Blueprint for Wellness (BFW) Highlights

• Wellness Credits

Earn 20 Credits for each of seven health measures that meet the American Heart Association's recommended range or are improved over your 2020 Blueprint for Wellness results. Seven qualifying health measures = 140 Wellness Credits total. Participants and spouses in HealthFlex plans can *each* earn **\$100 Pulse Cash***—and up to **140 Wellness Credits** depending on results.

If you missed Blueprint for Wellness in 2020 you're still eligible for Wellness Credits for achieving healthy results, and you'll have a baseline next year.

• Fast Overnight

Fasting overnight gives the most accurate results. Ask your doctor or other primary care provider (PCP) if it's safe for you to fast.

• Confidential Results Mailed Directly to You

Share with your PCP.

Reasonable alternatives or waivers will be made available for those who cannot achieve recommended or improved measures due to an underlying medical condition. Requests for a reasonable alternative may be made by:
