference.

20
21 In examining our minimum compensation policies, a concern arose around the years of service
22 increment and the relatively small spread between clergy just entering the ministry and those who
23 have been faithfully serving the Conference for many years. The CEC has submitted a resolution
24 that begins to address that concern by increasing the formula for 2015. The intent is to
25 incrementally increase the years of service calculation until it attains 1% of minimum salary for up
26 to 25 years of service.

27
28 In concluding, I would like to thank the members of the CEC who have given their time and
29 dedication to our work:

- 30
31 The Rev. Sung Ho Lee Terry Wilbert
32 The Rev. Ray Noell Betsy Croft
33 The Rev. Bill Pattison The Rev. Carmen Perry
34 Vicki Putney The Rev. Lauren Swanson
35 The Rev. Patience Kisakye The Rev. Bob Kolvik-Campbell
36 Carol Gallagher

37
38 And I would be remiss if I did not mention conference staff person, Debi Marshall, who has been
39 invaluable to our committee.

40
41 Grace and Peace,

45 The Rev. Wilson S. Jones, Chair
46 Commission on Equitable Compensation

1 **Finance and Administration, Council on Report**

2
3 This past year has been filled with changes and challenges, some old and some new. Since last we
4 gathered in Syracuse, your Council on Finance and Administration (CF&A) aided in the search for,
5 recommended, and welcomed Kevin Domanico as Treasurer of the Upper New York Conference.
6 Together we have begun the work necessary to develop financial policies for the stewardship of
7 Ministry Shares and the finances of the UNYAC.

8
9 We now have financial reporting tools to aid us in monitoring the needs of the various ministries
10 that are dependent on your Ministry Shares for support. This endeavor required the gifts and
11 graces of many. With this in mind, we extend our sincere thank you to Kevin Domanico and the
12 finance staff for their continued excellent work for the Conference.

13
14 Additionally, I would like to offer a gracious “thank you” to all the members of CF&A for their
15 service and ministry; without their work, our task would be insurmountable.
16 Additionally, we convey blessings and “well done” to all the churches that faithfully participated in
17 the connectional ministry and paid 100% of their Ministry Shares. CF&A also conveys blessings and
18 sincere appreciation to the many churches that made difficult financial decisions over the past year
19 and supported their Ministry Shares as best as they were able. Thanks be to God for all you have
20 done.

21
22 While we are extremely thankful, we are aware there is more stewardship work to be done across
23 the connection. The goal for 2013 was 100% participation by local churches in the connection
24 through 100% payment of Ministry Shares asked for in 2013. Approximately 60% (599 churches)
25 were able to find a way to pay their Ministry Shares in full. The net result overall was 77.06% of
26 Ministry Shares asked for were received. Unfortunately, this meant that we, as the Upper New
27 York Conference, were not able to pay the General Church apportionments at 100%.

28
29 We understand that sometimes circumstances prevent 100% participation. We also believe that
30 lack of clear understanding of what is funded by your Ministry Shares may lead to less than 100%
31 participation. We firmly believe that when the people of God see and understand the needs, they
32 respond.

33
34 Therefore, one of CF&A’s goals moving forward is to continue to provide you with concise
35 explanations of what your Ministry Shares support. The hope is that this will provide clarity on
36 what Ministry Shares represent for us living out our purpose as United Methodist Christians: Our
37 purpose is to make disciples of Jesus Christ for the transformation of the world.
38 We will continue efforts to develop resources for the local church at the district level to help
39 answer your questions. We continue to build stronger collaborative relationships with Conference
40 Communications and Conference Trustees to better identify, define, and communicate ministry
41 needs and resources.

42
43 CF&A has worked hard to be good stewards of the financial resources of the Upper New York
44 Conference. Collaborative efforts with Conference ministry teams have resulted in a proposed
45 2015 Annual Conference budget of \$10,340,438. This represents an increase over the 2014 budget
46 of \$10,323,781 of \$16,657 or 0.2%. We believe this is as accurate a representation of the finances
47 needed to fund ministries locally and around the world as we are able to provide.

VI. REPORTS

1 This may appear to be a daunting number, but, remember, we are not alone; God is with us. We
2 are a connectional people of over 182,000 members in the UNYAC. We as a Conference have an
3 opportunity and an obligation to lead by example. We are blessed with a diversity of gifted and
4 talented people who have demonstrated that with God's help nothing is impossible and have
5 overcome all sorts of obstacles. We are God's people called to share in accordance with the
6 example given of the early church community, *"All the believers were together and had everything*
7 *in common. They sold property and possessions to give to anyone who had need. Every day they*
8 *continued to meet together in the temple courts. They broke bread in their homes and ate together*
9 *with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord*
10 *added to their number daily those who were being saved."* (Acts 2 43-47 NIV)

11
12 We want to point out that these Conference materials include our internally prepared 2010, 2011
13 and 2012 financial statements (beginning on page 134). The audited version of these statements is
14 expected to be completed over the upcoming weeks.

15
16 The ministry of CF&A across the Conference is to faithfully and prayerfully strengthen the
17 stewardship of our financial resources in order to provide for the financial support of our ministries
18 here and around the world. These ministry opportunities are the future of our Church. This will not
19 be easy, but we do not labor alone; we are connected as United

20
21 Methodists and as Christians. Together we seek to discern the word of hope God speaks to us as
22 the Church and God's people. May we all be strengthened in the knowledge that the Lord will
23 provide. Yours in Christ's service,

39 **Missionaries:** At annual conference we hope to have at least three missionaries present for people
40 to meet and talk with including our newest one from this conference, Sarah Mudge.

43
44 We have also scheduled to have with us again our Northeast Jurisdiction Missionary in Residence,
45 Ron Whitlatch – [http://www.umcmmission.org/Explore-Our-Work/Missionaries-in-](http://www.umcmmission.org/Explore-Our-Work/Missionaries-in-Service/Missionary-Profiles/Whitlatch-Ronald)
46 [Service/Missionary-Profiles/Whitlatch-Ronald](http://www.umcmmission.org/Explore-Our-Work/Missionaries-in-Service/Missionary-Profiles/Whitlatch-Ronald)

1 And we plan to have with us the only missionary currently serving in our area, Olga Gonzalez-
2 Santiago [http://www.umcmision.org/Explore-Our-Work/Missionaries-in-Service/Missionary-
4 Profiles/Gonzalez-Santiago-Olga](http://www.umcmision.org/Explore-Our-Work/Missionaries-in-Service/Missionary-
3 Profiles/Gonzalez-Santiago-Olga)

5 At our winter meeting we convened an interview team to meet with a candidate to become a
6 missionary, Sung Ah Choi from Calvary UMC in Latham, NY (Albany District) and have approved her
7 to be interviewed by the General Board of Global Ministries. We are hopeful that more people will
8 hear God’s call to become missionaries and come and meet with us to begin the process.
9

10 **Love Offering:** Following the action of last annual conference, this year we will be taking the first
11 conference-wide “LOVE Offering.” With the idea of spreading our love near and far we have
12 selected ministries that serve our neighbors locally, nationally and globally. Given the profound
13 notion of John Wesley’s that, “the world is [our] parish” we see that some of the ministries we
14 think of as local or national do have ripple effects that spread the love and good news of Jesus
15 Christ around the world. The foci for this year’s offering will be to locally support the missions of
16 our annual conference through the Conference Advance Specials and other missions who apply for
17 grants from the Reaching Our Neighbors Ministry Oversight Team. As an action of annual
18 conference last year, some funding was secured to begin this process of supporting missions, and
19 this portion of the offering will increase the funding available for these grants.
20

21 Nationally, we will support the **StopHungerNow** ministry based in Raleigh, North Carolina for
22 support, once we heard they would be able to bring their food preparing and packaging operation
23 to annual conference for us to be able to have a hands-on opportunity for missions this year.
24 *StopHungerNow* provides prepackaged food for distribution nationally following natural disasters,
25 and globally, where ever people are hungry.
26

27 Globally we will affirm the work being done by the Africa University Endowed Scholarship Task
28 Force to help our conference raise 1 million dollars to permanently endow eight scholarships for
29 students attending Africa University.

1 **Laity Report, Board of**

2
3 Your Upper New York Annual Conference Board of Laity is focused on the mission of making
4 disciples of Jesus Christ for the transformation of the world. Our energy has been focused on
5 empowering laity to live this mission through the ministry of vital local congregations. Four of the
6 16 drivers of vital congregations focus on laity, but laity have roles to play in all of the drivers of
7 vital congregations. By increasing the effectiveness of lay leaders, deepening the discipleship of all
8 people in our faith communities, worshiping authentically, and partnering effectively with our
9 clergy, everyone in a congregation can share the love and word of Jesus Christ with those who
10 don't know Him. Since our last Annual Conference session the Board of Laity has focused on having
11 conversations about how to do this with sisters and brothers throughout the conference. We
12 celebrate the many churches who have engaged the *Hand to Plow* process. Still, for those who are
13 not yet sure whether they are called to that journey, these conversations can explain and improve
14 vitality. We've conducted workshops the Adirondack, Binghamton, and Niagara Frontier districts,
15 and our brothers and sisters in Vital Congregations conducted workshops for the Genesee Valley
16 and Finger Lakes districts.

17
18 Scott and Patti (Pierlioni – the Finger Lakes District Lay Leader) attended the Northeastern
19 Jurisdiction Board of Laity gathering in workshop in Philadelphia in October. This gathering
20 welcomed conference lay leaders and district lay leaders from all conferences in the jurisdiction.
21 Our focus was how our ministry connected the work of the general church and annual conference
22 to the local church. This time of fellowship and learning is always a blessing as we can share the
23 strengths and successes of Upper New York and learn from our brothers and sisters in the
24 connection.

25
26 In 2013, the Board welcomed Drew Griffin, Bob Briggs, Mark Jones, and Anna Buell to new
27 ministries with the board; and we thank David Black and Yvonne Brown for sharing their gifts with
28 us as they move to serve Christ in different ways. As we look to the future we will continue this
29 work. It's our goal to have more of these conversations in all of the districts of the conference, not
30 only to introduce the ministry to those who are not yet familiar, but to work with those who are
31 trying new things and learn from those who are addressing new challenges.

32
33 In 2015 we will emphasize building more effective lay-clergy partnerships. All disciples are involved
34 in this ministry and no matter our gifts or call or passion we each contribute to it in our
35 own in the way God sees fit.

1 **Lay Servant Ministries**

2
3 The Conference Lay Servant Ministries team (LSM team), consisting of the currently serving
4 Conference Director of Lay Servant Ministries (Carmen FS Vianese) and all 13 currently serving
5 District Directors and/or Co-Directors from the UNY Conference's 12 districts, have been diligently
6 supporting and educating the laity and clergy of the conference on the *Book of Discipline* changes per
7 the 2012 General Conference.

8
9 We continue to struggle with misinterpretation and misunderstandings of the guidelines and
10 definitions. However, we are determined to help those throughout our conference to fully
11 understand and move forward in their continued service through lay servant ministry.

12
13 The UNY Conference LSM team is pleased that we are now at the point of certification in this new
14 process, where the Conference LSM team can consider and approve/endorse the lay speaker portion
15 of being a Lay Servant. The endorsement of the Certified Lay Servant's ability to also hold the
16 additional title of "Lay Speaker" begins this year. Some of our laity in service have been able to
17 complete the six approved courses of training, as well as complete the interview process with their
18 district's LSM Director and LSM teams. Now, their names can be brought forward to the Conference
19 LSM team for recognition and to receive letters of approval and endorsement as a Lay Servant – Lay
20 Speaker by this body and Conference Director Vianese at our Annual meeting in September 2014.

21
22 We encourage you to view the UNY Conference website to find upcoming LSM courses in your
23 districts or near-by districts for continued training and education options, as well as use the online
24 accredited courses of BeADisciple.com. Please remember, you must complete training at least every
25 three years to remain in good standing as a Lay Servant, in addition to completing an Annual Report
26 EVERY year for approval at your church's charge conference (for submission to your DS and District
27 LSM Team).

28
29 *Please ONLY USE the most current form when submitting your Annual reports (i.e.: the Report
30 MUST be the one for 2014, this year). The form can be found on the conference website or at your
31 district office; all other un-used forms/old forms from previous years should be recycled/destroyed.

32
33 We would like to extend our gratitude to all of you for your patience during this process of learning
34 and growing, as we all strive to answer our calls of leadership and service for our Lord through the
35 ministries of The United Methodist Church and the Upper New York Conference.

36
37 It continues to be a blessing to serve all of you! Please do not hesitate to contact me or the District
38 Directors of Lay Servant Ministries with your questions, concerns, and ministry needs.

1 **Native American Ministries (CONAM), Committee On**

2
3 The Committee on Native American Ministries is blessed to be working in close relationship with
4 Bishop Webb and the District Superintendents, as well as the staff of the conference center. Due to
5 this commitment to the work of advocating for Native peoples, CONAM has had a very fruitful and
6 active year in ministry.
7

8 After General Conference 2012 held the *Service of Repentance & Healing Relationships with*
9 *Indigenous Persons*, all conferences were charged with the task of holding their own Act of
10 Repentance service before GC 2016. During the interim period all conferences are expected to bring
11 the Act of Repentance (AOR) study guide to the local churches, to engage in conversation about the
12 realities of Native peoples' lives, both today and historically.
13

14 With all this work ahead of us, a CONAM team met with Bishop Webb and Rev. Gottschalk-Fielding in
15 March. Plans were made for a two- hour presentation to the Cabinet, training sessions to be held in
16 each district and a presentation and workshops to be held at Annual Conference. Upper New York's
17 own Act of Repentance service is planned for AC 2015.
18

19 We were honored to be the *order of the day* for our presentation at Annual Conference 2013. The
20 presentation, about the Act of Repentance service held at General Conference, 2012, was explained
21 by Blenda Smith, who was an instrumental member of GCCUIC, which researched the original work
22 for AOR at GC 2012. A part of the presentation was a gift to Bishop Webb, a framed print by Oren
23 Lyons, Onondaga, titled *The White Pine Tree of Peace*. CONAM prepared a packet of material, and
24 the conference staff made 800 copies of the General Conference Act of Repentance service DVD
25 along with the study guide DVD. This was given out in a packet at Annual Conference to each local
26 church of the conference.
27

28 CONAM organized into three sub-teams in order to accomplish the many necessary tasks we faced in
29 2013. The Education team, with leader Thom White Wolf Fassett, dealt with preparing the needed
30 materials for trainings. The team met numerous times over the summer to plan for the upcoming
31 *Learning Sessions* to be held in each district. The core material of the *Learning Sessions* is to be the
32 Act of Repentance study guide that each local church was given.
33

34 The Awareness team, with leader Kae Wilbert, is dealing with short, informational mailings. We
35 organized the contact information from the Local Church Representatives onto a mass emailing
36 system called MailChimp. Of the 937 churches in our conference 345 have representatives to
37 CONAM. These people have received numerous mailings through Mailchimp as well as paper
38 mailings. This is an important tool as we move forward into 2014 and will be advertising the *Learning*
39 *Sessions* for the Act of Repentance study guide.
40

41 The Advocacy team, with leader Don Washburn, brought information about many events in Indian
42 Country, particularly the Haudenosaunee (Iroquois) people to the Local Church Representatives
43 through Mailchimp. They also keep CONAM informed about issues that are important for us. Of
44 particular importance in 2013 was the *Two Row Wampum Campaign*, which received a donation
45 from CONAM.

1 **Trainings**

2 Two CONAM members, Don Washburn and Sue Crawson-Brizzolara attended the *Quadrennial*
3 *Training* in Tennessee with many other conference members. Tamara Manker Gates and Nanette
4 Helgager attended the *Cook Native American Mission Workshop* in New Mexico. Bethany Printup-
5 Davis and Kae Wilbert attended the *Native American Comprehensive Plan's CONAM Gathering* in
6 Kansas. Three CONAM members, Kae Wilbert, Sharon Schmit and Doug Mackey, attended the *NEJ*
7 *CONAM annual meeting* at Drew University in New Jersey. Sue Crawson-Brizzolara attended *Shaping*
8 *Faith* Symposium in Toronto. Bethany Printup-Davis attended *Exploration 2013* in Denver to support
9 her path of discernment towards ministry. We find that it is vitally important to connect with other
10 Native American United Methodists throughout the denomination through the trainings and
11 meetings we attend. This continually strengthens our own ministry work in the Upper New York
12 Conference.

13
14 **Grants**

15 CONAM money received from Native American Ministries Sunday has been dispersed through
16 several grants. The Native American Cultural Center of Rochester received a grant to fund an Elders'
17 luncheon and gathering program. The Gathering at the Heart of Niagara Task Force received money
18 to help fund a cultural gathering at Goat Island in Niagara Falls. The Hogansburg United Methodist
19 Church received funding for *Help Hands*, a youth program and elder support program.

20
21 CONAM strives to be in support of the ministries of the three reservation UMCs: Hogansburg, Four
22 Corners and Onondaga Nation, as well as the Onondaga Van ministry.

23
24 **Youth Conference**

25 CONAM was asked to present workshops at the Conference Council on Youth Ministries UP!WORD
26 gathering held in April in Liverpool. Six CONAM members prepared and presented information about
27 Native Peoples' lives past and present, paying particular attention to learned stereotypes and how
28 they can be hurtful, how to recognize them and how to change your thinking. Sharon Schmit
29 entertained us all with her gifted storytelling.

30
31 **District Trainings**

32 The majority of CONAM's work this year has been to prepare for the District training events called
33 *Learning Sessions* that will take place in each district throughout 2013. It is CONAM's hope that the
34 local churches will take the Act of Repentance seriously, and prepare in each church by sending a
35 Local Church Representative to the training and follow through with the AOR study guide holding
36 small-group sessions in preparation for UNY Service of Repentance & Healing Relationships with
37 Indigenous Persons in 2015.

1 **New Faith Communities Team**

2 The purpose of the New Faith Communities Team(s) is to nurture a planting culture and movement
3 in the Upper New York Conference. Our goal is to plant 100 new faith communities in the next few
4 years, all of which will be focused on creating new places for new people that effectively make
5 disciples of Jesus Christ. To do this, we have been focused on building a system to support a five-
6 step process to move people from dreamers to planters of new places.

7
8 The five-step process can be remembered with the acronym T.I.D.E.S.:

- 9
10 1. **Telling the Story** of God's Work already taking place around the Annual Conference as
11 people find new ways of connecting with new people.
12
13 2. **Identifying Potential Planters and Plans...** our eyes and ears are tuned to find the people
14 God is gifting for planting, as well as the plans to reach and the strategies to use to reach the
15 people we are not already reaching.
16
17 3. **Discerning and Developing...** this is a spiritual process that takes time! We are seeking to
18 assess giftedness and readiness of planters, as well as to provide space and process for
19 dreams to be developed into strategic plans
20
21 4. **Equipping...** this involves giving planters four primary resources they will need to thrive as
22 they seek to live into their plan: a coach, planter-specific training, needed funding, and peer
23 groups for support and learning.
24
25 5. **Sending...** launching new faith communities into our territory that will connect with new
26 people and invite them on a discipleship adventure with us as we all seek to follow Jesus and
27 transform our world together!

28
29 For this year, we have been building eight teams to help guide new planters and their dreams
30 through this five-step process:

- 31
32 1. **The Story-Telling Team...** the Communications staff of our Conference forms the backbone
33 and brains of this team. God is doing amazing things, and they are seeking to tell the story for
34 all to hear!
35
36 2. **The Recruiting and Assessing Team...** focused on developing processes for finding new
37 planters and creating a retreat experience that helps everyone do two things: to assess in
38 what ways each person best fits in a planting team, AND space for people to develop their
39 plans in community.
40
41 3. **Coaching Team...** working to build a network of trained, Conference-approved coaches to be
42 deployed as coaches for planters and *Hand to Plow* leaders.

43
44 **Planter Peer Group Team...** developing peer support groups around the Conference for each
45 planter to participate in, led by Spiritual Directors.

VI. REPORTS

- 1 4. **Grant Processing Team**... developing a process for receiving grant applications from planting
2 teams twice a year, making decisions regarding grants, and developing partnerships with
3 planting teams.
4
- 5 5. **Fund Raising Team**... focused on developing a plan for raising funds for long-term planting
6 work in our Conference.
7
- 8 6. **Academy Team**... building a holistic training program to equip planters for their unique work
9 of building teams for planting new places for new people.
10
- 11 7. **Balcony Team**...a team that will meet bi-annually with the Director of New Faith
12 Communities to consider the 30,000-foot high perspective, asking the question: "Are we
13 making new disciples through our new faith communities?"
14

15 These teams are in various stages of development and activity. All of them have made
16 contributions to the movement this year. The Coaching Team has developed a policy and
17 procedure document to guide the development of our coaching network, and has a current list of
18 approved coaches. The Grant Team received 14 applications for NFC grants in February, and will
19 provide more than \$250,000 in grants during the next year. We expect the Planter Peer Groups to
20 have their first quarterly gatherings this spring and summer. The Recruiting and Assessment Team
21 held their first discernment Retreat in March, with more than 12 potential planters and their
22 spouses present. And, together the teams hosted our Third Annual New Faith Community
23 inspirational event in April, with the Rev. Dr. Elaine Heath as keynote speaker.
24

25 The GREAT news is, whether, because of or in spite of these efforts, God's Spirit is moving! As of
26 March 1, 2014, there were 22 United Methodist new places for new people being actively planted
27 in Upper New York, and there were 15 other plans in various stages of development! Some of
28 these are second sites (or additional worship experiences) being planted by healthy DNA churches.
29 Others are people starting new small groups in public (traditionally seen as secular) places like
30 bars, restaurants, malls and parks. Some are "missional" in the sense that the primary initial
31 connecting point with new people is around ministries that meet real needs. Others are clearly
32 "attractual" in the sense that they seek to provide God-experiences that are unique and thereby
33 make people curious. Some are clearly focused on reaching ethnic-minority persons. Others are
34 focused on reaching a particular generation. Some involve appointments of clergy. Others are
35 clearly led by laity, with sacramental oversight from clergy. The point is, people are using all sorts
36 of strategies to reach new people!
37

38 This movement of creating a planting culture in Upper New York is gaining momentum, and we
39 always LOVE to have new partners! If you are feeling called to plant something new, or to serve on
40 one of our eight teams, please contact Dave Masland, Director of New Faith Communities, at
41 dmasland@unyumc.org. To learn more about our vision, our core values, and the various
42 aspects of our work together, be sure to visit our website:

Older Adult Ministries Team

Our overall goal is revitalize churches and plant new faith communities by helping adults (55+) solve each piece of the *Wellness Puzzle*, with a primary emphasis on spiritual well-being.

Much of 2013 has been devoted to:

- creating an infrastructure (e.g., website, blog) to achieve our goals
- determining priorities and creating programs
- stimulating interest through a mini-grant program, webinars and workshop

Our very productive partnership with the Upstate New York Synod of the Evangelical Lutheran Church of America's (ELCA) Northeast Forum on Spirituality and Aging (NEFOSA) continues to deepen.

In 2014, we will continue the above. Plus we will build on synergism with a newly funded UNYAC New Faith Communities grant: *Intersections: Where God, Grace and Groups Meet to Solve Problems*. The *Intersections* outreach component will use the same Action Guides that are described below. However, *Intersections* will provide a stronger intergenerational community outreach and church revitalization component. Plus *Intersections* will recruit "outpost members" for a weekly group experience (linked to a mother church) that will focus on: 1) spiritual formation (based in part on "*Companions in Christ*") and 2) evangelism activities determined by the call of the Holy Spirit to each outpost.

Infrastructure

The "Never Too Old" website was launched in June 2013 in association with the Northeast Forum on Spirituality and Aging (our ELCA Upper New York Synod partner).

To date we have had 1,222 visits from 692 unique visitors who remained for 3 minutes while reading an average of 3.3 pages each visit.

Two videos were produced that summarize the goals and objectives of our team. They were shown at the Annual Conference are available through our website.

A related blog that encourages reflection and discussion has been established at www.FindingMoreLove.org. This however, has received very few visits.

In the future, we hope to upgrade www.NeverTooOld.net content by using a more sophisticated website software program so that videos can be displayed within pages and additional features enabled.

1 **OAM PRIORITIES and PROGRAMS**

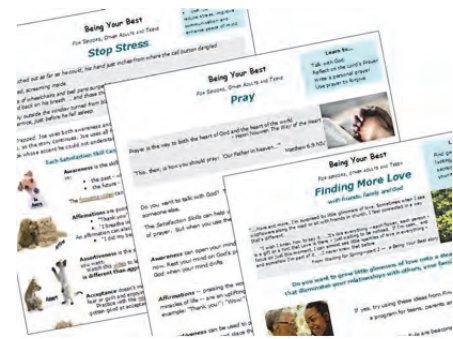

2 Through an online survey conducted in September and a follow-up conference call it was decided
3 to prioritize programs that would have both strong secular interest and a strong spiritual
4 component. Our hope is to offer programs that appeal both to UMC members as well as the
5 “spirituality independent” in the community.

6
7 Our draft Action Guides were previewed in three November
8 workshops (see illustration) that were co-sponsored by the Capital
9 Region Theological Center. Seventy-nine percent of participants
10 reported that they would distribute or display the Action Guides,
11 and 89% said they would use them to encourage group discussion.

12
13 Spiritual well-being is the goal of our Action Guides, workshops
14 and other programs. These include:

- 16 • **Pilgrimage into the Last Third of Life** (Led by Rev. Brian McCaffrey) This online retreat was
17 launched on Dec. 4 with 42 registrants. After the first session, the
18 remaining five sessions were postponed until February, so that we
19 could upgrade to a more capable webinar software program through
20 guidance provided by the UNYC Director of Information Technology
- 21 • **Aging, Sage-ing and Spirituality** (Led by Rev. Brian McCaffrey)
 - 22 ▪ **Deacon Training** – We are assisting NEFOSA to create a 10-hour training program for
23 ELCA Deacons (to be offered in July, 2014 at Christ the King Seminary in Orchard Park
24 New York.) After this pilot, which is being led by Rev. Brian McCaffrey, we will offer a
25 similar program for lay leaders.
 - 26 ▪ **ELCA Synod workshop** – An *Aging, Sage-ing and Spirituality* workshop, led by Brian
27 McCaffrey, Tim
28 Mordaunt and Tom DeLoughry, was presented at the Annual Meeting of the Upstate
29 New York Synod of the Evangelical Lutheran Church of America (ELCA)
- 30 • **Finding More Love** (Led by Dr. Tom DeLoughry) A three-part
31 series to be offered as a 10-hour online training program to
32 UNYC Lay Servants beginning in May 2015. This will include:
 - 33 ▪ **Stop Stress** (Using Four Satisfaction Skills to improve
34 communication and step stress)
 - 35 ▪ **Pray** (Using the same Satisfaction Skills – awareness,
36 affirmations, assertiveness, acceptance – to reflect
37 on the Lord’s Prayer and create your own prayer
 - 38 ▪ **Finding More Love**
 - 39 ▪ Reflections on how the Greatest Commandment and the Golden Rule call us to
40 love; How the Ten Commandments and the Lord’s Prayer tell us how to love; and
41 how educational and psychological strategies can motivate us to act on, and
42 deepen, our love for God, neighbors, friends and family

- 1 • **End of Life** (Led by Barbara Saltarella)
 - 2 ▪ Action Guide – End Of Life; the Law and New Beginning: This Action Guide (see pages 11-
 - 3 12 in attached “Action Guide Samples”) discusses:
 - 4 ▪ How emotional, legal and spiritual choices affect peace of mind
 - 5 ▪ Why health care proxy and MOLST forms are important
 - 6 ▪ How communication, forgiveness and prayer can lead to new beginnings
 - 7 ▪ Pilgrimage into the Last Third of Life
 - 8 ▪ Workshops: OAM team members (Barbara Saltarella; Anne Hipp; Winona Stonebreaker)
 - 9 presented workshops in February to *Catch the Spirit* gatherings for the Niagara, Finger
 - 10 Lakes and Genesee districts.
 - 11 ▪ Online-program: An online program will be available beginning in the fall of 2014 that
 - 12 will be offered to Lay Servants and clergy
- 13 • **Care and Feeding of Your Brain** (Led by Barbara Bruce) Through the Action Guide, as well as an
- 14 online program beginning in late 2014, participants will learn to:
 - 15 • Maximize brain health and prevent memory problems
 - 16 • Find the best resources for memory problems
 - 17 • Use your brain to better know and love God

18
19 **Mini-Grants**

20 The mini-grant program is designed to encourage older adults (55+) to help themselves and other
21 to improve physical, emotional and spiritual wellness. Collaborations with other ministries (e.g.,
22 United Methodist Women) and community resources are encouraged. The following grants were
23 awarded in 2013:

1 **Ordained Ministry (BOM), Board of**

2
3 I write this report for Annual Conference while the board is gathered to interview 17 wonderful
4 people who have perceived God's awesome call to ministry. Many people believe this is the
5 culmination of our efforts and perhaps the sole purpose of the Board. The truth is, we are charged
6 with a much broader set of tasks than being gatekeepers. We do, however, count it as a holy
7 privilege to examine those individuals who will be the church leaders as we look to the future.

8
9 In the 2013-14 year, the Upper New York Board of Ordained Ministry has worked to place an
10 increased emphasis on seminary visitation by our Recruitment and Enlistment team alongside
11 Cabinet representatives. This effort will continue as we seek to recruit promising candidates for
12 our annual conference. Please look for the Recruitment & Enlistment workshop at this Annual
13 Conference gathering.

14
15 Our DCOM Coordination Division drafted a workbook and held a training day for DCOM members
16 at Casowasco. The event was well attended. This is something we hope to offer annually as we
17 continue to develop and live into a common set of strategies and policies that coordinate this most
18 important work linking district to annual conference.

19
20 Our UNY Provisional covenant group meets two times a year in retreat with the Board, or rather
21 alongside the board and at Board expense. We see this as a critical part of the continuing
22 development of those called to ordained ministry as well as an avenue for the building lasting
23 collegial relationships.

24
25 With members from every corner of the connection the Board has found a tremendous resource
26 using cloud computing utilizing BOX. We encourage other conference task groups to consider this
27 resource.

28
29 In the past year we have met regularly with the Bishop and appointive Cabinet, not only to deal
30 with specific issues, but to build a relationship of understanding and trust that will surely enhance
31 future cooperative projects.

32
33 It has been my distinct privilege to represent UNYUMC on the Northeastern Jurisdiction BOM for
34 several years now. I currently serve as the Vice President of that body and have represented the
35 NEJ BOM on the NEJ Vision Table. NEJ BOM has set an agenda to meet during the next
36 quadrennium at each of the UM-related seminaries within our boundaries with an eye toward
37 better understanding the curriculum offerings our MDiv students are engaged in and taking news
38 of what the Boards of Ordained ministry across the Jurisdiction are seeing as needs for the training
39 our pastors for an effective future. This April, we invited leaders of the NEJ's 10 annual
40 conferences' provisional teams to meet with us at Drew to compare notes and share ideas on best
41 practices.

42
43 We are currently making arrangements for several Board members to participate in a Quadrennial
44 training hosted by GBHEM in Denver. One of the primary focus topics for this gathering is sharing
45 information on how annual conference boards can equip and enhance our clergy to be their most
46 effective in ministry in the local church and community.

1 After a number of years leading the NCNY BOM, the new conference BOM transition team and
2 then functioning as chair and then co-chair of UNY BOM my term in office is coming to an end
3 (Hallelujah!) The workload was more than balanced by the host of dear friends I've been privileged
4 to make. New officers have been elected! Joining Co- Chair Holly Nye will be a new Co-Chair Matt
5 Stengel. Our new secretary will be David Cook upon the retirement from the board of Glenda
6 Schuessler. Glenda, we owe you so much for your faithful service! The new lay representative to
7 BOM Executive committee will be Denise Walling. You can be proud that your Board is in such
8 good hands!

9
10 The current board contacts and answers to many of your BOM related questions can be readily
11 found on the Ordained Ministry link at the bottom of the UNYAC home page.

12
13 Sincerely,
14 Lynn B. Spence for UNY BOM

1 Pensions and Health Benefits (CBOPHB), Board of

2
3 The CBOPHB seeks to serve the clergy, employees, and their covered relations with the best
4 available pension and health-care as governed by the decisions of the General and Upper New
5 York Annual Conferences. We have the benefit of local and national resources through the General
6 Board of Pensions and links to various conference boards and teams.

7
8 Current funding remains stable, while some income streams are underfunded and require use of
9 reserve funds. This is an ongoing concern of the Board. The present funding is rather complex and
10 may not be well understood by participants and local churches. The long-term funding need is an
11 area that the board regularly monitors.

12
13 The CBOPHB is recommending that the Medicare eligible retirees and spouses move into
14 OneExchange (formerly Extend Health) as of Jan. 1, 2015. Our recommendation has been carefully
15 studied and discussed by the board. It comes with our full support. OneExchange has many
16 advantages including: the reduction in use of health fund balance reserves, more control in choices
17 for participants and more control in managing retiree health care costs.

18
19 OneExchange —Who Are They?

- 20
21
 - Industry’s Medicare Supplement
 - ‘Connector Model’ Exchange
 - Partner with 70+ health plan carriers
 - Objective and trusted U.S.-based licensed benefit advisors (LBAs)
 - Objectively help each participant make informed and confident decision

22
23
24
25
26
27 The Board will continue to look at various models of Health Care for our active participants to offer
28 a full range of options for each person and provide better control of costs for participants, local
29 churches, and conference reserve funds.

30
31 2014 provided a solid increase through our invested funds. These funds will continue to serve the
32 pension and health needs of the conference for the generations to come.

33
34 We prayerfully attend to this ministry of the conference and will appreciate your continued
35 interest and questions, as well as your prayers. Our goal is to support these many servants of God
36 and their loved ones who give skill and leadership in making disciples of Jesus Christ for the
37 transformation of the world.

1 **Reaching Our Neighbors Mission Oversight Team (RON MOT)**

2
3 We are a team of six persons: four are pastors and two are laity. Our members are Sara Baron, Phyllis
4 Doane, Thom Fassett, Susan Hardy, Bob Sherburne, and Paul Womack. Susan began serving as
5 convener in April 2013, and Phyllis was affirmed as secretary in August 2013.

6
7 Throughout 2013, we met for discussions and decisions on Jan. 29, April 26-27, informally during
8 Annual Conference, and again on June 13, Aug. 19 and Sept 30. A particular outreach opportunity
9 was a retreat held at Casowasco on April 26-27, for the purpose of bringing together as many
10 representatives from affiliated ministries as possible. This let us become better acquainted with
11 members, goals, and responsibilities shared by all. We also teamed up to offer some muscle to
12 Casowasco staff by pitching in for some spring grounds-keeping.

13
14 A major responsibility of RON is working to align conference resources with ministries that work with
15 the poor. When we published an opportunity to apply for conference funding between July 15 and
16 Aug. 15, 2013, we received 43 timely responses. This was an increase from 18 applications received
17 the prior year.

18
19 Of those 43 applications, our team chose to fund 11 diverse ministries: University UMC, Syracuse's
20 *From Charity to Leadership Development*, with one stated goal of training 10 low-income persons to
21 assume greater responsibilities with the Friday Community/food pantry operation; the Seneca House
22 of Concern's *New Beginnings Boutique*, with a goal of purchasing gently-worn inventory of designer-
23 name clothing and accessories that would increase proceeds to support their food pantry; FOCUS
24 Churches of Albany's *Hand in Hand* ministry, with goals of providing food assistance year round to
25 food-insecure households and to include such households in their anti-hunger advocacy actions;
26 Emmaus UMC of Albany's *Tuesday Youth Night*, with goals of reaching youth ages 12-18 (many from
27 refugee families) through dance, singing, Bible study, and recreation; *Feeding Ministries of the*
28 *Network of Religious Communities, WNY*, with a goal of expanding the Nutrition Outreach program to
29 include Cattaraugus County; and *Foothills Rural Community Food Pantry*, serving seven rural
30 townships in Northeastern Oneida County, with a goal of providing a five-day food supply to clients.

31
32 Also selected for funding were: *Feeding the Children: SICM Summer Lunch Wagon*, with a goal of
33 adding a second Lunch Wagon to function as a mobile feeding site; Seneca Street Community
34 Development Corporation's *Education: A Pathway out of Poverty*, with a goal of increasing numbers
35 of children and youth in individualized tutoring opportunities; the clearinghouse of Oneonta's *Caring*
36 *Connections*, with a goal of expanding hours of operation; the *Syracuse Westside Urban Mission*, with
37 a goal of engaging young parents on issues of concern and raising up new leaders; and *Tri-Town*
38 *Community Services Food Pantry*, with goals of offering more nutritious foods, as well as cleaning and
39 paper products. These 11 ministries divided just under \$50,000 in grants, which was close to the total
40 amount available for the funding year, based on percentages of received shared ministries.

41
42 In order to stretch limited conference funds in an effective and transparent manner, as well as to
43 encourage opportunities for all ministries with the poor, Reaching Our Neighbors began advocating
44 for scheduling regional events in 2013-14. It took a few months of persistent advocacy, but we were
45 able to hire Deacon Jeff Hodge as a consultant to teach grant-writing skills and sharing funding
46 sources beyond Reaching Our Neighbor's budget. RON invested \$5,000 toward six regional grant-
47 writing events, available at no charge to all who wished to attend. All events were held on Saturday

1 mornings to encourage as much participation by all groups as possible. Pre-registrations were
2 encouraged through reachingourneighbors@outlook.com.

3
4 Thanks to the hospitality of six UM churches, Reaching Our Neighbors offered grant-writing events
5 on Oct. 26, 2013 in Watertown; Nov. 2, 2013 at Christ First in Jamestown; Nov. 9, 2013 in Saratoga
6 Springs; Jan. 25, 2014 at Sarah Jane Johnson Memorial UMC in Johnson City; Feb. 8, 2014 at Batavia
7 First UMC; and Feb. 22, 2014 at Fayetteville's UMC. Each event began at 8:30 a.m. and concluded by
8 1 p.m. Snacks and beverages were provided by host churches and individual RON members who
9 volunteered to attend one of the events. Well over 100 participants attended these informative
10 sessions.

11
12 At our March 10, 2014 meeting, our team will be discussing tools and processes for evaluating the 11
13 ministries that received funding for 2013-14. The 2013-14 application had asked for a submission of
14 measurable goals to be met by March 2014, so those goals will be part of our evaluation. We'll be
15 asking each team member to visit and celebrate with two or three of the 11 ministries. Reaching Our
16 Neighbors will also be preparing for another round of applications for 2014-15 funding between July
17 15 and Aug. 15.

18
19 Feeling called to volunteer your skills with a cohesive, inclusive group of hardworking disciples of
20 Christ? We always have room at our table!

1 **Religion & Race (CORR), Commission on**
2

3 The Upper New York Conference Commission on Religion & Race (CCORR) has had dialogue on six
4 different occasions this past year to focus on fulfilling its mission, namely

5 We believe that God's vision is for a fully inclusive Church that is accountable for
6 and proactive in addressing all forms of racial/ethnic oppression, and where all
7 members strive, as disciples of Jesus Christ, to build God's beloved community.

8 CORR is not about *racism but relationships*. To that end, we have

- 9 • Published several articles in *The Advocate* celebrating UNY United Methodist churches that
10 live out the successes of racial-ethnic diversity in their church lives.
- 11 • Planned monitoring and reporting of healthy conversations at Annual Conference 2014.
- 12 • Re-energized involvement in Black Methodists for Church Renewal, Inc.
- 13 • Encouraged applications for the UNY Cady Grant for the benefit or education of minority
14 groups.
- 15 • Continued self-education of CCORR members (i.e., reading *Dear White America: Letter to a*
16 *New Minority*), by Tim Wise)..
- 17 • Began publicizing presentation and programs available to groups through CCORR.
- 18 • Participated in a Diversity Task Force of UNYAC to address solutions to the lack of ethnic-
19 racial diversity in staffing.
- 20 • Encouraged applications for 2014 Ethnic Young Adult Summer Internships.

21 Respectfully submitted,
22 Blenda Smith, CCORR Convener

1 **Sexual Ethics, Committee on**

2
3 The work of the Sexual Ethics Committee (UNY SEC) has been divided in three work areas: Safe
4 Sanctuaries, clergy sexual ethics and crisis response. The committee met several times throughout
5 the course of the year both in person and remotely.

6
7 Safe Sanctuaries

8
9 The major focus of the Safe Sanctuaries sub-committee continues to “make available a
10 standardized training program to assist each charge, district, agency, and ministry to fulfill the
11 covenant to ‘educate all of our workers with children, youth, and vulnerable adults regarding the
12 use of appropriate policies and methods.’” (2011 AC, *The Minimum Standards*)

13
14 A standardized Safe Sanctuaries Training course for clergy and workers continues to be offered by
15 certified trainers across the Annual Conference. Evaluations of the course indicate it is effective in
16 accomplishing the objectives of the course. Evaluations also indicate that participants are enjoying
17 the interactive, learning station format. The six learning stations are: 1) Why Safe Sanctuaries, 2)
18 Abuse: The Types, Signs, and Effects, 3) The Nuts and Bolts of Safe Sanctuaries, 4) Responding to
19 and Reporting of Abuse, 5) Beyond Sunday School and Youth Group, and 6) Safe Sanctuaries:
20 Beyond the Walls of the Church. It is estimated that the UNY SEC Safe Sanctuaries training has
21 been offered at least 35 times with approximately 700 participants.

22
23 Currently there are 34 certified trainers with more Training of Trainers opportunities on the
24 horizon. A goal for 2014 is to make the UNY SEC training more readily available accessible in the
25 conference. With that in mind, individuals wanting to provide the UNY SEC course in their
26 church/charge, but not be part of their districts' teams are being trained. Only certified trainers are
27 permitted to facilitate the UNY SEC Safe Sanctuaries course. We are grateful for the assistance
28 district offices are providing in this effort. Information and requests for training can be addressed
29 to district offices.

30
31 In order to determine compliance with the requirement that the local church/charges' Safe
32 Sanctuaries policy be on file and implementation of *The Minimum Standards (2011 AC SS*
33 *Resolution)*, the Sexual Ethics Committee established a Safe Sanctuaries Policy Compliance Report
34 as one of the 2013 Charge Conference reports. Not all churches submitted a report. The reports
35 that were submitted have been reviewed by a team from the committee. One positive observation
36 is that many churches have a current policy on file in the district office and are meeting *The*
37 *Minimum Standards*. However, also noted is that there are some churches that do not have policy.
38 Providing a safe sanctuary for children, youth, and vulnerable adults is imperative when the
39 mission is to “live the Gospel of Jesus Christ and to be God’s love with our neighbors in all places.”
40 Once again, we are grateful for the assistance of district offices in gathering these reports.

41
42 Another part of the Safe Sanctuaries sub-committee's work involves responding to a variety of
43 questions coming directly from local churches and ministries. Our responses are based on the Safe
44 Sanctuaries Resolution adopted at AC 2011 and *The Minimum Standards* presented at that time as
45 well as what we believe to be best practices. Among many sources, resources can be found at:

- 2 • <http://www.gbod.org/lead-your-church/elder-abuse>

3
4 Two representatives from the committee were able to attend a Safe Sanctuaries Gathering hosted
5 by the General Board of Discipleship. Meeting others from around the country that share our
6 passion for Safe Sanctuaries and learning about Safe Sanctuaries in other Conferences was
7 valuable to the work in Upper New York.

8
9 The committee is working to develop a Frequently Asked Questions feature on the conference
10 website, exploring an online training option and a way to maintaining training records.

11 Clergy Sexual Ethics

12
13 A partnership with the Board of Ordained Ministry has been formed to develop a conference-wide
14 policy and training program related to professional boundaries and conduct for those serving in a
15 ministerial relationship.
16

17 Response Teams

18
19 Over the past year, the Sexual Ethics Task Force has identified and recommended resources for
20 development of the (Bishop's) Crisis Response Team. The Task Force reviewed the procedures and
21 resources of various annual conferences and recommended to the bishop and Cabinet that the
22 Rev. Dr. Tom Salzgeber and Sharon Spencer, leaders of the Susquehanna Annual Conference team,
23 be invited as trainers for the team. Training took place in early fall 2013. Team members are
24 invited to serve by the bishop. The purpose of the Response Team is to provide a holy presence
25 and walk beside those in a congregation – victims, accused, and family members – who are
26 impacted by clergy/ministerial abuse or misconduct, as they move through a process to address
27 the circumstances involved.

28 Membership

29 The current membership of the committee includes Carol Barnes, Rev. Jane Bensley, Ted Finlayson-
30 Schueler, Rev. Bill Gottschalk-Fielding, Rev. Jack Keating, Rev. Jan Rowell, Glenda Schuessler,
31 Charles Syms, and Matthew Williams. Cherish McGowan serves as staff support.
32

1 **Social Holiness Team**

2
3 The Social Holiness Team is tasked with working with local churches, the annual conference, and
4 general boards and agencies of the Church in the advancement of our Social Principles. Our goal is to
5 help churches and individuals connect with justice issues in their own communities, as well as across
6 the state and the world.

7
8 The Social Holiness Team put forth a resolution at the 2013 Annual Conference urging local churches to
9 speak out against the proposed expansion of casino gambling in the state of New York. This resolution
10 was approved by the Annual Conference.

11
12 In the November 2013 general election, the casino expansion amendment passed, paving the way for
13 up to seven privately-owned casinos in the state. The Social Holiness Team, partnering with the New
14 York State Council of Churches, the New York Annual Conference, and other agencies, will keep this
15 issue—and its theological implications for the residents of New York state—on the forefront of people’s
16 minds. We will work with local churches statewide on education and advocacy around this important
17 issue.

18
19 In September 2013, the Social Holiness Team issued a statement condemning the escalating violence in
20 Syria (including the suspected use of chemical weapons) and calling on our government to redouble
21 diplomatic peace-making efforts.

22
23 One of our advocacy partners, the Task Force on Peace with Justice in Palestine/Israel, brought a
24 resolution to the floor of Annual Conference. Mindful of the connections between corporate profits and
25 the Israeli occupation of traditionally Palestinian lands, the task force sought action by the Annual
26 Conference, divesting our financial portfolios of their holdings in Motorola Solutions, Caterpillar, and
27 Hewlett Packard. They also urged careful consideration of future investments regarding the Israeli
28 occupation. This resolution was approved by the Annual Conference.

29
30 The task force hosted its annual Palestinian Dinner at Annual Conference, with over 150 in attendance.
31 Their work promoting a just peace in Palestine/Israel includes advocacy and awareness of the issues
32 and people of the region, scholarships for travel to the Holy Land, and encouragement of local churches
33 to engage this vital issue.

34
35 The Social Holiness Team’s hope for the coming year is to further engage local churches through
36 training, better communication, and by providing materials around key issues. Every church and every
37 church member has a stake in standing beside the marginalized and disenfranchised.

38
39 The Social Holiness Team has reorganized. The Rev. Alan Kinney serves as our chairperson, taking the
40 reins from George Herrick, whom we thank for his leadership and service. Heather Smith is our Peace
41 with Justice Coordinator, taking over those duties from the Rev. Robert Dean, whom we thank for his
42 service.

1 **The Commission on the Status and Role of Women**

2
3 Once there was a United Methodist Conference whose Commission on the Status and Role of Women
4 (COSROW) had nothing to do. They met monthly and reaffirmed their purpose – to educate, advocate,
5 and monitor for the full participation of women in the life of the Church – but could find no way to
6 improve upon the full participation of women already evident. They checked their progress and noted
7 the following:

8
9 In terms of Education,

10
11 + All the District Superintendents asked the Commission to educate them and their churches
12 about the nature of sexism by presenting workshops in their districts. The Extended Cabinet made
13 similar requests, and learned the importance of not silencing women’s voices in leadership, not giving
14 the impression that what it means to be Christian is different for males and females, and not using
15 terms in recruitment that had the unintended consequence of eliminating women from leadership.

16
17 In terms of Advocacy,

18
19 + None of the women in the Conference needed to use COSROW’s Listening Post to report
20 sexual abuse or sexism in the Conference. No one complained that new hires were usually men,
21 because that wasn’t the case. No one voiced the suspicion that some districts or churches were off-
22 limits to clergywomen appointments, because it was evident that was not true.

23
24 In terms of Monitoring,

25
26 + Monitoring of speakers at Annual Conference revealed that women spoke as much as
27 men in both frequency and duration, and that visibility on the dais was shared by women and men.

28
29 With COSROW’s work reduced to simply keeping an eye on things, the COSROW members of our
30 fictitious Conference used their budgeted money to endow college scholarships to low-income
31 women in the congregations of that conference.

32
33 Meanwhile, back in the Upper New York Conference, there is much work to be done to ensure the
34 full participation of women in the life of the Church. We report that this year COSROW did the
35 following:

36
37 In terms of Education,

38
39 + Communicated with Camp and Retreat Ministries our dismay at the impression given by the
40 descriptions in the brochures for some of the camps that the Gospel is different for males and females,
41 and communicated with the Committee on Nominations our recommendation that Calls for
42 Leadership substitute the word “Committed,” for the word “Gifted,” because most well-qualified
43 women and many well-qualified men have been socialized to not see themselves as gifted. In addition,
44 we sent two COSROW members to a G-COSROW Conference. We also made initial arrangements for a
45 conference-wide COSROW educational event in the future.

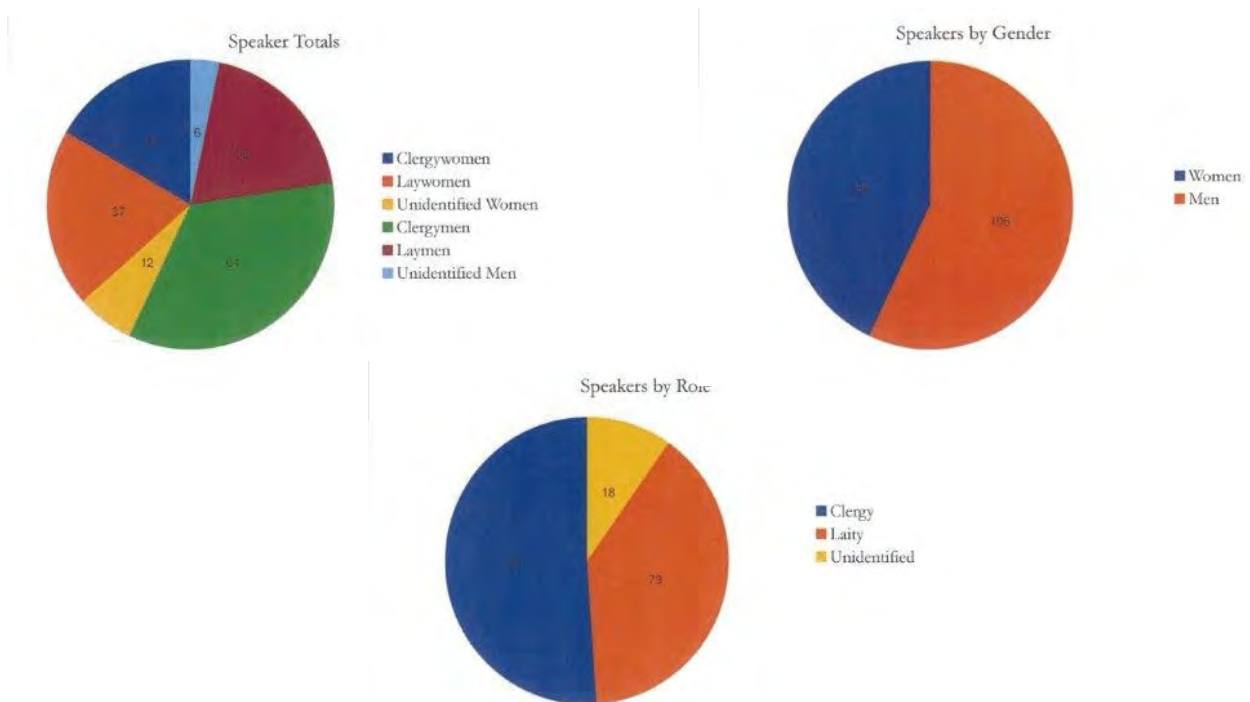

2014 Upper New York Annual Conference Journal
VI. REPORTS

In terms of Advocacy,

+ Women utilized our Listening Post to report instances of sexual abuse and sexism in the Conference. Clergywomen reported fear of retaliation if they blew the whistle.

In terms of Monitoring,

+ We discovered the following interactions at the 2013 Annual Conference sessions:

My gratitude goes out to the members of the COSROW team who have evidenced a passionate concern for the full participation of women in the Conference, have demonstrated insight and expertise, and have recognized the desperate need for the work we do. When we look at the culture in which we are set, the case can be made that the Church needs to demonstrate loudly and clearly that women, equally with men, are made in the image of the same God, given the meaning of Abundant Life by the same Jesus Christ, inspired by the same Holy Spirit, and endowed by their Creator with the same ability of discernment. Where there are within the Conference, policies, attitudes, or practices that treat women as less than men, therein lies our work.

The Rev. Judith Johnson-Siebold, Ph.D.
Chair, Commission on the Status and Role of Women, Upper New York Conference

1 **Syracuse Westside Urban Mission (SWUM)**

2
3 One of our assignments this past fall for “*Hand to Plow*” was to read the book *Missional Renaissance* by Reggie McNeal (c) 2009 Jossey-Bass. It’s not the first time I’ve concluded that
4 Syracuse Westside Urban Mission (SWUM) has much to teach the rest of the Church.
5

6
7 McNeal suggests that the Church in our age must undergo three critical shifts if it is to remain a
8 relevant force in our world:

- 9
10 1 - from an internal to an external focus
11 2 - from program development to people development
12 3 - from church-based to Kingdom-based leadership.

13
14 I believe that SWUM and Brown Memorial together have already made all three shifts, and
15 because of this, and because of all of you on the Board and especially because of the work of our
16 Church and Community Worker Olga E. Gonzalez, we are well positioned to continue to lead the
17 churches of our area in doing the work of Jesus as we continue to fulfill our own mission and
18 purpose.
19

20 We are externally focused. People in this neighborhood know we exist and why we exist. They see
21 us as a place of hope, a place where people can get the help they need. They see us as a listening
22 place, a responsive place. That is wonderful. As we continue to expand our reach, in all directions,
23 but especially as we seek to reach younger families and those who speak Spanish as a first
24 language, we will continue to deepen this external focus. This year, I saw this happen in new ways
25 on top of the help we have provided for years in terms of food, clothing, and legal aid. For
26 instance, we hosted the emergency meetings of Syracuse United Neighbors when the heroin
27 problem became so dire this summer. We were the place where Mayor Stephanie Miner and her
28 Chief of Staff Paul Ryan and the police officer in charge of drug investigations came to meet with
29 the neighborhood to work on the heroin problem together. Esther Crossman and Kathy
30 Stoughtenger deserve a lot of credit for bringing the community together to face this tough issue.
31

32 We are all about developing people, not just programs. I’m so proud of our Adult Life Skills class
33 which with coaching from Olga, has started to raise up its own leaders to set up the classes, plan
34 the programs, find the speakers and materials, and run the classes themselves. Hallelujah! The
35 skills we’ve been working on for years are bearing fruit and building confidence and competence.
36 It’s a joy to see. In our Tutoring Program, students from SU are recruiting more of their friends, and
37 both our students and the college students are learning from the interactions that ensue. It’s a
38 win-win. I’ve had so much fun driving some of our tutors from campus and back: enjoying deep
39 conversations in the car, reflecting on their vocations and on the challenges and joys of urban life.
40 We are growing together. It’s a delight.
41

42 Finally, we are Kingdom-based (or Kindom-based as I’ve seen it spelled recently) when it comes to
43 leadership. It doesn’t matter if you’ve signed on the dotted line or affirmed to the doctrines, or
44 taken all the disciplinary steps to become a leader: If you have a skill or a gift to share, we welcome
45 you. We have a place for you. In former times, McLean says, church-based leadership was
46 “institutional, maintenance-oriented, clergy-dominated, positional, pastoral, church-focused and
47 highly controlling.” We find what works best for us here at SWUM@Brown is (using McLean’s

1 words): “organic, disruptive, personal, prophetic, kingdom-focused (I prefer kindom-focused), and
2 empowering” (p. 131). We are about recognizing the gifts of all, and because of this climate of
3 kingdom-based leadership, people are stepping forward to share their gifts. I think of the first
4 tentative meetings of the Bilingual Bible Study and how bold some of our Spanish language-
5 learners have become thanks to the careful shepherding of teachers Catalina Bryant and Miguel
6 Murray. Or this summer, watching some of the younger teens, who just last year were children
7 participating in Terrific T’s, who are now helpers; leading games, watching over the younger
8 children, finding their voice and their abilities. It’s a joy to see.

9
10 On a recent three-day study-and-prayer retreat, I picked up a book I had read and loved years ago,
11 *The Prophets* by Abraham Joshua Heschel. Here’s a quote that helped to confirm my prophetic
12 vocation once again: “The words of the prophets are stern, sour, stinging. But behind their
13 austerity is love and compassion for humankind. The prophet is sent not only to upbraid, but also
14 to strengthen the weak hands and make firm the feeble knees. The Word of God never comes to
15 an end, anticipating the messianic promise: ‘Then the eyes of the blind shall be opened, and the
16 ears of the deaf unstopped; then shall the lame man leap as a hart, and the tongue of the dumb
17 shall sing.’” - *Isaiah 35: 5-6*.

19 Yours in the compassion of the Christ,
20 Rev. Marti Swords-Horrell, Pastor/Project Director

1 **Trustees, Board of**

2
3 The Board of Trustees had another extremely busy and interesting year as we continued to resolve
4 inherited issues, work through current situations, and establish practices and protocols for the
5 future. Always aware that the tangible assets and relationships we manage on behalf of the
6 Conference are meant to enable ministry now and in the future, we try to be collaborative with other
7 Church entities, creative in our solutions, careful in our decisions and relationships, and flexible in
8 our thinking.

9
10 The Trustees are organized into four governance teams: Property, Insurance, Camps, and Financial
11 Assets. These teams are charged with working on the host of issues related to these areas, educating
12 the rest of the trustees as necessary and proposing timely solutions. In addition, we assign two
13 trustees to each property held by the Board of Trustees on behalf of the Conference.

14
15 **PROPERTY** – Since our last report, the trustees extended lease agreements with University UMC in
16 Syracuse for the UNYAC Conference Center and Episcopal Offices. The office building we own in
17 Endicott, N.Y., housed VIM hurricane recovery initiatives until November and now has been returned
18 to the market. The trustees continue to work on appropriate care and disposition of properties no
19 longer used for United Methodist ministry. During 2013, we tended to 34 such properties. Of these,
20 eight were sold and eight sales were pending as of December. The rest are in the hands of qualified
21 real estate agents or we are working through significant connectional, community, and legal
22 challenges surrounding them. In addition, we renovated the Binghamton District parsonage,
23 arranged inspections and developed repair and maintenance plans for other district parsonages in
24 accord with the Conference Housing Standards, presented trainings for District Committees on
25 Buildings and Location, and set up a collaborative task force with the Episcopal Office and Executive
26 Staff to develop a long-term plan for Episcopal and Conference Offices/Center. We continue to work
27 with Property Management Consultant, Tom Clemow, to address nettlesome property issues and to
28 establish a system of protocols and practices for effective property management in the future. The
29 accomplishments of the past year would not have been possible without his help.

30
31 **INSURANCE** – We are aware that the master insurance policy of the Conference continues to be a
32 challenge for many congregations. We continue the master policy approach because it is the best
33 way to deal with complex liability issues without paying for overlapping coverage or creating gaps in
34 coverage. Experience and feedback from you led us to the design of the current program. In an effort
35 to give congregations more control over costs, we developed a program based on a direct
36 relationship between the insurer and local churches and built in options for coverage. This approach
37 resulted in an approximately 6% increase in the overall cost of the program. However, it also both
38 enabled and required application of usual industry standards for assessing the risk and determining
39 premium costs for each local church and other church entities. This change resulted in individual
40 premiums increasing and decreasing by much wider margins. The sizes of those swings, in cost were
41 unanticipated. We are incredibly sorry for the upset this caused and for not being able to give timely
42 notice about premium changes. We should be able to inform you this fall about premiums for 2015.
43 In anticipation of financial stress caused by significant increases in premiums, the trustees set up a
44 two-year financial assistance program for those most affected. This is funded by insurance
45 designated fixed assets from predecessor conferences. Many in UNYAC leadership positions
46 participated in development of this assistance initiative. Analysis of claims since inception of the new
47 Conference show that water and wind damage are by far the largest sources of claims and payments

1 associated with local churches. These are followed by fire, and slips and falls. For the safety of those
2 who use your churches and other facilities and all who participate in your local church ministries, we
3 encourage all local congregations and other covered entities to conduct safety inspections on a
4 regular basis, to take corrective action if needed, and to develop and adhere to a Safe Sanctuaries
5 policy. We also encourage a system of checks and balances to prevent financial loss and protect
6 honest money handlers.

7
8 **CAMPS** – The Upper New York Annual Conference is blessed to have six camping and retreat centers
9 distributed fairly evenly across our geography. While each has its own character and strengths, all
10 have facilities and insurance needs and many have designated funds for camperships, capital
11 improvements, and other support. We continue to work with Mike Huber and CRM on these needs,
12 and appreciate Mike’s energy and professionalism.

13
14 **FINANCIAL ASSETS** – After careful consideration, the trustees chose three investment management
15 companies to assist us with stewardship of financial assets. Most of our funds are invested through
16 Wespath, a wholly owned entity of the General Council on Finance and Administration of The UMC.
17 We intend to place smaller amounts with Shamlian Associates – a Syracuse-based broker, and Hugh
18 Johnson Advisors – a firm in Albany, in order to compare results and educate ourselves about varying
19 approaches. While authorized some time ago, after a thorough proposal and review process,
20 transfers have not yet been accomplished. As noted above, we converted some property assets to
21 financial assets during the past year. Net proceeds from the sale of six properties will be used for the
22 New Beginnings Fund as directed by the 2012 resolution of the Annual Conference. Both NYS law and
23 good conscience require that we adhere to donor intent for funds that have been given to us by
24 individuals for specific purposes. While this may seem easy, it requires more documentation than
25 was readily available for many named and designated funds from our predecessor conferences. A
26 consultant to the Treasurer has been working on this task, and we expect to make such funds
27 available for ministry as intended during the coming year. We are working to follow new Disciplinary
28 requirements for clarifying relationships with Health and Human Service agencies with historic
29 connections to the Conference and its predecessors. In addition we are exploring possible ways of
30 funding a new Conference Center. Kevin Domanico has been developing and providing financial
31 reports and tools to enable understanding and appropriate stewardship of Conference assets and is
32 working on a financial report on behalf of the trustees to be made available in time for the Annual
33 Conference session. We are grateful for his work and the potential it represents.

34
35 We work with Scott DelConte on many fronts and are immensely grateful for his dedication and
36 expertise. We are very grateful for the time and expertise of Dave Whitman, who serves on our
37 Financial Assets team, and Ed Crosby, who serves on our Insurance Team. Finally, we work with the
38 Bishop, Cabinet, and Executive Staff, as well as other Conference Boards. We enjoy collaborative
39 relationships with them, and look forward to good relationships as we move forward.

40
41 The following individuals served as trustees during the past year: Patricia Brown, Steve Butler,
42 Deborah Byers, Brooke Conklin, Wendy Deichmann, Essie Harding, Nanette Helgager, John Jackson,
43 Lee Mount, Paul Wiley, and Tom Wolfe. It has been a privilege to work and serve with such a
44 dedicated, spiritually grounded, intelligent, capable, creative team.

45 Grace and Peace to you,
46 Deborah Byers, President, Board of Trustees

22 Additional positions to complete our Executive leadership team as outlined in our GCUMM by-laws
23 are filled at the discretion of our new president. This leadership team is committed to meeting the
24 challenges that are ahead this coming year. We intend to reach out to all parts of the conference,
25 growing men's ministry, charter-by-charter and heart by heart.

26
27 To date, we have six district presidents, and are in need of six more to provide each Upper NY
28 district with a UMM leader to oversee men's ministry. Now that we serve a larger area, we need
29 men to commit to leadership positions within the conference.

30
31 The United Methodist Men have been involved with hunger relief here in Upstate NY over the past
32 year. Through the coordinated efforts of Conference Hunger Relief Advocate Dean Burdick and the
33 Methodist Men, we were able to glean food items for the Food Bank of CNY, donated by vendors
34 at large food shows at Turning Stone Casino and at the Sheraton Hotel at nearby Syracuse
35 University. In addition, the UMM, with the help of Society of St. Andrew, has successfully
36 facilitated two potato drops in Central NY and the Southern Tier. Approximately 90,000 pounds of
37 potatoes were distributed to food banks, pantries and churches during the first two weeks of
38 November 2013. We have worked with the Society of St. Andrew to add yet another potato drop
39 at Auburn UMC on Oct. 25, 2014. The UMM of the Mohawk District have partnered with the
40 churches to initiate the first ever *Feed Our Vets February*, a district-wide food collection that will
41 benefit 200 veterans and their families. Thank you to Sung Ho Lee, our district superintendent; the
42 pastors, volunteers and joyful givers.

43
44 In the summer of 2013, Oneida and Herkimer counties were hit hard with flooding as a result of
45 devastating rain storms that hit our area. UMM of Oneida and Herkimer counties were joined by

1 countless volunteers that worked together to help those affected by the flooding. In Oneida and
2 throughout the Mohawk Valley we worked together with VIM volunteers to assemble disaster
3 response teams to muck out basements and remove furniture and other items ruined by the
4 flooding. Recovery efforts are still being led by our Disaster Response Coordinator, Dave
5 Woodcock, in the rebuilding of homes in the Oneida area.

6
7 The UMM, gathered in April 2013, for the 8th Annual UMM gathering at Aldersgate Camp and
8 Retreat Center. Our keynote speaker was Pastor Lyle Robison, and the theme was *Sitting on the*
9 *Fence*. Sixteen people were in attendance, and some memorable skits were performed portraying
10 parables/stories of the Bible such as “Good Samaritan,” Jesus calms the storm, etc. This year’s
11 UMM gathering at Aldersgate Camp and Retreat Center will be held April 25-27, 2014, and we will
12 be led by keynote speaker Pastor Lynn Lockwood. This year’s theme will be *Fishers of Men*, and the
13 pastor will talk to the men about life choices and legacy. We will also feature singer-song writer
14 Ben Horrevoets from New Paltz.

15
16 The Annual UNYUMM gathering at Casawasco Camp and Retreat Center took place on Sept. 20-22,
17 2013 and our keynote speaker was District Superintendent Bill Mudge and the theme was “Men
18 and Relationships. Bill made us all realize that God needs to be at the center of all our
19 relationships. Thirty-five men attended the gathering. During the retreat, new officers were
20 appointed during the business meeting on Sept. 21. This year’s UNYUMM gathering will be at
21 Casawasco Camp and Retreat Center and will take place on Sept. 5-7. All in attendance will
22 experience an encounter *Lead Like Jesus*. Our guest musician will be singer-song writer, Sean Clive
23 from Sauquoit. For information on any of our UNYUMM events, go to www.Uppernyum.org or
24 call 315-749-3700.

25
26 The ministry of the Methodist Men of Upper New York has undergone many changes over the past
27 several years, but our message and purpose remains the same: “Men, Growing In Christ, so others
28 will know Him.” Prayer is vital to the UMM, and we are committed to seek daily, Christ’s way of life
29 through prayer and Bible reading. We will bear witness to this in our daily work and our personal
30 contacts through our words and actions. We will engage ourselves in some definite Christian
31 service by recognizing that we work in partnership with God in stewardship of our lives.

32
33 The United Methodist Men celebrated their 100th anniversary back in 2008. I believe in the United
34 Methodist Men and what they stand for. Growing the ministry and remaining a vital asset to the
35 Upper NY Conference and The United Methodist Church will take a continued effort by all men and
36 women throughout this conference. We are in need of your prayers and support to strengthen us
37 more and more as we commit to serving God throughout this Conference of Upper New York. All
38 of us working together for the good of others will honor God as we go forward as a men’s ministry
39 and a Church.

40
41 In Christ.

1 **United Methodist Volunteers in Mission (UMVIM)**

2
3 **What is UNYVIM?**

4 UNYVIM is the Upper New York Annual Conference Volunteers in Mission structure, which exists to
5 encourage and enable local congregations, sub-districts, and districts within the Annual
6 Conference to effectively engage in mission, being God's love to our neighbors in all places.

7
8 **Education**

9 **Team Leader Training:** We have had four TLT sessions during 2013. This has included a total of 32
10 participants, as usual ranging from people who have never been on an UMVIM team to those who
11 are already seasoned team leaders, coming either for an update or to qualify their teams for
12 insurance and/or conference grants or scholarships.

13
14 **Early Response Training:** We have had five ERT sessions during 2013, with a total of 92 persons
15 "badged". These have had the same distribution of previous experience as for the TLT sessions. In
16 spite of a great deal of enthusiasm for this training, it has been very difficult to field teams when
17 they are needed.

18
19 All participants in either training have been collated by district and date of training. These have
20 been sent to the district representatives, the DS of each district, and the DR coordinator.

21
22 **Teams**

23 Reporting is still an issue, although the VIM report in the charge conference packet has helped
24 some. At the time of this writing, there were reports in from four districts, one individual, and Haiti
25 Partnership; 41 churches noting teams being sent or represented, with a total of 296 persons. The
26 amount of money spent on these projects or teams is \$305,473. This almost certainly is an under-
27 reporting, even from those districts sending in the reports, and leaves out eight districts.

28
29 We have worked closely this year with the Haiti Partnership, in helping fund their teams, resource
30 their trainings, and gaining experience with them. They are good about reports! Their numbers are
31 included in the totals above.

32
33 **Grants and Scholarships**

34 We have provided 11 team grants, 10 international (\$500) and one domestic (\$200). In addition,
35 we have provided five individual scholarships, two international (\$200) and three domestic (\$100).
36 Requirements for receiving a grant include having a VIM or equivalent trained team leader, having
37 appropriate insurance for the team, being open to participation beyond the local church, and
38 serving in a VIM-approved project site (not necessarily UMC). Requirements for scholarships are
39 the same, with preference given to youth or first-time missionaries.

40
41 **Administrative stuff**

42 Each of our 12 districts has one or more UMVIM representative. These form our conference
43 UMVIM steering team. A list of these steering committee members can be found at
44 www.unyumc.org/pages/detail/1446. A job description for this position has been developed and
45 accepted by the team. We have established a pattern of two team meetings annually, one in
46 November or December and one in May, just before Annual Conference, with good attendance
47 and participation. Most of our work is done via email, Oovoo, or conference calls.

In response to the appointment of Greg Forrester to UMCOR, a new Northeastern Jurisdictional UMVIM Coordinator is in place. He is Deacon Paul “Nick” Nicholas, living in Philadelphia. Nick is bringing new ideas and energy to the NEJ team.

Communications

The website has been revised and is updated as needed for upcoming events such as trainings and the future teams list. The conference communications team has incorporated our email list into theirs, and will send information via *UNY notes*. A goal is to have more stories about mission teams available; this can only be done as teams report, and in cooperation with the communication team. We do have a Facebook page, which is also updated regularly. Like us on Facebook!

Goals

Our hopes, dreams, prayers for the future include increased awareness of VIM in local churches, increased reporting of teams serving, and increased numbers of trained team leaders and early response teams. We also look forward to better coordination both with Disaster Response and the UNY Board of Global Ministries.

Sylvia Reimer, Conference Coordinator UMVIM

2
3 The Upper NY UMW Mission Team met twice in executive session with District Presidents or a
4 representative from each District. Our Finance Committee met once to set our budget for 2014.
5 Our Program Committee met twice to plan our annual event.

6
7 The Upper NY UMW Mission Projects Committee met to review and award mission grants. They
8 presented their report at the annual meeting in October in Amherst, NY. Those serving on the
9 Mission Projects Committee are Valerie Clark, Chairperson; Tracy Jackson, Vice Chairperson; Leona
10 Peterson, Treasurer; Patricia Briggs; Ellen Klock, Judith Stevens, Jean Sherwood, Jan Griener and
11 Carole Collins.

12
13 During the summer of 2013, we had three Schools of Mission U in three different locations. Our
14 first school was at Cazenovia College. Our second school was at Camp Asbury on Silver Lake. Our
15 third school was at Silver Bay YMCA. Each school offered the same three studies, but in different
16 formats. The school at Cazenovia offered a program for children and also a youth program. The
17 schools were a success, and it was decided to continue with three schools in three regions again in
18 2014. They will still have the same function and emphasis on mission. They will be at Cazenovia
19 College, July 18-20; Camp Asbury on Silver Lake on July 17-19; and Silver Bay YMCA on Sept. 12-15.

20
21 Our Conference Annual meeting was held at the Trinity United Methodist Church Amherst, N.Y. on Oct.
22 18-19. This was a two-day event where we combined our officer training and our annual meeting into
23 one event. At the business portion of this gathering we elected officers for 2014 and approved the
24 proposed 2014 budget. The theme for our meeting was *The Face of Human Trafficking*. We had two
25 terrific speakers on this tough subject who gave us much to think about. They were Andra Ackerman,
26 Bureau Chief for the Monroe County District Attorney, and Jennifer McCallum, Seminar Project
27 Committee, National Women's Office.

28
29 This April, many of us will be traveling to Louisville, Ky. for the National UMW Assembly meeting. Their
30 theme is: *Will You Make it Happen?* There will be many inspirational speakers and Bible study, displays, a
31 chance to do mission work — Ubuntu Day of Service, worship together and many workshops.

32
33 We continue to work to living out our UMW purpose: *United Methodists Women is a community of*
34 *women whose purpose is to know to God and to experience freedom as whole persons through*
35 *Jesus Christ, to develop a creative supportive fellowship and to expand concepts of mission through*
36 *participation in the global ministries of the Church.*

1 **Violet's Garden/Garden for Young Disciples - Advance #3075**

2
3 *Violet's Garden/Garden for Young Disciples* continues to provide seed money to local church
4 initiatives that address the spiritual growth of children and youth. We receive grant applications
5 twice a year, on May 1 and Nov. 1. We appreciate some of the unique and innovative ways
6 churches are reaching out to children and youth in their communities.

7 Our May, 2013 grant recipients were:

- 8
9
- 10 • Christ Community UMC, Syracuse, for a VBS program held on-site at the Madison Village
11 (formerly Casual Estates, Rte. 57, Liverpool) mobile home community. They reported 15
12 children participated and that they have formed an ongoing relationship with the site
13 management to host a Friday night youth café the first and third Fridays of the month either
14 on site or at the church depending on plans for the evening.
 - 15 • Christ UMC in Moravia, for a pilot year of their *180 Kid Time* after-school program for
16 elementary aged children offering ways to worship through arts, crafts, music theater,
17 movement, study of scripture, and character education. Help with homework is also offered.
 - 18 • Stannards UMC, to offer an evening VBS experience in a community that had not had a VBS
19 in many years.
 - 20 • Covenant UMC, Rochester for their *Backyard Bible School* which runs for seven Wednesday
21 nights during the summer; this initiative not only involves the children and youth of the local
22 Beechwood neighborhood, but their adult family members as well.

23
24
25
26 All of these ministries relied on the talents of their local church member volunteers.

27 In November 2013, we awarded grants to:

- 28
- 29 • Centenary UMC, in Bath, to purchase Spiritual Development Curriculum materials (Bible
30 study guides, devotionals) for their community youth group and funds to support the group's
31 outreach ministries; such as helping to plant, weed and harvest produce at the community
32 garden to donate to the local food pantry and other community based projects.
 - 33 • Southeast Asian Ministries, for the Laotian community in Johnson City and the Karenni
34 refugee community in Syracuse. Specifically, to aid in the ministries of Bible study,
35 discipleship classes and a prayer group one evening a week with the children and youth of
36 these communities.
- 37
38

39 The amount allotted for each "grant period" is currently \$2,500; \$5,000 per year. We give thanks
40 for local churches who faithfully donate funds to our advance each year. At the end of 2013, our
41 fund balance was \$6,400. We hope that this report will alert the pastors and lay members of our
42 annual conference about the opportunity to apply for a grant, should they conceive of a plan to
43 nurture young disciples in their local setting; and to consider forwarding funds for our advance,
44 perhaps as a free will offering on their Sunday school celebration Sundays or in honor of their
45 Sunday school teachers and volunteers.

46

VI. REPORTS

1 Currently, we have a team of three grant readers, the convener, Lorrie Spence of Clifton Springs
2 UMC, and Audrey J. Smith of Dalton, N.Y. We would like to expand the work of Advance #3075 to
3 include a more pro-active approach to inform our local churches of the work of *Violet's Garden* and
4 would welcome individuals with talents in this area and in the area of fund raising. In order for this
5 garden to keep growing, it is important that we find some supportive individuals, congregations
6 and community members to provide funding so we may continue to encourage local churches'
7 visions of rising up a new generation of young disciples of Jesus Christ.

8
9 The grant application is currently posted on the conference website; or if you wish to request a
10 hard copy of the form; please feel free to contact: Rev. Joellyn Tuttle, *Violet's Garden* Convener,
11 Skaneateles UMC, 26 Jordan St., Skaneateles, N.Y. 13152.

1 **Vital Congregations**

2
3 The past year has seen the continued development of the *Hand to Plow* process. Our first year of
4 Peer Learning Groups came to a close, and 13 congregations are moving into the Consultation
5 Phase of the process. In fact, November 2013 brought with it our first Consultation Weekend at
6 Auburn UMC. Since then, the people at Auburn UMC have begun to implement the
7 recommendations from the weekend. We have also seen the start of three groups continuing in
8 Peer Learning that have completed the first year.

9
10 Moving forward, the decision was made to delay the start of a new round of Phase 1 for 2014.
11 Through the course of the first year many things were learned. In order to best serve the local
12 congregations, it was determined some adaptations needed to be made to the process. Delaying
13 the start until fall will allow for the best possible process to be shared with the conference.

14
15 The year ahead will include a continued commitment to the *Hand to Plow* process as a primary
16 avenue of helping congregations revitalize. It is anticipated there will be additional components of
17 *Hand to Plow* developed and made available to local congregations. In support of these efforts, a
18 Vital Congregations Team is being formed to allow for a broad input into the resources and ideas
19 that are used in the effort to come alongside local congregations.

20
21 In all, local congregations are finding encouragement and hope as they participate in the *Hand to*
22 *Plow* process. Each week, more stories emerge of congregations reclaiming the mission to develop
23 disciples of Jesus Christ for the transformation of the world. This effort by local congregations
24 points to the work of the Conference to live the Gospel of Jesus Christ and to be God's love with
25 our neighbors in all places.

26
27 It has been a privilege to serve God and the Conference as the Director of Vital Congregations, and
28 I look forward to even greater blessings as we journey together.

29
30 Grace and Peace,
31 Rev. Dr. Aaron M. Bouwens,
32 Director of Vital Congregations

1 **Youth Ministries (CCYM), Conference Council on**

2
3 The theme that we as a CCYM have picked for this year is *“Called to Catch Fire: An Adventure With*
4 *God”*.

5
6 Vicki Standhart says that “The theme means that we are all called to catch the spirit’s flame. We
7 shouldn’t hide this flame from anyone or anything, but rather let it shine bright as you go through
8 your faith journey as you are gaining a better understanding of not only yourself but your
9 relationship with God as well. Let God be a full part of your journey through life and not just at
10 church when you are most comfortable, but everywhere and in doing everything. Let go and let
11 God.”

12
13 Nora Walkley says “I think it’s a journey with God which has many insightful and surprising twists
14 and turns. A journey to not only find yourself in this crazy thing called life, but a journey with God
15 to help better define your relationship with Him.”

16
17 This year, the CCYM hosted two fall events called *Fall Gathering*. The first one was from Nov. 15 to
18 16, which was held in Schenectady at Schenectady First UMC. The second was from Nov. 22 to 23
19 and was held in Rochester at Aldersgate UMC. Both were extremely fun and well attended by
20 many youth.

21
22 We have also planned an upcoming event this spring. Our annual UP!Word will be held from April
23 4th - 6th at the Liverpool Holiday Inn. We are extremely excited and honored to have the band
24 Stellar Kart performing and being a part of our worship services. We are also excited to be
25 welcoming Bishop Mark J. Webb, who will be preaching and serving communion, as well as
26 appearances from a number of our district superintendents, who will be gracing us with their
27 presence as they lead some of our disciple sessions.

28
29 This year, the Upper New York Conference sent six youth on the Northeastern Jurisdiction annual
30 Mission of Peace trip to South Africa from Dec. 28, 2013 to Jan. 15, 2014. To clarify, the Mission of
31 Peace is an annual journey of shalom to a different country each year. Each group that travels on a
32 Mission of Peace goes to learn about the people, the lifestyle and the culture of the country by
33 building bridges of understanding and being fully open to each experience presented with. The six
34 individuals from the Upper New York Conference that were blessed with this amazing experience
35 were Abby VanVleck, from the Genesee Valley District; Logan Howland, from the Oneonta District;
36 Katie Shumway, from the Finger Lakes District; Krystal Cole, from the Albany District; Johnny
37 Church, from the Genesee Valley District, and Vicki Standhart, also from the Genesee Valley
38 District. This was definitely an unforgettably life-changing experience for everyone.

39
40 As the youth of the Upper New York Conference, we want to thank the Conference for not only
41 supporting us, but helping to give us a voice and genuinely caring for the youth by not only coming
42 to participate in our events but also giving us the ability to have so many youth participating in
43 Annual Conference. It is a joy to be a part of a conference that gives youth so any opportunities to
44 be present and to voice what matters. We appreciate how much the adults care to hear what
45 youth have to say and take our opinions into consideration.

46 We very much encourage anyone and everyone that is interested in coming to experience the
47 youth in action at our fall events in November, as well as our spring event in April. We also

1 encourage you to attend district events. It is great to get to know the youth of your own district as
2 well as other districts. Attending these events is a great way to connect with youth in a whole new
3 way which is exciting and spiritual for us. It is sometimes good and important for adults to
4 experience how youth enjoy connecting with God and spiritually feeding our souls.

Albany United Methodist Society (AUMS)

Ministry highlights from 2013

Albany United Methodist Society (AUMS) After School Enrichment Program offered youth 5-12 homework assistance, gym recreation, and a healthy snack Monday – Friday 3 p.m. – 5 p.m. Volunteers from SUNY Albany and College of Saint Rose assist.

AUMS’ Summer Enrichment Camp spanned 5 weeks in July and August and hosted 15 youth ages 6-12 in workshops, games, presentations, and field trips to UM churches for outdoor recreation. 20 teens ages 14-18 enrolled in the Albany Summer Youth Program served 20 hours a week at the camp as counselors, receiving one day of in-service training per week.

AUMS’ Career Pathways wrapped up its program to assess, train and place job seekers ages 18-24; in partnership with NYS Office of Temporary and Disability Assistance.

AUMS also operated AUMS Food Pantry as well as *Kindred Spirits United* senior program.

AUMS holiday activities included providing Thanksgiving baskets and Christmas toys. Youth were invited one evening to pick out adult gifts for their parents and caregivers. Many churches provided toys as did the *Marines Toys For Tots* program.

AUMS benefited from the service of Allen Bower, a US-2 missionary assigned to AUMS through the Board of Global Ministries.

Proposed new projects and /or initiatives for 2013

AUMS’ 55th Anniversary Banquet will be held Thursday April 10, 2014 at St. Sophia’s Greek Orthodox Church in Albany. We will highlight the history of our community center dating back to its incarnation as the Catholic Youth Organization center in Albany.

The leveraging of our center, situated ideally for a range of community outreach programs, will continue to be a priority in 2014:

Apart from our youth programs, food pantry, and *Kindred Spirits United* senior program, we will host basketball leagues, tournaments and community programs in our gymnasium. We are finalizing state licensure for our youth programs.

We will develop a neighborhood garden this spring that will engage interested residents as well as AUMS program participants in growing and harvesting vegetables. Volunteer construction days are planned.

1 We will host English as a second language (ESL) and GED classes beginning in April in partnership
2 with BOCES. Mentoring opportunities will be available to United Methodist churches.

3 We will engage AmeriCorps members through Siena College to supervise our Summer Enrichment
4 Camp, as well as teen workers through the Albany A-Plus Summer Employment Program. The
5 addition of AmeriCorps members will allow us to extend the camp to an additional session.

7 Dear Colleagues in the Upper New York Conference,
8

9 Greetings in the Spirit of Jesus Christ! Thank you for your prayers and support for United
10 Methodist theological education. This has been a bountiful year for Boston University School of
11 Theology, beginning with the arrival of a passionate community of students from 35 states and 16
12 countries. The year has had many highlights.
13

14 **Breaking News:**

- 15 • **Doctor of Ministry:** The School has unfolded a new Doctor of Ministry program designed to
16 enrich church leaders in traditional and non-traditional settings and to deepen their
17 theological understanding and commitment to the practice of ministry. The DMin focuses
18 on transformational leadership. It includes four intensive seminars on campus in August and
19 January, a series of online courses, and opportunities for students to work closely with
20 faculty as they research their own unique questions and visions.
- 21 • **Community Center:** The School's renovated Community Center has become a favorite
22 gathering space – sustainable, hospitable, and accessible. It is the welcoming home for
23 weekly community lunches, study, conversation, play, seminars, retreats, and parties.
- 24 • **Religion and Conflict Transformation (RCT) Clinic:** The RCT Clinic sponsors projects to
25 address conflict in congregations, interfaith peacebuilding, restorative justice, and
26 mediation.
- 27 • **Expanded Scholarship Options:** The School has expanded its scholarship options to include
28 full-tuition scholarships for UMC certified candidates for ordained ministry, African
29 American Thurman scholars, Latino/a Raices scholars, and School of the Prophets scholars.
30

31 **Deepening Spiritual Life:** The community enhances spiritual growth in many ways:

- 32 • **Building intentional living communities:** The School sponsors and helps support Theology
33 House, Green House, and Beane House of Study, where students live with intentional and
34 communal practices.
- 35 • **Enhancing spiritual life** through weekly worship, reading retreats, winter retreat, daily
36 morning prayer, and small groups.
- 37 • **Offering spiritual journeys**, including the Vocations Vacation to ministry and service sites
38 and the Seminary Singers tour to local churches.
39

40 **Engaging The World:** BU School of Theology students and faculty have traveled and served
41 extensively in the world during the past year:

- 42 • **Giving** hundreds of volunteer hours across the Boston region, U.S. and world in church
43 camps, homeless shelters, peace organizations, global United Methodist programs, and
44 other settings.
- 45 • **Traveling** in study groups to Turkey (Ephesus), Israel & Palestine, Cuba, rural and urban
46 ministry sites, and churches and service organizations across the U.S.

- 1 • **Sponsoring** conferences on global Christianity and the Dictionary of African Christian
2 Biography
3 • **Serving** in local churches and community agencies in contextual education placements,
4 courses, and special internships.
5

6 **Pondering Critical Issues:** The School's annual theme was *Free at Last*, to honor Martin Luther
7 King, Jr. and his immortal *I Have a Dream* speech. The community engaged in urgent questions
8 regarding race, sexual orientation and gender identity, and poverty, creating open and respectful
9 spaces to discuss themes that are important to, and controversial in, the church and larger society.

10
11 The ministry of the Boston University School of Theology is to partner with you in serving the
12 Church and in caring for the larger human family and God's precious creation.

13
14 Yours with gratitude,

15 Mary Elizabeth Moore
16 Dean, Boston University School of Theology
17

1 **Garrett-Evangelical Theological Seminary**

2
3 Garrett-Evangelical Theological Seminary continues its commitment to develop and nurture skilled,
4 bold and articulate leaders for the Church, the academy and the world. Since our founding 161
5 years ago, we have articulated and lived our core purpose: To know God in Christ and, through
6 preparing spiritual leaders, help others know God in Christ.
7

8 Last fall, we welcomed 171 new students, bringing the fall Master of Divinity enrollment to 399.
9 The gender/ethnic profile is: 51% female; 55% white; 20% Black; 5% Asian; 3% Hispanic/Latino/a.
10 Fourteen percent of the student body is international. Thirty-five denominations, four continents,
11 13 countries and 33 states are represented in the student body.
12

13 Seventy-percent of the students in all degree programs are United Methodist.
14

15 Garrett-Evangelical is committed to making seminary education affordable, and easing the
16 financial stress on students. This academic year, the seminary awarded over \$2.5 million in
17 financial aid, offered numerous federal work-study positions, and assisted with paid internship
18 opportunities in diverse settings through field education.
19

20 In fall 2014, Garrett-Evangelical Theological Seminary begins a guaranteed tuition rate initiative for
21 master's level students. Students are guaranteed the same tuition rate for two or three years,
22 depending on the program in which they enroll. Tuition rates for new Master of Divinity students
23 will be guaranteed through the summer 2017 Term. Tuition rates for new Master of Arts or Master
24 of Theological Studies students will be guaranteed through Summer 2016 Term. This initiative is
25 yet another step in ensuring students enter the world of ministry with as little student debt as
26 possible.
27

28 Last September, the seminary celebrated the establishment of the fully-endowed Rueben P. Job
29 Chair of Spiritual Formation. At the same time, we installed Dr. Frederick W. Schmidt as the
30 Rueben P. Job Associate Professor of Spiritual Formation. Garrett-Evangelical is the first among
31 Protestant seminaries in the United States to have a fully funded chair in spiritual formation.
32

33 Two revered faculty retired this past year. Larry Murphy, professor of the history of Christianity,
34 retired after 39 years of service. He was a key individual in developing the seminary's Center for
35 the Church and the Black Experience.
36

37 Ruth Duck, professor of Christian worship, retired in December. A world-renowned hymnist, her
38 most recent book, *Worship for the Whole People of God: Vital Worship for the 21st Century*, was
39 published in October 2013.
40

41 Several initiatives to support clergy and lay education are under way. During the spring semester,
42 15 academic classes were offered in an online format, some with a continuing education option.
43 Among the options are:
44

- 45 • *Plus*, a first-of-its-kind cooperative executive education program of Garrett-Evangelical and
46 Northwestern University's Kellogg School of Management, involving two-years of seminars
47 led by experts in non-profit and church leadership for professionals in ministry;

Additional information is available at <http://www.garrett.edu/intersection>.
- A *Doctor of Ministry* program offering five tracks of study: Congregational Leadership; African American Congregational Leadership; Spiritual Direction; and Mission in the Contemporary United States; and the Association of Chicago Theological School’s (ACTS) D.Min. program in preaching.

In the coming months, Garrett-Evangelical will roll out new programs online, in Evanston, in congregational settings, and on the campuses of select United Methodist-related colleges. Garrett-Evangelical serves over 550 students in degree-related courses, certificate programs and the summer Course of Study School.

We encourage you to visit our website, www.garrett.edu, and to visit us on campus. We are grateful to serve The United Methodist Church and the church at large.

On Jan. 1, 2014, I became president of Garrett-Evangelical Theological Seminary. I am grateful for the opportunity to serve the seminary and the Church in this capacity. Garrett-Evangelical is blessed with a great heritage and a strong future. Please let us know if there are ways we can work with you as we continue to seek to be a seminary for the Church and the world. Thank you for your prayers and support.

New York State Council of Churches Report 2013 (NYSCC)

The preamble to the NYSCC Constitution states the biblical mandate undergirding our mission: “to declare God’s just will among the powers and principalities.” Since 1889, the New York State Council of Churches (NYSCC) has enabled Protestant denominations across the state to seek the unity Christ prayed for His Church and to strive for mission goals that our churches can better accomplish by working together: social witness; certification and support of Protestant chaplains in state institutions; and ecumenical cooperation in worship, education and action.

The highlights of the year are below:

Social Witness

- Adopted issue statements on Gun Violence and Immigration Reform
- Attended lobbying rallies concerning such issues as minimum wage; fracking; gambling; solitary confinement; and gun safety
- Attended Ecumenical Advocacy Days in Washington, D.C.
- Endorsed and urged passage of the Justice and Mental Health Collaboration Act
- Collaborated with the Labor-Religion Coalition to sponsor *Faith for a Fair NY*, a two-day conference on advocacy and justice issues
- Sponsored a trip for youth to the United Nations to help them learn that as Christians they do have a role in public policy, advocacy, and justice issues both locally and globally
- Participated in the Saratoga Peace Fair and the Interfaith Walk for Peace
- Published op-ed pieces in newspapers across the state
- Appeared in advocacy videos on public policy issues

Institutional Chaplaincy

- Continued certifying chaplains for ministry in our state institutions
- Began work to revitalize and expand the New York State Association of Protestant Chaplains
- Worked in partnership with the Department of Corrections to assure chaplains are placed appropriately and have tools needed to support their ministry

Unity in Worship, Education And Action

- Prayed that our work together would inspire the worship and witness of each member denomination and congregation in New York state

VI. REPORTS

- 1 • We have worked to increase effective communication through improved use of social media. Our
2 website is: www.nyscoc.org and we invite you to “like” us on Facebook
3 • Hired the Rev. Dr. Paula Gravelle as Executive Director, and gave a warm send-off to the Rev. Dr.
4 Robert White, Interim Executive Director
5 • Prayerfully considered the direction of the New York State Council of Churches for the future and
6 committed to continuing the work we do on behalf of Christians throughout the state

7
8 New realities and reduced financial resources require a broader membership base and more
9 grassroots involvement of congregations and individual church members in our common mission.
10 In the year ahead, we will be reaching out to invite Christians throughout the state to join us in the
11 work we are called to do as the body of Christ in this time and this place.

12
13 Thank you for your partnership with us.

16 Executive Director

1 **Refugee and Immigrant Support Services of Emmaus, Inc. (RISSE)**

2
3 “Being God’s Love with our neighbors in all places.” RISSE brings this UNYAC vision statement to
4 life. RISSE serves primarily refugees, but also other immigrant families in Albany. Many of these
5 families arrive from places of war and genocide. Some have lived in refugee camps for a dozen
6 years or more. Most speak little or no English. Some are illiterate in their native language. The
7 realities of urban life – bus lines, apartment leases, school services, health services and even
8 kitchen appliances are overwhelming. RISSE has become a center for family-based education and
9 support to neighbors in extreme life transition. Current clients come from 22 different countries,
10 speaking diverse languages.

11
12 Youth: The young people often enter the school system with lesser academic skills than their U.S.
13 counterparts, and with little or no English proficiency. RISSE offers an after-school (and school
14 vacation) program for such youth in pre-K through eighth grade by providing professional English
15 as a second language (ESL) tutoring, homework help and enrichment activities. RISSE offers a hot
16 meal and healthy snack daily. In the year 2013, enrollment in this program remained consistent at
17 the maximum of 75 students.

18
19 During the summer, RISSE offers a six week, full-day program for youth providing an important
20 continuity of learning. Newly arrived children receive a jump start on the school year. Enrichment
21 activities included field trips, swimming, vacation Bible school. In 2013, RISSE partnered with the
22 City of Albany through the summer youth employment program, employing and supervising 22
23 refugee and immigrant teenagers (many who had come through the RISSE program themselves) as
24 counselors for the summer program. Summer 2013 enrollment was 80 youth.

25

Alan Lewis Finney

Alan Lewis Finney was born on Aug. 27, 1940 at Springer Private Hospital in Lestershire, N.Y. to Fayette (Goldin) and Alva Finney. He grew up in Conklin Forks, N.Y. with his four siblings on a small working farm. He graduated from North High School in 1958 (Binghamton, N.Y.). He worked at Singer Link, taught adult education of basic electricity classes at North High, and then he began an employment opportunity with AT&T. Secondary to financial challenges facing a small farming family, he decided to join the United States Coast Guard to serve his country from 1963-1969. After providing his years of service, he attended an associate degree program for liberal arts at Broome Community College (1981). Upon his completion of this program, he attended his seminary program through Duke University (N.C.). As a child and teen, he was exposed to the Baptist influence through his sister, which inspired his calling to the ministry. This experience prompted his involvement in lay speaking, which he grew into a director of lay speaking role. While completing his work at Duke University, he began as a part-time local pastor at Brookvale United Methodist Church. He served this church family for 10 years (1975-1985). Then, he began serving the congregation at Franklin Forks United Methodist Church (1985-2005). He retired from his pastoral appointment in June 2005.

On Aug. 23, 1969, he married Della Charity (Davis) Finney, whom he met on a blind date. They grew as a family with the first child, Carrie Faith (Finney) Shore. They were then blessed with David Alan Finney, followed by, Elaine Hope (Finney) Schneider, who was the final biological child. Their final blessing was their adopted son, Zachary Curtis Finney. At the time of Alan's passing, his family had expanded by the marriages of his children and the growth of their own families: Carrie, Joe, and Joshua Shore; David, Amanda and Emma Finney; Elaine, Matthew, Norah, and Warren Schneider. In addition to raising their own family, they provided 11 years of foster parenting to five children. He also was "Dad" Finney to many of his children's friends. As a family, they enjoyed traveling, and Alan enjoyed sharing his interest in exploring the community around them.

Alan entered into his heavenly home on Nov. 1, 2013. He always wanted those that he counseled, parented and befriended to know their own worth in this world, embrace it and look forward to celebrating in their heavenly home. In Alan's own words, "Let us be thankful for what we have known and experienced in his life and remember that he wants what God wants for us – *Salvation through his Son, Jesus Christ!*"

Reverend Frank Adams Halse, Jr.

Reverend Frank Adams Halse, Jr. was born prematurely on a kitchen table in Troy, N.Y. The doctor put him into a shoebox lined with cotton balls, then surrounded the box with quart jars of hot water, and told his parents, Frank and Anna (Chatfield) Halse, to pray. He survived that first night and went on to lead a life filled with wonder, laughter, and compassion. Frank died at age 86, surrounded by loved ones, at Upstate University Hospital in Syracuse, N.Y. on March 9, 2014. He was a bard of bad puns and a poet of both the lives of ordinary people and the endless grace of God. He loved climbing in the Adirondacks, all-night bridge games by the campfire in Osceola, and swimming with loons in Maine. He believed that communion could be jelly doughnuts and black coffee as easily as it could be bread and wine, and that tomatoes were meant to be

eaten the instant they were picked, as long as you remembered to bring the salt shaker into the garden with you. He was proud to be known as a crossword puzzle snob and refused to write with anything that was not a black felt-tip pen. Frank Halse raged against incompetent and corrupt politicians, cynical preachers who manipulated the faithful, most capitalists, split infinitives, and slow drivers who clogged the passing lane. His wrath was mightiest against those who hurt the vulnerable and the weak. He served as a crew chief for P-51 Mustang planes in the 8th Air Force, 55th Fighter Group, and 343rd fighter squadron during the waning days of WWII. The horrors he experienced at the newly-liberated Dachau concentration camp transformed him, and led him to dedicate his life to the teachings of Jesus Christ.

He graduated from Boston University School of Theology in 1955, and served for nearly 30 years as a United Methodist minister in churches across Northern and Central New York, and as chaplain at the Wesley Foundation of Potsdam and at Syracuse University. Many of the college students under his care became like sons and daughters to him. Their accomplishments and growth were a great source of pride and their continued presence in his life was a treasured blessing. In addition to his pastoral work, Frank ran counseling centers in Baldwinsville and North Syracuse.

Frank was preceded in death by his beautiful wife, Joyce Holcomb, and his sister Janet Lashomb. He is survived by his sisters, Norma Skinner and Barbara Gayle; his daughters, Laurie (Scot) Larrabee and Lisa Stevens; his grandchildren, Stephanie Anderson, Jessica (Ryan) Barsuch, Meredith (Steven) Cheryba, Christian (Maria) Larrabee, and Ryan, April, and Tiffany Stevens; as well as four great-grandchildren, his beloved niece, Rev. Barrie Lyn Foster, and nephews, Karl and Keith Wenzel. Services were private.

Pastor Kathryn Hemstreet

Pastor Kathryn Hemstreet, 94, died on March 24, 2014. She was a Licensed Local Pastor in the former Western New York Conference, where she served Angelica UMC from 1987 until her retirement in 2000. She served with her husband, Albert Hemstreet, who was a part-time local pastor and predeceased her. Her daughter, the Rev. Frances Hemstreet, pastor at the Harrisville and Natural Bridge United Methodist churches, shared this reflection on her mother's life:

Dear sisters and brothers –

I am asking for your prayers for sustaining grace for the next several months for me, my husband, Fran Grimmer; our son Kevin, and my birth family. My mom died Sunday evening at age 94, probably of pneumonia and a 20-plus year diagnosis of Parkinson's disease.

Let me tell you a bit about her: Mom was an Iowa farmer's daughter, who was called into the ministry in the 1940s – before women were ordained. So she did graduate work in Christian Education, worked in three local churches as DCE, and helped found a daycare for inner city preschoolers in Buffalo.

She served the United Methodist Women at the local, district, and conference levels, and she was one of the first members of Western NY COSROW. She served a term at Northeastern Jurisdictional Conference in the 1980s, and served on the General Board of Higher Education and Campus Ministry.

She and others put together some feminist-oriented workshops at Kenmore UMC, where I learned I had a lot more choices – and responsibilities and capabilities – than I realized.

Her theological stance was old-school liberal, which today I think we call "progressive," but she was liberal in all ways – as in "open" to the movements of the Holy Spirit.

She was a singer and piano player, a "sticky bun" baker, a curriculum writer, a social activist, and a letter writer, who lived to encourage others. She loved her family.

Her smile could light up a room. She had strong opinions, but always encouraged us to make up our own minds.

She lived fairly modestly, so that she had enough to help others. If you want to claim her legacies with me, start with Micah 6:8, keep yourself strong in Jesus, encourage others in their Christian walk, stand up for what is right, and give generously to the charities of your choice.

Reverend Janet "Gig" Wright Nelson

Reverend Janet "Gig" Wright Nelson passed away at age 88 at Oconee Medical Center, Seneca, S.C. on Nov. 23, 2013.

Gig Nelson was born in Westfield, N.J. on July 20, 1925, the daughter of Henry O. and Marian Corbett Wright. She was the wife of Dr. L. Dean Nelson, who passed away on May 28, 2014. Surviving are her daughters Karen Nelson Basso (Derek), Gail Nelson Jones (Arthur) and Dr. Beth E. Nelson (Stanley Fullwood); her brothers Robert Wright (Eleanor Starr) and Bruce Wright (Joan), three step-grandchildren, seven great-grandchildren and one great-great grandchild.

Gig was baptized and confirmed in the Westfield Presbyterian Church and graduated from the Westfield, N.J. schools in June of 1943. For two years she studied Ceramic Design at Alfred University, Alfred, N.Y., where she and her husband met. Gig and Dean were married on April 13, 1946 after he was discharged from the Army at the end of WWII. She supported herself and her husband and put him through optometry college by working as secretary to the president of the West Coast division of Birdseye Snider. While raising their daughters, she completed training as an optometric assistant and became a key member of the staff of her husband's optometric practice in Hamilton, N.Y.

Her skills and special ministries included working with youth and pastoral counseling. Gig worked extensively with youth as a layperson during her more than 20 years as a member of the Park UMC in Hamilton, N.Y.; she created and led a weekly ecumenical discussion group for junior high students called the Teen Inquiry Group. She also created an informal folk worship aimed at young people for Park UMC. She served in many volunteer leadership roles at Park UMC including president of the United Methodist Women, president of the parsonage

committee, member of the Pastor-Parish Relations Committee and the nominating board, teacher of junior high, member-at-large of the administrative board, and was a counselor at Camp Aldersgate. Her passion for young people inspired her to return to college to become an ordained Methodist pastor. She completed her studies through the Wesley Theological Seminary's Lay Pastors School in Washington, D.C., received her license to preach in 1973, and was ordained a Deacon in 1979, when women serving in the ministry were rare.

After her appointment as a local pastor she served on the district Commission on the Status and Role of Women. As a lay pastor, she was guest preacher at Colgate University, Folts Homes, Brookfield Baptist (1st Day), Madison, Bouckville and Poolville UMCs, and served several months as interim pastor of Leonardsville UMC. She retired in 1984 as pastor of both the Lairdsville and Vernon UMCs. She and Dean moved to Mountain Rest, S.C., in the foothills of the Blue Ridge Mountains.

She then served as a circuit rider, including preaching 22 times at the Salem (S.C.) UMC. She served as guest preacher for several South Carolina churches including Zion Methodist, St. Luke UMC, Wesleyan Methodist and Westminster UMC. As a member of Clemson UMC she served on the worship committee, taught vacation bible school, led young adult classes and a meditation for UMYF, served communion during the worship service and at local nursing homes, assisted with liturgy as needed, and preached twice. She and Dean welcomed Clemson University students into their home. In 2002, due to health concerns, Gig and Dean transferred their membership to Saint Mark UMC in Seneca, S.C., which was closer to their home. There they were closely involved with the adult Sunday school. She delivered her last sermon at the age of 85 at Saint Mark on May 22, 2011.

Gig expressed her creativity and artistic talent in painting, pottery, gardening and floral design. She held a deep empathy for all living creatures. She was an extraordinary woman who was professionally accomplished and widely respected, fiercely loyal to her family, deeply involved with her church, and passionate about her ideals. She served all, without regard for her own needs. Gig's life's mission is reflected in the opening lines of a poem which was her favorite as a child:

*Let me live in a house by the side of the road,
And be a friend to man.*

A memorial service was conducted on Dec. 12, 2013 by the Rev. Jeff Childress of Saint Mark UMC in Seneca, S.C. Her ashes were interred at Evergreen Memorial Gardens, Walhalla, S.C.

Reverend Revere C. Perkins

Reverend Revere C. Perkins, 88, was called home to our heavenly father on June 30, 2013. Born in Wellsville, N.Y., the son of the late Orville and Cora Goodrich Perkins of Hallsport, N.Y. Revere was one of seven siblings. He was predeceased by his beloved wife of 59 years, Lyna Jenny Erickson Perkins. They were married on Sept. 21, 1946 in Eureka, Mont.

Revere and Lyna faithfully served as husband and wife in mission and ministry for 59 years until Lyna's passing in 2005. They raised five children: Revere D., Helen, Donald, Esther, and Dorothy, nine grandchildren and fifteen great-grandchildren. Revere graduated from Wellsville High School. He also attended Nyack College in New York City, as well as Houghton College and Alfred Theological Seminary.

From the beginning of his ministry as a missionary to the Sioux Indians in North Dakota to the last days of his life at Beth Shalom Nursing Home in Virginia Beach, Revere lived life with a steady trust in God, an unswerving hope in Christ's promises, and an extravagant love for the Lord that overflowed into every life he touched. He loved the Lord with all his heart and with all his soul and with all his strength; he was somehow able to take those commandments from the book of Deuteronomy; tie them and bind them to his heart that in everything he was a living testament to our Living God! Revere's whole being was a kind, gentleman, and thoughtful of his words, when he spoke, it was something important to receive and listen to.

Mission was an important part of his life and ministry. He served and supported the VBS ministry for children, participated in youth ministry and Sunday school. He had a lot of patience for children, living out the words from Jesus "Let the children come to me and do not forbid them, for of such is the kingdom of heaven." (Matt.19:14) Visitation was also an important part of Revere's ministry, faithfully visiting in person's homes, in the hospital, in nursing homes, and in the various jails near to where he served. Revere consistently helped the homeless. When a homeless person knocked on his door, he often responded by taking them to get something to eat. Revere and Lyna, over the years, had opened up their home taking in several persons who needed a place to live offering them hospitality and Christ's love. To name a few they had taken in was a newborn baby to help out a young unwed mother, and a Vietnamese boy, Jung Ho. In the Walworth church Revere offered special ministry to those from the group home with mental challenges who attended worship services. While Revere served the Warsaw church he had a local radio show that he enjoyed putting together each week. Revere and Lyna were directors of the Senior Citizens Camp in Watson Homestead for many years.

Rev. Tim Phelps was the celebrant for Revere's funeral in the Bolivar Church on July 6, 2013. Dr. Timothy Hazlett was the celebrant for Revere's memorial service in Chesapeake, Va. on Aug. 16, 2013. Both pastors were sons of pastoral friends who had attended seminary with Revere. Burial was in the Hallsport Cemetery in the Town of Willing, N.Y.

Revere's service record: Fort Totten, ND, Hettinger, ND, and rural North Dakota, (*1952 in mission work with the Sioux Indians*), Ulysses Pa., Gold, Pa., Mills, Pa. and Bingham Center, Pa. and in New York he served in Sardinia, Bolivar, Oakfield, Elba, Warsaw, West Warsaw, Walworth, West Walworth, Findley Lake, Olean, Knapp Creek, Whitesville, Stannards, and Allentown.

As Revere is in his resurrected life in heaven, I can hear our Lord Jesus saying, "Come, you blessed of my Father, inherit the kingdom prepared for you from the foundation of the world; for I was hungry and you gave Me food; I was thirsty and you gave Me drink; I was a stranger and you took Me in; I was naked and you clothed Me; I was sick and you visited Me; I was in prison and you came to Me. Assuredly I say to you, in as much as you did it to one of the least of these My brethren, you did it to Me." (Matthew 25:34b-36; 40)

Reverend Clyde Edward Relyea

Reverend Clyde Edward Relyea, son of Clyde F. and Pauline E. Bovee Relyea, was born Sept. 4, 1937 in Camden, N.Y. He grew up in that village and attended Camden schools, graduating in 1955.

Clyde spent a year at Clarkson College, Potsdam, as a chemical engineering student. He then transferred to the College of Liberal Arts at Drew University in Madison, N.J., where he was awarded a Bachelor of Arts degree on the morning of June 6, 1960.

That afternoon, he married Nancy L. Easter, a college classmate, in Summit, N.J., with the Rev. James M. Boyd officiating. Clyde attended the Theological School at Drew University for the next three years, graduating with honors and earning a Bachelor of Divinity degree on June 3, 1963.

The Methodist Church in Camden had a significant influence on Clyde as he grew up attending Sunday school, the youth group, and morning worship with his family. In his sophomore year at Drew he decided to enter the ministry. After first considering the mission field he eventually took the path that led to pastoral ministry.

Ordained a deacon by Bishop W. Ralph Ward in 1961, he was appointed to Waddington-Chase Mills following seminary in 1963. His ordination as an elder took place at Fulton First Methodist Church on May 23, 1965, when daughter Sharon was eight days old. Bishop Ward held her in his arms for a few moments afterward.

Clyde was appointed to Oswego: Trinity in 1967, Watertown: First in 1973, Whitesboro in 1981, Williamson in 1987, and Oneida: St. Paul's in 1992, where he remained until retiring in 2003. Over those years he served in numerous ways beyond the local church – as a Conference Trustee, member of the district committee and conference Board of Ordained Ministry. From 1983-1986 he was privileged to be secretary of the Northern New York Annual Conference under Bishop Joseph Yeakel and then Bishop Forrest Stith. The 1986 Annual Conference session was of historic significance in that it united Northern New York and Central New York conferences, becoming the North Central New York Annual Conference of The United Methodist Church.

Retiring in June 2003 after 42 years of service in the Church, Clyde and Nancy became first-time homeowners with the purchase of property in Oneida Castle where she currently resides. He valued the 10 years he had to putter, fish, take short trips, and mostly to find joy in his family as often as distance and schedules allowed – particularly the nine grandchildren. He also had fond memories of his two beagles that often went to the church with him and made pastoral calls with him.

On Nov. 8, 2013 Clyde passed away unexpectedly in Oneida. A memorial service was held at St. Paul's United Methodist church in Oneida on Nov. 13, 2013 with Pastor Brian Fellows officiating. Sharing in the leadership of the service were the Rev. Chris Kinnell of Sherrill, the Rev. Russell Lee (retired) of Dexter, the Rev. Stephen Maddox of Camden, the Rev. Elizabeth Quick of Liverpool, and the Rev. Dr. Sung Ho Lee, District Superintendent of the Mohawk District. Interment followed the service at Oneida Castle Cemetery.

Survivors are his wife, Nancy; two sons and their wives: Gregory (Michelle) Relyea of Camden, N.Y., and Timothy (Lee-Ellen Strawn) Relyea and of Seoul, Korea; one son-in-law: John Buckingham of Newark, Ohio; nine grandchildren; one brother; several nieces and nephews. Clyde was predeceased by one daughter, Sharon Buckingham, in April 2006

There are three aspects of Clyde that define who he was: First, he saw himself as just an ordinary person, a common man. And, appreciating the music of Aaron Copland, he long ago had indicated that he thought it would be appropriate to have the latter's "Fanfare for the Common Man" played at his memorial service. It was!

Second, he was a "people person." He really liked people, especially relishing the hour prior to the morning worship service when he would greet and visit with worshipers as they arrived.

Finally, he treasured preaching. He liked to quote his preaching professor from seminary, Dr. Henry L. Lambdin, who told the class that if you are visible all week but incomprehensible on Sunday, you have done nothing. Clyde had won the Dorr Diefendorf Award for Excellence in Homiletics in 1963, and took seriously the challenge to communicate well in his sermons.

A man of honor and integrity, a man of his word, a man with a sense of humor – this was the man who was in our midst, who did well, who was a good and faithful servant.

Gladys Snedeker

Gladys Snedeker died March 25, 2014. Gladys Gaib Lynch Snedeker was born with a spirit of adventure and a heart for service on Aug. 9, 1917, in Odin, Ill. With her parents, older brother, and younger sister, she moved to Salem, Ill., which the family called their hometown for many years and where they attended the Methodist church. After High School graduation, Gladys became a buyer for Tresslar's 5&10 Store, attended Carbondale Teacher's College, and taught second to fourth grades, and neighborhood Good News Club. She graduated from Asbury College in Ky. with a pre-law degree, and later got her master's degree in Mission Studies from Scarritt Theological Seminary.

Gladys applied to the Methodist Board of Missions and was accepted for mission work in South America. In 1948 she arrived in Medellin, Colombia, for language school, and soon found herself in the middle of a revolution. When she was finally able to leave the country, she went to Santiago, Chile, for a visit and flew on the first midnight flight over the Andes. She then reached her mission destination in Montevideo, Uruguay, where she taught third grade and Junior College at Crandon Institute (where her children also attended years later), supervised the primary school, taught the English teacher training courses, and taught Vacation Bible School. Gladys met Jim Snedeker as she was passing through Costa Rica in 1952, where he was a Methodist Missionary teaching at the American Methodist School. They were married on Dec. 20, 1953 in Illinois, and continued taking classes at Northwestern and Garrett Theological Seminary where Jim finished his Master's of Divinity degree.

They moved to Cost Rica in 1954 where their three children, Donald, Norma Jean, and Grace, were born. Gladys taught third grade while Jim was Mission Treasurer, preached, and opened a new training school for Christian teachers. They became the "mama-papa" for many missionaries coming to the relocated Language School there and influenced many local pastors and Christian workers. The family moved to Uruguay in 1960 where they pastored several churches, then on to Argentina in 1969 so the children could attend the American Community School. During their 17 years in those countries, Gladys was very involved in teaching Sunday school and leading the women's groups in their churches. She made nightgowns and care packages for nursing homes, cooked for and hosted many gatherings, and was very involved in the youth group and school activities for the children.

Gladys' spirit of adventure took her from the corn fields of Illinois to high in the Andes, to the middle of a revolution, from the Straits of Magellan on the southernmost tip of the American continent to archeological digs, from the Atlantic to the Pacific, to Brazil, Peru, Spain, Israel, Egypt, Scandinavia, and many other countries. One of her babies was delivered by the Vice President of Costa Rica; her neighbor in Argentina was a fugitive Nazi; she cooked for huge missionary gatherings; watched the Catholic Archbishop of Uruguay sit on the floor in her home to play with her children, and cooked her way into the heart of all who entered her home. Gladys taught her

children and others the value of life, love, and family. She taught people about Jesus and served multitudes in His name.

After they became empty nesters, Gladys and Jim moved to the U.S. in 1978 to become Missionaries in Residence at the United Methodist Board of Global Ministries in New York, then taking their first American pastorate in Canajoharie, N.Y., followed by another in East Arlington, Vt. Gladys really enjoyed learning to make pierce and punch lampshades and continued to paint in oils. They moved to Albany, N.Y., then to Columbia, Mo., to be closer to Don who lived there and to Grace and her three children who live in Indianapolis.

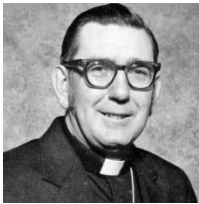

In 2012, after both Jim and Don passed away in 2011, Gladys moved to Oregon to be close to her daughter, Norma Jean (N.J.), granddaughter Diana, and great-grandchildren Kyler and Gabrielle. She attended HPC every week with them until her health began to decline in June 2013. She has really enjoyed regular visits from several people at HPC.

Gladys is survived by her daughters Norma Jean Smith and Grace (Phil) Chandler (Indianapolis), grandchildren Angeline Fimbres, Diana (Aaron) Fritz, Josh Smith and Sabrina Gowette, Scott (Katharine) Chandler, Sarah Chandler, Samantha Chandler, great-grandchildren Kyler Fritz and Gabrielle Fritz, Kailyn and Giada Fimbres, Brody Smith and various relatives in other parts of the country.

She is now, forever more, in His presence in Heaven, with all those who have gone before, and waiting for all those who will come after.
