

Forming a District Emergency Response Team

Steps to be Successful

- Assign a District Response Coordinator
 - Multiple people working in the role
 - Training for coordinator(s)
- Review the District list of currently Trained ERT's
 - Conference Training Coordinator to share list
 - Establish Team leaders
- Schedule an ERT class(s)
 - Locations important
 - Minimum of 12 per class
- Create and practice activity to maintain interest in the program
 - Team exercises (disasters don't work on schedules)
 - Team/Activity Tools
- Set up schedule for sharing "Connecting Neighbors"
 - Need to go out to all churches
