JUST A REMINDER

If you borrowed Vacation Bible School curriculum please gather it together and return it to the resource center as timely as possible following the completion of your event.

DID YOU PURCHASE THE EVEREST VBS KIT THIS YEAR?

I am looking for a couple of churches that would be willing to donate a complete kit of Everest to the resource center after using it to allow other churches to use it next year. Please give me a call or email me if you would like to donate yours.

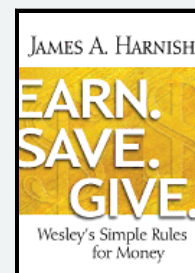

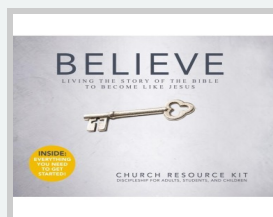

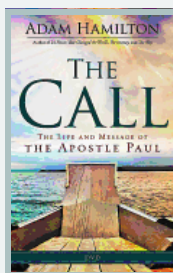

~IT'S TIME TO PLAN FOR A NEW YEAR ~ WHY BUY IT WHEN YOU CAN BORROW IT

Are you a new Pastor or Christian Ed Director? Are you in a new appointment? Do you want to try something new in your church? When making plans for the fall, remember to check with the Media Resource Center for what is available to borrow before you purchase something. Your ministry shares already pay for the resources we have in the library, so why pay twice! Give me a call, email me, or check out the online catalog.

New Resources Available for this Fall

Currently most copies of **The Call** have already been reserved for September-October, but you may reserve it for later in the year. If you didn't get a chance to utilize **Making Sense of the Bible** last year, you may want to consider starting with that in the fall. It's a great study for discussion. **Believe** is a 30 week discipleship study for the whole church on living the story of the bible to become like Jesus. Availability is limited. You may want to start with **The Story**-31 stories of the bible with lessons for all ages. **Earn-Save-Give** is the new stewardship study based on Wesley's simple rules for money, along with other options.
