

Take Home Questions, Step 1, IDP Training

Like you did in the training, ask your leadership to list on a newsprint or other group sheet:

What do we do?

Then ask, what is our mission as a congregation)

(If needed ask, do we have a mission?)

Remind them: Like in the training, our mission- purpose – is to make disciples. (Matthew 28)

Ask:

How much of what we do (from the list) reflects our overall mission?

Then:

What would need to change in your church to move it from a church that does things to a church that makes disciples?

Additional questions for leadership team conversations:

- 1) Why do we share our faith?
- 2) What do we have that others might need?
