Ministry With the Forgotten

Led by Susan Silhan

“This course seeks to equip lay servant ministers to lead congregations in ministry with people with dementia and the people who care for them. Such a task requires a basic understanding of dementia and the spiritual needs and gifts of people who live with Alzheimer’s and other forms of dementia. The course is built on the foundational conviction that the Christian faith significantly broadens how people with cognitive impairments are viewed and treated. The goal is to help lay people understand dementia through a spiritual lens” Offered as a two day, in person class.

BASIC LAY SERVANT COURSE

Led by: Connie Seifert

Learn what Lay Servants roles are as defined by the Book of Discipline. Delve into the concept of “call”. Explore how we are all called by God to use our gifts and graces in proclaiming the Gospel. Students will use the newly developed course for Basic Lay speaking with emphasis on leading, living and witnessing by the Spirit rather than preaching. This reflects the new membership vows which say that we will support the church with our prayers, our presence, our gifts and **our witness**. There are excellent sessions on our Wesleyan heritage, Spiritual gifts, on servant leadership, caring ministries and communication

Required First Course for LSM and CLM
