

CCYM FALL EVENTS 2020

Due to COVID-19 (what isn't so far this year?), rather than large meetings of the youth and youth workers of the UNYC, CCYM is sponsoring *Work Days* at each of our Camp/Retreat Centers in October.

Masks are required for all attendees. Social distancing is required between youth groups but within youth groups is up to their leader. Cost is \$20/ per person and includes lunch. Each Work Day will begin at 10:00 AM and will include worship and fun along with helping out each of our wonderful Camp & Retreat Centers. The day will close with worship and end around 4:00.

Check the information below and decide which Date/Location your youth would like to attend. Numbers are limited, but if you'd like us to consider an alternate date/ location, "just in case", please note that on the attached form.

Questions? Contact Judy Hipes at 607-624-2145 phone or text.

We understand this is short notice for your groups, but we look forward to helping out our Retreat Centers and having some interaction with our Conference Youth!!
