

DISCOVERING YOUR SPIRITUAL GIFTS

What to have a better understanding of what constitutes spiritual gifts and how they apply to you? According to Paul in 1 Corinthians 12: 4-11, God has given each one of us certain spiritual gifts. Each person will take their own spiritual inventory to help them discover their own spiritual gifts and how best to apply them to their church, their ministry and their life. This course will focus on some of the questions concerning spiritual gifts and offer the opportunity to practice them within the group.

Two books will be used:

Your Spiritual Gifts Inventory by Charles V. Bryant (Cost to be absorbed in the fee)

Each One a Minister: Using God's Gifts for Ministry (Revised and Expanded) by William J. Carter
