The Bishop Violet Fisher Grants for Children’s and Youth Ministries
Upper New York Area Advance Special #3075

GRANT GUIDELINES AND APPLICATION FORM

Section I

The need to foster spiritual growth in and with our children and youth is of paramount importance to the congregations of the Upper New York Area. In honor of Bishop Violet Fisher’s love and concern for children and youth, this Advance Special #3075 was established in the former NCNY Conference to celebrate the Bishop’s life and ministry among us; and to continue her legacy of spiritually nurturing children and youth at the 2008 NCNY Annual Conference Session.

A. Purpose of the grants: To provide grants/funds to promote spiritual growth and faith based experiences for children and youth in local church settings; to build disciples of Jesus Christ.

B. Range of individual grants: up to \$2000. The total of the grants awarded by the Task Force during any grant period may not exceed \$2500.00. (The two grant periods are: Applications due May 1 for ministries with summer and fall start-up dates; due November 1 for ministries with winter and spring start-up dates.) **Grants are not renewable.**

C. Funding criteria: The proposal must demonstrate:

1. That the ministry/program/experience for spiritual growth is local church based and faith based
2. How it directly benefits children / youth (defined as infant through high school)
3. A need for such a ministry/program/event
4. A commitment of the local congregation and/or community to the ministry
5. And provide an assessment of gifts (spiritual, financial, and organizational) of the congregation/community to carry through on the proposal.
6. Measurable outcomes; (how will you know if the children/youth have grown spiritually?)

D. Also to be included:

1. An itemized income and expense report and add other sources of funding (include time, materials or other sponsors).
2. An evaluation process to show how you are going to evaluate the outcomes and monitor the program’s progress.

E. Grant recipients must report back to the Task Force within six months* of the

awarded date, the effect of the ministry/program/event including, but not limited to:

1. The number of children/youth reached (for information, more than for a “rating” of the ministry’s “success”)
2. The measurable spiritual /faith outcomes achieved. We are looking for documented change. (You may provide anecdotal measurements to support charted growth.)
3. How the local church will continue to “build” on this faith experience for and with children/youth.

(*Ministries with a longer life-span than six months will be asked to send in subsequent report updates every three months, and provide a cumulative outcomes summary at the end of one year.)

F. Applications must be typewritten/word processed. No more than five pages in total (including financial report). Please carefully review the application. We appreciate numbered pages, and each page identified with the church and ministry name. Faxes and emails of proposals are permitted.

G. Application deadline(s): Applications are to be sent beginning October 1 to be received by November 1, (beginning in 2008) ONLY for ministries with winter and spring start-up dates, OR to be sent beginning April 1 to be received by May 1 (beginning in 2009) ONLY for ministries with summer and fall start-up dates. The Task Force will NOT consider proposals that fall outside these time frames.

Section II - Please provide a summary of the proposed ministry/experience/event

4. When (time frame)

5. Where (location of the work)

C. What do you hope to spiritually accomplish (outcomes)?

D. State the total cost of this effort, and the amount requested from this fund. **(Please note, since the grant focuses on the spiritual needs of children and youth we do not provide funding for food. We also do not provide funding for staff positions.)**

Section III - The application must also include responses to all of the following, keeping in mind the Grant's Purpose statement in Section I, A:

A. How are you, as a congregation, called spiritually to this ministry?

B. Describe why this ministry/experience/event is needed to enhance the faith lives of children and/or youth.

D. How will your project reflect a commitment to addressing root causes of problems facing children and/or youth. How will advocacy be integrated into the experience?

The application may want to demonstrate partnership with other United Methodist bodies, with community and ecumenical organizations, and/or with urban or rural ministries.

The Grant Task Force reserves the right to ask for more information and/or matching funds based on ministry impact and overall cost requirements for the ministry in achieving outcomes.

Section IV – A Cumulative Outcomes Summary Report, due within six months of the start-up date, is to be sent to the Violet's Garden Task Force c/o: Rev. Joellyn Tuttle, Skaneateles UMC,
